Council Chamber 01621 859677

CHIEF EXECUTIVE'S OFFICE

CHIEF EXECUTIVE Fiona Marshall

6 April 2017

Dear Councillor

You are summoned to attend the meeting of the;

### OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)

on TUESDAY 18 APRIL 2017 at 7.30 pm.

in the Council Chamber, Maldon District Council Offices, Princes Road, Maldon.

A copy of the agenda is attached.

Yours faithfully

Chief Executive

COMMITTEE MEMBERSHIP CHAIRMAN Councillor M S Heard

VICE-CHAIRMAN Councillor E L Bamford

COUNCILLORS H M Bass

Mrs P A Channer, CC

R P F Dewick M W Helm N R Pudney S J Savage

#### **Maldon District Council's Corporate Goals**

- Strengthening communities to be safe, active and healthy;
- Protecting and shaping the District;
- Creating opportunities for economic growth and prosperity;
- Delivering good quality, cost effective and valued services;
- Focusing on key projects.

# AGENDA OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)

#### **TUESDAY 18 APRIL 2017**

- 1. Chairman's notices (please see overleaf)
- 2. **Apologies for Absence**
- 3. **Minutes of the last meeting** (Pages 5 10)

To confirm the Minutes of the meeting of the Committee held on 12 October 2016 (copy enclosed).

#### 4. <u>Disclosure of Interest</u>

To disclose the existence and nature of any Disclosable Pecuniary Interests, other Pecuniary Interests or Non-Pecuniary Interests relating to items of business on the agenda having regard to paragraphs 6-8 inclusive of the Code of Conduct for Members.

(Members are reminded that they are also required to disclose any such interests as soon as they become aware should the need arise throughout the meeting).

#### 5. **Public Participation**

To receive the views of members of the public on items of business to be considered by the Committee (please see below):

- 1. A period of ten minutes will be set aside.
- 2. An individual may speak for no more than two minutes on a specific agenda item, the time slots to be allocated on a "first come first served" basis.
- 3. Participation may take the form of a statement, or alternatively a question to be addressed to the Chairman. There will be no discussion on questions put unless it is formally moved. In line with the current scheme applied to other Committees, the questions must:
  - not be defamatory, frivolous, vexatious or offensive;
  - not be the same or substantially the same as another question to the same meeting or anything so put in the last six months;
  - not involve the disclosure of confidential or exempt information.
- 4. Anyone wishing to speak must notify the Committee Clerk between 7.00pm and 7.20pm prior to the start of the meeting.

#### 6. Chief Inspector's Performance Report

To receive a verbal update from Chief Inspector Ronnie Egan.

### 7. <u>Detective Inspector's Discussion on Crime Solved Rates within the Maldon District</u>

To receive a verbal update from Detective Inspector Rob Kirby.

#### 8. Police and Crime Commissioner Question and Answer Session

A question and answer session with Roger Hurst, Police and Crime Commissioner.

#### 9. **Maldon District Community Safety Partnership Update** (Pages 11 - 42)

To receive and note the report of the Director of Customers and Community (copy enclosed) and to receive a presentation from the Community Safety Partnership Manager.

### 10. Any other items of business that the Chairman of the Committee decides are urgent

#### NOTICES

#### **Sound Recording of Meeting**

Please note that the Council will be recording any part of this meeting held in open session for subsequent publication on the Council's website. At the start of the meeting an announcement will be made about the sound recording. Members of the public attending the meeting with a view to speaking are deemed to be giving permission to be included in the recording.

#### Fire

In event of a fire, a siren will sound. Please use the fire exits marked with the green running man. The fire assembly point is outside the main entrance to the Council Offices. Please gather there and await further instruction.

#### **Health and Safety**

Please be advised of the different levels of flooring within the Council Chamber. There are steps behind the main horseshoe as well as to the side of the room.

#### **Closed-Circuit Television (CCTV)**

Meetings held in the Council Chamber are monitored and recorded by CCTV.

### Agenda Item 3

#### MINUTES of OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE) 12 OCTOBER 2016

#### **PRESENT**

Chairman Councillor M S Heard

Councillors H M Bass, Mrs P A Channer, CC, S J Savage,

Miss A M Beale, Rev. A E J Shrimpton and

Mrs M E Thompson

#### 632. CHAIRMAN'S NOTICES

The Chairman drew attention to the list of notices published on the back of the agenda and asked Members to bear in mind the corporate goals.

The Chairman welcomed Spencer Clarke, Community Safety Partnership Manager, Inspector Andy Sawyer of Essex Police and Jane Gardner, Deputy Police and Crime Commissioner to the meeting.

#### 633. APOLOGIES FOR ABSENCE

Apologies had been received from Councillors R P F Dewick, M W Helm and N R Pudney and, in accordance with notice duly given, Councillors Miss A M Beale, Mrs M E Thompson and Rev. A E J Shrimpton respectively were substituting. An apology for absence had also been received from Councillor E L Bamford.

#### 634. MINUTES OF THE LAST MEETING

**RESOLVED** that the Minutes of the meeting of the Committee held on 9 March 2016, be approved and confirmed.

#### 635. PUBLIC PARTICIPATION

Mrs Wendy Stamp of Burnham-on-Crouch addressed the Committee in relation to Agenda Item 6 – Consultation on the Police and Crime Plan 2016-2020.

#### 636. DISCLOSURE OF INTEREST

Councillor Mrs P A Channer CC declared a non-pecuniary interest as she was a Member of Essex County Council which had links with the Police & Crime Commissioner.

Councillor M S Heard declared in the interests of openness and transparency that he was employed by Essex Police in a civilian role and that any comments or observations he made would be solely from public records.

The Chairman requested that the order of the meeting be altered to hear Agenda Item 7 before Agenda Item 6 and this was agreed.

#### 637. MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE

The Committee considered the report of the Director of Customers and Community asking Members to note the progress of activities undertaken by the Maldon Community Safety Partnership since the last meeting held on 9 March 2016 and also to note the proposed priorities and action plan for 2016/17 and the success of the initiatives undertaken by the partnership to date.

Members were also asked to note the questions and answers arising from the meeting of the Parish Clerks Forum on 5 July as detailed within Appendix 2 of the report.

Members also received a presentation by the Community Safety Partnership Manager.

Attached as Appendix 1 to the report was a copy of the Essex Police Performance Summary to August 2016.

The presentation and report provided an update on a number of areas, in particular the following:

- <u>Statutory Duties:</u> The Officer outlined a number of areas relating to the statutory functions of the Maldon Community Safety Partnership (CSP).
- <u>Community Safety Priorities</u>: The Officer outlined the areas of priority which were protecting and supporting vulnerable people and victims of crime, reduction in the harm caused by alcohol and drug misuse, promoting road safety and challenging irresponsible driving, reducing crime, the fear of crime and antisocial behaviour and reducing re-offending.
- <u>Wider Strategy:</u> the Officer advised Members of the wider strategy which included the Maldon District Council Corporate Plan which in turn crossed over onto other groups, plans and strategies.
- Police Crime Commissioner (PCC) Plan 2016 2020: The Officer drew Members' attention to this section of his report which highlighted the current crime statistics for Maldon, including the two ongoing homicide investigations in the District. He also drew attention to work on prevention that was being done in conjunction with a Government grant.
- <u>Anti-Social Behaviour (ASB)</u>: The Officer drew attention to the Quarter 2 period for which figures were available and highlighted a new Youth ASB Group which

- aimed to engage primary and secondary age children who were at risk. A Criminal Behaviour Order had been issued for a high risk perpetrator.
- <u>Crucial Crew 2016:</u> The Officer drew attention to various projects including Crucial Crew and the Burnham Graffiti Art Project which had proved to be popular and engaged young people. The High Sheriff Lorna Rolfe JP had enjoyed a successful visit to Crucial Crew,
- What's New?: The Officer highlighted various new initiatives within the District

Following the presentation, the Chairman drew Members' attention to a quantity of Crimestoppers Cards specifically aimed at Drug Prevention and supplied to the authority by The Community Partnership which would be distributed throughout the District by the Rangers.

Questions were raised and the following information provided in response:

- Youth ASB Group: The Community Safety Partnership Manager advised that the majority of the 26 youth ASBs was children of secondary school age, but there were some primary school children in that group.
- Section 17: Plans for areas of concealment The Community Safety Partnership Manager advised that Section 17 had been mentioned to highlight that all statutory partners have a duty to consider community safety as part of their daily duties and that whilst he had not spoken directly to Planners on this issue, they would almost certainly have been consulted on particular projects over the years. Moreover, there was a member of staff who could provide assistance on such matters.

**RESOLVED** that progress on the delivery plan for 2016 / 17 and the success of the initiatives undertaken by the Partnership be noted.

#### 638. CONSULTATION ON THE POLICE AND CRIME PLAN 2016 - 2020

The Community Safety Partnership Manager introduced the report and advised Members that it was the same report that had gone to the Community Services Committee on 11 October 2016. He highlighted the priorities of the partnership and new priorities within the plan.

The new Police and Crime Commissioner had started a six week consultation which had been launched on 24 August 2016. The comments and valuable feedback made at the initial launch had been taken on board and would be presented to a panel in late October/early November 2016 with a view to publication in late November 2016. The Community Safety Partnership Manager drew Members' attention to the plan attached as Appendix 1 to the report.

The Community Safety Partnership Manager concluded that there would be a much clearer focus for the District, particularly around road safety, which was a big concern in the rural areas. Members would be given the opportunity to scrutinise the work at the Overview and Scrutiny (Crime and Disorder) Meetings which took place bi-annually.

The Chairman reminded Members that this had come before the Community Services Committee on 11 October 2016 and that the suggested consultation response had been amended slightly.

The Director of Customers and Community read out the amended consultation response:

"The Council believes that the proposed plan complements some of the existing priorities of Maldon Community Safety Partnership and it addresses both emerging threats and the concerns of the public particularly in relation to police visibility. The Council would like to see a separate priority dedicated to reversing the trend in sexual abuse across our communities. The plan is very ambitious around the recruitment of special constables and whilst this is greatly welcomed to provide more local focus in rural areas progress must be fed back on a regular basis because expectations will be high. Failure to deliver on the police visibility agenda will create a wider void between the public and police on satisfaction and the ability to perform and detect crime in rural areas'.

The Chairman invited the Deputy Police and Crime Commissioner to give a response regarding the figures.

The Deputy Police and Crime Commissioner advised that the landscape of crime had changed considerably over a short period and the draft plan represented the concerns of local people, particularly in relation to visible local policing and anti-social behaviour.

Various questions were raised and responded to:

- Rural crime had increased and partners in the Safer Essex Rural Crime Strategy had identified risks around crime that are being responded to. There was a significant problem with the theft of Land Rover Defenders. The Police shared concerns about thefts and burglaries in the rural Dengie area.
- Whilst it was difficult to be visible all the time in rural areas, the recent development in community safety hubs would take priorities from local crime and disorder strategies and prioritise that area. Hard work would be put in to ensure increased police visibility.
- The solved rates for crime in the Maldon district are the lowest in the region and the low solved rate for burglary is contributing to this. Due to various changes, Chelmsford and Maldon would soon have its own Criminal Investigation Department (CID) Inspector who would prioritise burglary investigations.
- The loss of Police Community Support Officers (PCSOs) was disappointing and there was concern that voluntary special constables would not be as effective. Members were advised that Special Constables were warranted officers who supported the work of regular officers. The increase in Special Constables would increase our warranted officer capability and the aim was to double the amount of special constables.
- Inspector Sawyer advised Members that the police had recently been issued with notepad devices that would allow them to update jobs and submit intelligence immediately without having to return to the Police Station. The devices had been very well received by officers and were a very effective time-saving tool. Furthermore, CCTV can be viewed directly from the devices which could save

- time when dealing with public order offences. The new equipment would assist in the efficiency of the police.
- It was suggested that the Police put something in the press regarding these devices, so that their use is not misinterpreted by members of the public.
- In response to a question, the Deputy Police and Crime Commissioner advised that Essex was the lowest precepted police force in the country and a debate needed to be had with the Chief Constable as to the use of resources. If there was an expectation for the public to increase their contribution to the police, then it must be made clear what it would be used towards.
- The Deputy Police and Crime Commissioner confirmed that the aim was to have one special constable for each parish and that she would be very interested to come back and discuss how Members could assist in getting the message across to parishes.
- In response to a question regarding known perpetrators of crime and pursuing them, the Deputy Police and Crime Commissioner responded that no criminal activity was acceptable, least of all when vulnerable or young people were targeted. There was a priority to protect young and vulnerable people from harm. It was necessary for all concerned agencies to work together and to break down the siloed way of working that can contribute to exposing vulnerable people to harm.
- With regard to improving detection rates, the Deputy Police and Crime Commissioner (PCC) advised that underneath the strategy set out in the Police and Crime Plan 2016 2020 would be delivery plans and it was necessary to make the best of the resources available. The Deputy PCC commented that for the plan to work it should have lead officers with clear actions, proper resources and clear outcomes to determine the success to enable Police to determine if it is working and if not why not.
- Members were advised that the best method of reporting information on drugs was to email Maldon Community Policing Team or by telephoning Crimestoppers.

**RESOLVED** that the report on and implications of the proposed new Police and Crime Plan for 2016 - 2020 be noted and the draft consultation response be approved.

#### 639. ANY OTHER BUSINESS - MEMBERS

There was none.

The Chairman thanked the Deputy Police and Crime Commissioner, Jane Gardner, Inspector Andy Sawyer and Spencer Clarke for attending the meeting.

There being no further items of business the Chairman closed the meeting at 8.55 pm.

M S HEARD CHAIRMAN

Agenda Item 9

### REPORT of DIRECTOR OF CUSTOMERS AND COMMUNITY

OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)
18 APRIL 2017

#### MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE

#### 1. PURPOSE OF THE REPORT

1.1 Members are asked to note the progress of activities undertaken by the Maldon Community Safety Partnership since the last meeting held on 12 October 2016 and be aware of the new strategic priorities which were adopted in March 2017.

#### 2. RECOMMENDATION

That Members note the new priorities for 2017 / 18 and the success of the initiatives undertaken by the partnership to date.

#### 3. SUMMARY OF KEY ISSUES

#### 3.1 **Statutory Duties**

- 3.1.1 The new statutory duties for the community safety partnership were agreed at the Responsible Authorities Group on 17 March 2017 following the completion of the strategic assessment which is attached as **APPENDIX 1**.
  - Reducing crime, fear of crime and anti-social behaviour;
  - Promoting road safety and tackling irresponsible driving;
  - Protecting and supporting vulnerable people and victims of crime;
  - Reduction in harm caused by alcohol and substance misuse;
  - Tackling rural crime and strengthening communities.
- 3.1.2 The current Essex Police performance figures for the cumulative year to 28 February 2017 (compared to the same period last year) showed an increase in all crime by 2.9% (63 more offences) and a decrease in anti-social behaviour by 8.8% (89 less incidents). It should be noted that there has been an increase in crime in Essex by 8.1%. A summary of the crime profile for Maldon will be presented at the meeting by Chief Inspector Ronnie Egan. A copy of the Maldon performance summary is attached as APPENDIX 2 together with a document which identifies how we are performing against councils in our most similar groups. This useful comparison is attached as APPENDIX 3.

- 3.1.3 Works continue around the Prevent agenda to support the current action plan and statutory responsibilities. Maldon District Council has accessed a one-off grant of £10,000 from the Home Office to facilitate local training within the District. Workshop to Raise Awareness of Prevent (WRAP) training, a practitioners' conference and schools/social care training has already been delivered with this funding. A draft SET (Southend, Essex and Thurrock) policy and guidance has been produced together with a draft Essex Prevent Action Plan. These were considered for approval at the Prevent Multi-Agency Group on 7 December 2016 and presented to Safer Essex on 14 December 2016 and subsequently agreed.
- 3.1.4 Members will recall that Essex Police informed the partnership that two domestic homicides had occurred. Both of these incidents met the criteria of a domestic homicide review under Section 9 of the Domestic Violence, Crime and Victims Act 2004. The Home Office was duly notified and scoping letters have been sent out to community safety partners and other statutory organisations. Officers have procured independent chairs / report writers for the two cases. The first review group will be considering the draft report on 24 April 2017. The second review has been scoped and will commence in April 2017. The partnership was successful in obtaining a grant of £5,000 from the Police and Crime Commissioner (PCC) Community Safety Development Fund to support expenditure on these reviews. However, Members should note that a consultation paper has been circulated by SET (Southend, Essex and Thurrock) Domestic Abuse Board (with a response due on 24 March 2017) in relation to the proposed centralisation of Domestic Homicide Review (DHR) processes which is supported by the partnership and a response was submitted on 17 March 2017.

#### 3.2 Police and Crime Commissioner Update

- 3.2.1 Members should note that Roger Hirst was elected to the role of PCC for a four year term in May 2016 and a public meeting was held at the council offices on 27 February 2017 which attracted 32 attendees. This meeting predominantly focused on the closure of Maldon police station and rural crime. The new Police and Crime Plan 2016 2020 was launched on 22 November 2016 following an extensive period of consultation. The vision of the new PCC is "Safe and secure communities are the bedrock on which we build success and wellbeing for all". This is evidenced in the plan with it having a clear victim centric approach. The view of the author of this report is that the proposed policing priorities are to be commended and support the current priorities of the community safety partnership. The new policing priorities are:
  - More local, visible and accessible policing;
  - Crack down on anti-social behaviour;
  - Breaking the cycle of domestic abuse;
  - Reverse the trend in serious violence;
  - Tackle gangs and organised crime;
  - Protecting children and vulnerable people;
  - Improve safety on our roads.

- 3.2.2 The Office of the PCC (OPCC) confirmed that core funding for 2017 / 18 will be £12,527 assuming that there is a positive outcome to the ongoing DHR consultation. The Maldon contribution towards this fund equates to £1,708. Three bids were made to the second round of Community Safety Development Forum (CSDF) for work to train registered social landlords in Anti-Social Behaviour (ASB) tools and powers, to financially support the domestic homicide reviews as discussed earlier and to pilot a Tru-Cam initiative in Maldon. The ASB bid was unsuccessful so officers are looking at a more cost effective way of delivering this training in partnership with Chelmsford community safety partnership. The DHR bid was successful as mentioned earlier and the Tru-Cam pilot was approved (£7,000). The Community Safety Manager supported the OPCC in relation to the procurement of a supplier to provide support around gangs and associated violence. A £200,000 fund for 2016 / 17 and 2017 / 18 has been made available to six areas in Essex to tackle gangs and associated organised crime of which Chelmsford is one. Chelmsford has very close links with Maldon and a great deal of the work undertaken by the successful tenderer, Gangsline will be delivered to students at Heybridge Alternative Provision School. This will be a valuable asset for the partnership because it addresses an emerging threat which has a major impact on violence, drug distribution and vulnerability.
- 3.2.3 The PCC has recently commenced a public consultation on governance arrangements with Essex Fire and Rescue Service: A Local Case for Change. This consultation closes in May 2017 and a report is being considered at Community Services Committee on 11 April 2017 to obtain the views of Maldon District Council members. A link to the consultation can be found at:

  <a href="http://www.essex.pcc.police.uk/localcaseforchange/">http://www.essex.pcc.police.uk/localcaseforchange/</a> which includes a short but very informative film which explains the process and proposals. It should be noted that Responsible Authorities Group (RAG) members agreed to support the "governance" model.</a>

#### 3.3 Community Safety Hubs

3.3.1 The community safety hub for Maldon and Chelmsford meets on a monthly basis and has a tasking process which links to the current priorities of the community safety partnership. Sub groups of the partnership continue to meet on a regular basis and work streams for each individual group are effectively impacting on various areas of community safety. The new group which has been set up to support schools in tackling anti-social behaviour and vulnerability with pupils displaying risky behaviours is working well and data sharing and intelligence is much more effective. This acts as a valuable early intervention tool and hopefully will correct bad behaviour before escalation. Officers are also attending rural crime tasking to help address the issues impacting on Maldon from this crime type. A weekly rural crime briefing note is now circulated to partners by Police Constable (PC) Andy Long.

#### 3.4 Progress on the Action Plans

- 3.4.1 The partnership has delivered education and interventions for a wide range of areas for this current year which has included work on:
  - Gangs, drugs and knives;
  - Driver education and enforcement;
  - Firebreak;

- Prevent;
- Community Engagement including the Independent Advisory Group (IAG);
- Crucial Crew for Year 6 and Adults with Learning Disabilities;
- Reality Roadshow for Year 9;
- Stay Safe This Summer for Year 10;
- Keep Safe;
- Door Step Clubs Southminster;
- Domestic Violence Awareness;
- Supporting initiatives such as Mayland Boxing, Seven Freerun and Just Play;
- Restorative Justice;
- Child Sexual Exploitation (CSE) Awareness;
- Dementia Awareness.

#### 4. CONCLUSION

4.1 That Members note the new priorities for 2016 / 17 in particular the addition of "tackling rural crime and strengthening communities" which is very applicable to the district in light of the crime trends for the past few years. The shared working arrangements between Maldon and Chelmsford continue to support local priorities, high level policing priorities and the priorities of the current PCC plan and Essex Police Crime Prevention Strategy. Maldon Community Safety Partnership (CSP) remains efficient and responsive to emerging issues and more importantly positions itself strongly for future funding arrangements with the Essex Police and Crime Commissioner, statutory partners and local/national initiatives.

#### 5. IMPACT ON CORPORATE GOALS

5.1 These priorities contribute to the Council's Corporate Goal of "Helping communities to be safe, active and healthy" and are highlighted as activities in the new draft business plan for the directorate for 2017 / 18.

#### 6. IMPLICATIONS

- (i) <u>Impact on Customers</u> Helping communities to be safe, active and healthy.
- (ii) **Impact on Equalities** None.
- (iii) <u>Impact on Risk</u> None.
- (iv) <u>Impact on Resources (financial)</u> Members should note that sustainable funding of posts to cover statutory duties will remain a challenge.
- (v) <u>Impact on Resources (human)</u> As above.

#### (vi) <u>Impact on the Environment</u> – None.

#### **Background Papers:**

APPENDIX 1 – Maldon Strategic Assessment.
APPENDIX 2 - Essex Police Performance Summary (January 2017).

**APPENDIX 3** – Crime Comparison for Most Similar Groups.

Enquiries to: Spencer Clarke, Community Safety Manager, (Tel: 01621 875814).

### **Maldon Strategic Assessment 2017**

**Demographic Profile** 

**Maldon** District forms part of Essex Police North Local Police Area (LPA) which also includes the areas of Chelmsford, Braintree. Along with Maldon, Chelmsford is a shared District Policing Area (DPA) and benefit from a shared manager for both Community Safety Partnerships.

The District of Maldon has a coastal border stretching from the Burnham—on-Crouch estuary, round the Dengie peninsula up to the nuclear facility at Bradwell on the River Blackwater. The District is home to the towns of Maldon and Burnham-on-crouch along with a number of smaller villages. Situated on the east coast of the county with several marinas including the main one of Blackwater, the area is popular with the sailing community.

Maldon District is home to 62,700 people (Essex Local Authority Portraits March 2016), which is expected to increase to 66,100 by 2025.

Maldon District has the highest proportion (98%) of resident population classified as 'white' of all the District Councils in Essex, making Maldon less ethnically diverse than the Essex average of 6% classified as non-white ethnic group. The 2% of the Maldon population who are 'non-white' are largely of mixed or Asian ethnicity with a very small percentage black or other ethnic grouping.

#### 2017 Strategic Priorities

From analysing overall recorded crime, public health data and evaluating public consultations, priorities for the Maldon District Community Safety Partnership are recommended below.

- 1. Tackling crime, the fear of crime and anti-social behaviour
- 2. Protecting and supporting vulnerable people and victims of crime
- 3. Reduction in harm caused by alcohol and substance misuse
- 4. Promoting road safety and challenging irresponsible driving
- 5. Tackling rural crime and strengthening communities

All CSPs have a statutory duty to reduce reoffending.

The partnership receives quarterly Performance Summary from Essex Police which aids in assessing the District's current crime trends and where resources should be focused. The table below provides figures from 31st-October-1st November 2015/2016

Crime Type	31 <sup>st</sup> Oct 14' Nov 15'	31 <sup>st</sup> Oct 15' Nov 16'	Difference (No. of offences)	Difference %		
Violence with injury	272	288	16	5.9		
Violence without Injury	350	468	118	33.7		
Burglary Dwelling	100	149	49	49		
Burglary Other	258	235	-23	-8.9		
Theft from Motor Vehicles	184	155	-29	-15.8		
Theft of Motor Vehicle	65	74	9	13.8		
Vehicle Interference	34	29	-5	14.7		
Theft from Person	34	34	0	0		
Theft of Pedal Cycle	20	17	-3	-15		
Other theft	301	319	18	6		
Shoplifting	76	57	-19	-25		
Public Order Offences	99	151	52	52.5		
Criminal Damage	303	350	47	15.5		
Racially/Religiously Aggravated Offences	8	9	1	12.5		
Anti-social Behaviour	1104	1042	-62	5.6		
All Crime	2295	2513	218	9.5		

Offences

- Maldon has an all crime offence increase of 218 offences (9.5%) when compared with 2015
- Maldon has had a 5.6% reduction in ASB (62 incidents) compared with the previous year

#### Solved rates

• With an all crime solved rate of 15, Maldon is 1.7% points worse than 2015 (16.7%)

The table above shows the number of incidents for each crime type comparing the same period of 31<sup>st</sup> October-1<sup>st</sup> November 2015 and 2016. Crime in the Maldon District has consistently decreased for a number of years, making it more challenging each year to continue. Despite the increase figures Maldon remains one of the lowest crime rate areas in Essex.

Thefts from motor vehicles and vehicle interference have both seen a significant decrease in offences when comparing to the previous year. Awareness and educating people on the importance of securing vehicles and promoting parking in well lit areas is an on going message delivered by the Partnership.

Maldon has seen an increase of burglary dwelling. Essex Police have developed a method to respond to burglary called Operation INSIGHT. This is based on the theory of "predictive policing" which, as the name suggests, is about using a particular form of crime pattern analysis indicating where crimes are most likely to happen. Resources are directed to conduct intensive patrols within these zones, supported by the process known as "cocooning". Cocooning involves officers visiting nearby dwellings of a burglary, the number of dwellings to be visited will be site specific, but would normally include 10 houses either side, 10 in front and 5 behind. Attending officers will conduct an initial assessment of security and vulnerability which may inform referrals to other scheme such as crime prevention officers or local handy man schemes. These households will receive bespoke crime prevention advice and reassurance. Zones were cocooning is taking place are shared with the CSP.

Anti-social behaviour reports have decreased for another year in the District. The Partnership continues to address reports and incidents through the Maldon and Burnham Action Group, which centres on neighbour disputes and individuals, and the ASB Youth Forum which looks to support young people who are highlighted as challenging. Agencies such Essex Police, local Primary and Secondary Schools and Housing Associations attend these forums and work in partnership to tackle ASB. Additionally the partnership will continue to tackle reports of youth nuisance by delivering diversionary activities for young people, liaison with parents and high presence in hot spot area from the Council's Community Protection Officers.

In order for Essex Police to provide immediate communication with the public, Essex Community Messaging was launched in October 2014. The free service allows the community to sign up to receive accurate and up-to-date information, crime prevention advice and notifications from Essex Police officers, Essex Watch liaison officers and other key partners, such as Neighbourhood Watch.

**Essex Fire and Rescue Service Data** 

Figures below show incidents which took place across the district for the period from 1<sup>st</sup> November 2015- 31<sup>st</sup> October 2016. The total number of incidents which stations in the Maldon District responded to stood at 323 (327 in 1<sup>st</sup> December 2014- 31<sup>st</sup> November 2015). The table below shows the breakdown of stations in Burnham (68 incidents), Maldon (188 incidents), Tillingham (37 incidents) and Tollesbury (30 incidents).

Incident Type (Including false alarms, fire and special service)	Number of Incidents
Burnham	
Alarms – including AFA, gas and smoke alarms	20
Fire – including abandoned call, building, caravan, chimney, fire in the open, road furniture, vehicle	33
Hazardous material – including gas, unidentified smell, vehicle leaking fuel	4
Humanitarian or Assistance – including dangerous structure, flooding, persons collapsed, persons locked out, RTC	2
Rescues – including people stuck in lifts, rescue from a height, RTC persons trapped, animal rescue, persons locked in, rescue from water	9
Total	68

Maldon	
Alarms – including AFA, gas and smoke alarms	83
Fire – including abandoned call, building, caravan, chimney, fire in the open, road furniture, vehicle	74
Hazardous material – including gas, unidentified smell, vehicle leaking fuel	6
Humanitarian or Assistance – including dangerous structure, flooding, persons collapsed, persons locked out, RTC	6
Rescues – including people stuck in lifts, rescue from a height, RTC persons trapped, animal rescue, persons locked in, rescue from water	19
Total	188

Tillingham	
Alarms – including AFA, gas and smoke alarms	4
Fire – including abandoned call, building, caravan, chimney, fire in the open, road furniture, vehicle	23

#### APPENDIX 1

Hazardous material – including gas, unidentified smell, vehicle leaking fuel	3
Humanitarian or Assistance – including dangerous structure, flooding, persons collapsed, persons locked out, RTC	1
Rescues – including people stuck in lifts, rescue from a height, RTC persons trapped, animal rescue, persons locked in, rescue from water	6
Total	37

Tollesbury	
Alarms – including AFA, gas and smoke alarms	6
Fire – including abandoned call, building, caravan, chimney, fire in the open, road furniture, vehicle	18
Hazardous material – including gas, unidentified smell, vehicle leaking fuel	1
Humanitarian or Assistance – including dangerous structure, flooding, persons collapsed, persons locked out, RTC	2
Rescues – including people stuck in lifts, rescue from a height, RTC persons trapped, animal rescue, persons locked in, rescue from water	3
Total	30

#### **Road Safety Data**

		Chelm	sford			Male	don		Essex				
2015	Fatal	Serious	KSI	Slight	Fatal	Serious	KSI	Slight	Fatal	Serious	KSI	Slight

% change	Fatal	Serious	KSI	Slight	Fatal	Serious	KSI	Slight	Fatal	Serious	KSI	Slight	
Collisions	17%	9%	10%	-12%	100%	119%	118%	-9%	28%	25%	25%	-10%	
Casualties	33%	13%	14%	-16%	100%	112%	11196	-3%	36%	28%	28%	-8%	

The above graph shows collisions and causalities for Maldon, compared with Chelmsford and Essex wide. "Collisions" measures number of crashes, "Casualties" measures the number of people injured in those crashes. In November 2015 a new recording system was adopted which gives a more consistent and accurate severity, based on the injuries sustained by each casualty. The previous system tended to underestimate the severity of some injuries. This means that under the new system there has been an increase in the number of recorded serious injuries. This system does not affect the recording of fatalities.

#### **Maldon Health Profile March 2016**

- Maldon has a high proportion of over 65s and a 27% increase is expected between 2015 and 2025 equating to 4,000 more people which will put a
  greater demand on social care services and housing needs.
- The health of people in Maldon is generally better than the England average. Deprivation is lower than average for older people, however about 13.2% of children live in poverty.
- Life expectancy above the national average for both males (Maldon 79.9- England 78.9) and females (Maldon- 83.4- England 82.8)
- 69.2% of adults and 30.2% of 10-11 year old children are overweight or obese. This is higher than the national figure for adults but below for children.

- 368 people (564 per 100,000) were admitted to hospital with alcohol related conditions, significantly better than the national average.
- There has been a 12% rise since 2013/14 in the number of adults being treated for drug and alcohol abuse.
- Maldon has a 'lower than average' rate of achieving five or more GCSEs at A\*-C
- Maldon had a high rate of under 18s teenage conceptions in 2013 at 27.1 per 1,000, when compared to England and Essex.
- The rate of people killed and seriously injured on roads is slightly higher than the national average (42.9 per 100,000)
- Rates of statutory homelessness, violent crime, long term unemployment, drug misuse and early deaths from cardiovascular diseases are better than average

#### Maldon Health and Wellbeing Local priorities 2016/17

- 1. **Obesity (child and adult)** Many health risks are associated with our weight, including mental health, type 2 diabetes, CVD, some cancers, hypertension, osteoarthritis, breathing problems etc.
- 2. Older Adult's Health- Including frailty, falls prevention, social isolation

#### Citizens Insight Source: Residents Survey 2015

94% of adults in Maldon say they feel safe during the day, the highest district figure and well above the Essex average of 85%

68% say they feel safe after dark, also considerably higher than the county average of 49%

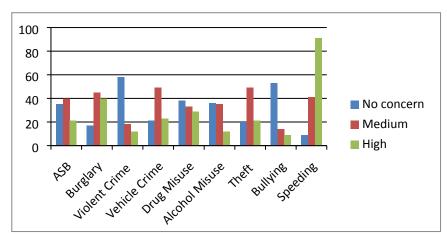

42% of adults are satisfied with safety on the roads, the same as the county average

#### **Community Engagement and Perceptions of Crime**

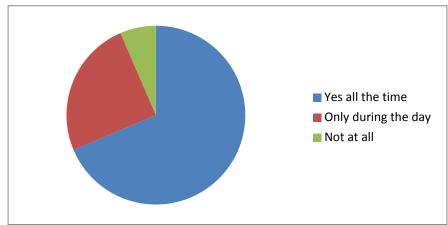

Maldon CSP attends community events every year in order to interact with the public, raise awareness of the role of the partnership, the agencies involved and to identify community issues and their needs. Additionally the CSP displays contact information such as the community safety email address and website aiming to ensure stronger communication between the partnership and the residents of the Maldon District.

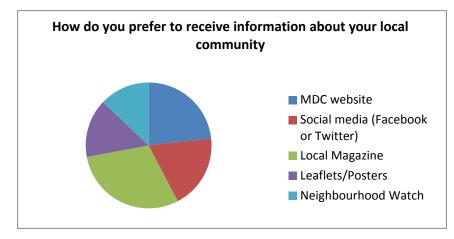

By providing members of the community a residents questionnaires which aim to identify which crimes are cause of concern in their area, if they feel safe after dark, if they feel the district as a whole is a safe place to live the CSP can establish what our main focuses should be. Resident's surveys have been carried out from April 2016- March 2017 with 186 responses

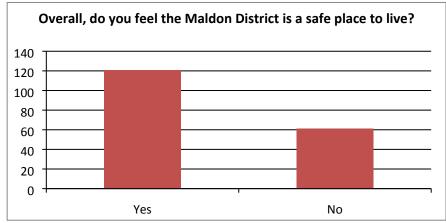

#### What are your main concerns?

#### Do you feel safe where you live?

#### Citizens Insight Source: Residents Survey 2015

94% of adults in Maldon say they feel safe during the day, the highest district figure and well above the Essex average of 85% 68% say they feel safe after dark, also considerably higher than the county average of 49% 42% of adults are satisfied with safety on the roads, the same as the county average

.

#### Reflecting on previous Strategic Priorities 2015/16

- 1. Tackling crime, the fear of crime and anti-social behaviour- reports of anti-social behaviour have decreased for another year.
- 2. Protecting and supporting vulnerable people and victims of crime- The PCC has commissioned the work of Gangs Lines to tackle CSE and urban street gangs.
- 3. Reduction in harm caused by alcohol and substance misuse- Drug offences have decreased 13.1% in the district when comparing 31st October 2015-1st November 2016 to the previous year.
- 4. Promoting road safety and challenging irresponsible driving- The partnership has liaised with local businesses to address issues of street racing meets in local car parks which have prompted anti-social driving around the District. Essex Police have concentrated enforcement and speed checks specifically in Maldon in the last 18 months. Additionally the Partnership were successful in a bid to the PCC to fund a TRU Camera and training for the Councils Community Protection Team to carry out speed checks.

#### **Partnership Activities**

The Maldon District Community Safety Partnership has carried out a wide range of activities and initiatives to reduce crime, disorder and anti-social behaviour over the last 12 months. A selection of multi-agency initiatives features below:-

- **Crucial Crew-** provides practice learning life skills for year 6 pupils in Maldon as they prepare for the transition to secondary school. Workshops include online safety, fire safety, road and cycle safety, stranger danger, anti-bullying, waste and recycling and first aid.
- **Keep Safe project** Maldon have been running the Keep Safe project since March 2013 which aims to support vulnerable adults in the community. Shops throughout the district are able to display a Keep Safe sticker in their windows to indicate to vulnerable adults that it is a place of safety should they find themselves in a dangerous or distressing situation.
- Public engagement- The Partnership has invested in a tailored marquee which can be used to attract the community as well as displaying the
  community safety email address, effectively enabling members of the public to be aware of how to communicate any issues relating to community
  safety. Information can be displayed about the partnership and its involved agencies, such as Essex Police, Essex fire and rescue and
  Neighbourhood watch. Questionnaires are distributed to the public around local issues allowing them to have a voice and for the CSP to identify
  specific issues and hotspot areas.
- Door Step Sports Club- In March 2014 partners including, Maldon District Council, MOAT housing, Essex Boys and Girls Clubs and the CSP joint together to implement a new concept of sports clubs in Southminster. Due to a high concentration of young people and increasing levels of deprivation, this area was identified as suitable locations to pilot this project. Funding was acquired through the PCCs New Initiatives Fund, Sportivate, Active Maldon, Maldon CSP, Maldon District Council and Moat Housing. In January 2016 Essex County Council agreed to fund this project for 3 years due to its success.
- **Burnham Street Art Project-** Following on for the success of the Mill Lane Underpass Street Art project in August 2015- the partnership were granted funding from the Police and Crime Commissioner to complete a mural on a disused wall at Riverside Park in Burnham on Crouch. Young people were given the opportunity to participate in designing and painting the wall which gave them a sense of ownership of the area.
- Neighbourhood Watch Pop-up shops- The Maldon District has a very active Neighbourhood Watch, who engage with many residents- relaying
  crime prevention advice, liaising between the Police, Council and the community. The group receive yearly funding to promote the concept of
  neighbourhood watch and benefit its residents. As a result of this the Watch decided to purchase crime prevention merchandise such as window
  alarms, power socket timers and door handle alarms which are available to the public at a discounted rate.
- Winter Warmth Project- The CSP worked in partnership with agencies such as Maldon District Council, Citizens Advice Bureau, MOAT housing, Provide, Community agents to provide information sessions around the district for homeless and the most vulnerable. Blood pressure tests, bags with winter essential, crime prevention advice, literature and merchandise were made available.
- **TRU-Cam-** the Maldon District in recent years has been plagued with reports and issues around excessive speeding and irresponsible driving. In order to combat this, the Essex Safer Roads Partnerships concentrated resources and enforcement detecting 2164 speeding offences since 1st August 2015. The Partnership were successful in a bid to the PCC Community Safety Development fund to purchase of a TruCAM hand held speed gun which can be used by Community Protection Officers and Maldon District Council to assist with Essex Police enforcement around speeding.
- **Domestic Homicide Reviews-** Unfortunately there has been two domestic homicides in the Maldon since July 2015. The CSP has a statutory duty to conduct reviews of homicides of this nature to establish lessons which could be learnt to prevent this happening in the future.
- Essex Police Costal Policing Team- Police have now recognised the importance of a Coastal Policing Team and have moved the section from Special Branch back into the same team as the horses, motorcycles, helicopter etc. and will be expanding from the two officers currently on the Marine Section to four officers and an additional six 'Specials'.

#### **PESTELO or PESTELOM**

- MDC is looking to build 3,000 homes within the district over the next 15 years to meets the needs of Maldon's projected growing population additionally to meet the affordable housing in Essex.
- 2016 has seen the election of a new Police and Crime Commissioner, Roger Hirst, a conservative representative who main aims for policing include—more local, visible and accessible policing, crack down on anti-social behaviour, breaking the cycle of domestic abuse, reverse the trend in serious violence, tackle gangs and organised crime, protecting children and vulnerable people and improve safety on our roads.

# **Essex Police Performance Summary to February 2017**

Date: 7th March 2017

Unit: Performance Information Unit

**Contact: Katie Roberts** 

#### 1. Introduction

This performance summary is designed to inform individual districts if, cumulatively, they are performing better or worse than the same period last year. It is expected that this data, where required, will be shared with the Community Safety Partnerships, as well as acting as an aid to officers attending local engagement meetings.

#### The data includes:

- Charts to show the cumulative (from April) percentage differences between the number of offences, and the percentage pt. differences between the solved rates, in each district, for the current period compared to the same period the previous year.
- Tables of data relating to both cumulative and rolling figures for this district.

If you have any questions regarding this data, please contact the Performance Information Unit - email: PerformanceAnalystTeam@essex.pnn.police.uk
