7.4.2 One letter **objecting** to the application has been received and the reasons for objection are summarised as set out in the table below:

Objecting Comment	Officer Response
Proposal represents another attempt to establish a dwelling on the site and reverse earlier decisions refusing permission.	Noted and addressed within section 5.1 of the report.
Application to convert to offices was just an interim measure to strengthen case to allow for dwelling at site.	Noted and addressed within section 5.1 of the report.
Conversion of stabling to dwelling would set a precedence and open the floodgates to many more similar applications.	Noted. Each application is assessed on its individual planning merits and it is not considered that this application would set a precedent for future applications.
