ADDENDUM

AGENDA ITEM NO. 5 Land North of West Street Tollesbury

Application Number	25/00381/OUTM
Location	Land North of West Street Tollesbury Essex
Proposal	Outline planning application, with all matters reserved except access for up to 159 residential dwellings (Use Class C3), a road link connecting West Street to North Road, ancillary infrastructure, public open space, play space, Suitable Alternative Natural Greenspace (SANG) and sustainable drainage.
Applicant	Welbeck Strategic Land IV LLP
Agent	DLP Planning Ltd
Target Decision Date	14 August 2026
Case Officer	Gareth Ball
Parish	Tollesbury West
Reason for Referral to the Committee / Council	• Departure – Site outside of the settlement boundary.

5.4 Unit Size Mix

Amend Paragraphs 5.4.1 and 5.4.2 as follows:

- 5.4.1 The matters of layout and scale are reserved, which would be considered at reserved matters stage. The current application therefore does not include a detailed unit size mix plan, which would be submitted and considered at reserved matters stage.
- 5.4.2 Officers have updated the housing mix condition (5), when compared to the one set out in the main report. The revised condition would secure the unit size mix to be in accordance with the most recent LHNA and the Technical Advice Note update, the latter in relation to the preferred market housing size mix. The applicant has confirmed their agreement to this amendment. This will ensure that the proposed housing responds to the progressing requirements of the District.

5.5 Quality of Proposed Accommodation

Amend Paragraph 5.5.1 as follows:

- 5.5.1 Matters relating to the internal size of dwellings, provision of private external amenity space, acceptable natural light etc are not a material consideration in

this outline application, as layout is reserved. The Site has sufficient space to accommodate the number of dwellings (which would be a manageable density of 25 dwellings per hectare if 159 dwellings are provided within the parameter plan area). The 2025 LHNA provides an up-to-date assessment of the District's population and housing requirements. Paragraph 11.11 of the LHNA highlights the need for the provision of accessible dwellings, per Building Regulations Approved Document M. Officers have had note of the planning obligations secured on the recent appeal decision at Land west of the Cemetery (MDC ref 25/00578/OUTM, PINS ref 6004910) in which 80 per cent of market and affordable units were secured as M4(2) (accessible and adaptable homes) while 10 per cent of affordable homes were secured as M4(3) (wheelchair user dwellings). Officers recommend securing this through a planning condition.

7.2 Statutory Consultees and Other Organisations (Page 70)

Amend consultee comments as follows:

Name of Statutory Consultee / Other Organisation	Comment	Officer Response
Highways Authority (ECC)	(In addition to previous comments) The submitted Transport Addendum Note demonstrates that the cumulative impacts of the developments will not have a severe impact on the road network.	Noted.
National Health Service Property	No objection, subject to a financial contributions of £78,700 £119,400 towards provision of additional health services in the local area.	Planning obligation added to Section 8 of this committee report and S106 draft Heads of Terms.

8 PROPOSED CONDITIONS INCLUDING HEADS OF TERMS OF ANY SECTION 106 AGREEMENT
