7. CONSULTATIONS AND REPRESENTATIONS RECEIVED

7.2 Statutory Consultees and Other Organisations (*summarised*)

Name of Statutory Consultee / Other Organisation	Comment	Officer Response
ECC Adult Social Care	Repeated previous concerns regarding the principle of the development.	The issues raised are not relevant to the consideration of the current reserved matters application.

7.3 Internal Consultees (*summarised*)

Name of Internal Consultee	Comment	Officer Response
Tree Consultant	The trees with berries seem to be set back further from the hard surfacing, but this can be further formalised and discussed on site when they are setting up the planting. There are no details relating to root deflectors where species such as Hornbeam and others are planted in confined areas near kerb lines etc. These can be conditioned. The scheme presents an excellent opportunity to have new and diverse planting incorporated into the surrounding landscape, to provide trees that have space to develop into notable landscape features of the future. Along with other planting to enhance ecological net gain and habitat for wildlife.	Noted – the relevant revised drawing numbers and an additional condition are set out below.
