19. MEMBER TRAINING ON PLANNING MATTERS - IMPACT ON COUNCIL COMMITTEES

The Council considered the report of the Corporate Governance Working Group outlining the implications of the proposed ‘mandatory’ effect of Member training on planning matters and seeking Members’ determination of issues arising.

Members were reminded of the decision by the Council that when considering a planning application or related matter, if a Member had not undergone fundamental induction training once a programme had been introduced they could not vote on the matter. The report outlined the planning training which had taken place and was planned to meet this requirement.

Following on from the Council’s decision and restriction on voting it was noted that this raised an issue in relation to extraordinary meetings of the Council convened to deal with a category of applications. Members were elected to serve on the Council, which was distinct from being appointed by the Council to serve on a Committee operating under delegated powers. The Council was therefore asked to consider establishing within its Constitution a mechanism for the Council meeting as a Planning Committee i.e. a separate Planning Committee consisting of 31 Members to deal with a specific category of planning applications outside the remit of the Area Planning Committees.

In presenting the report the Leader of the Council proposed that the recommendations as set out in the report be agreed. This proposal was duly seconded and agreed.

RESOLVED

- (i) That the Council appoints a District Planning Committee with effect from the start of the 2019 municipal year, the Committee to consist of all 31 Members of the Council, to deal with the determination of the following planning applications and related matters:
 - Referred by, or otherwise beyond the remit of the Area Planning Committees, including reference by the Director under existing provisions;

- Where the site area involves more than one Committee;
 - Where the proposal involves development of strategic interest as defined in the terms of reference of the Area Planning Committees.

23. APPOINTMENT OF REPRESENTATIVES TO LOCAL GOVERNMENT AND OUTSIDE BODIES

The Council considered the report of the Head of Paid Service, circulated prior to the meeting, seeking Members' consideration of the appointment of representatives to serve on Local Government and Outside Bodies for the ensuing municipal year.

Councillor M S Heard, Leader of Opposition, advised that he was disappointed that the Leader of the Council had denied the Independent Group any representation on these bodies and requested that it be recorded that he felt the Leader of the Council was not acting in the interest and spirit of democracy.

RESOLVED that the appointment of representatives on Local Government and outside bodies as detailed in **APPENDIX 1** to these Minutes, be approved.

24. APPOINTMENT OF MEMBERS TO SERVE ON WORKING GROUPS OF THE COUNCIL

The Council considered the report of the Head of Paid Service, circulated prior to the meeting, seeking Members' agreement to appoint Members to serve on Working Groups of the Council for the municipal year.

In addition to the annual appointment of Members to serve on Working Groups of the Council the report sought Members consideration of creation of a Strategies Engagement Member Task and Finish Working Group (SEWG). The purpose of the SEWG was to review the commercial and thematic strategies to enable Officers to incorporate Members' comments before final submission to the Council. The proposed Terms of Reference for the SEWG were attached at Appendix 2 to the report.

The Leader of the Council presented the report and proposed that recommendation (i) as set out in report be agreed. This proposal was duly seconded and agreed.

The Leader then proposed that recommendation (ii) be agreed and Councillors E L Bamford, Mrs P A Channer, A S Fluker, M W Helm, Mrs M E Thompson and Miss S White be appointed to the Strategic Engagement Member Task and Finish Working Group. This was duly seconded.

Councillor M S Heard, Leader of the Opposition, referred again to the Independent Group and requested that it be recorded that the Group were once again being denied the opportunity work on these groups.

At this point and in response to some questions the Leader of the Council provided some clarification regarding the proposed representatives to Working Groups.

Councillor W Stamp outlined concerns she had regarding the proposed Terms of Reference for the SEWG and proposed that they be amended to reflect the political balance. This proposal was not supported.

In response to further comments from members of the Independent Group the Leader of the Council provided further clarification on the Working Groups which he advised did not need to be politically balanced. He explained that the SEWG would report back to the Council at which point a debate on its recommendations could be had, if required.

The Chairman then put recommendation (ii) as set out in the report with the six Members as proposed by the Leader of the council. Upon a vote being taken this was agreed.
