06 November 2019

Dear Councillor

You are summoned to attend the meeting of the;

**OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND
DISORDER COMMITTEE)**

on **THURSDAY 14 NOVEMBER 2019** at **7.30 pm.**

in the Council Chamber, Maldon District Council Offices, Princes Road, Maldon.

A copy of the agenda is attached.

Yours faithfully

Head of Paid Service

COMMITTEE MEMBERSHIP

CHAIRMAN

Councillor M W Helm

VICE-CHAIRMAN

Councillor R P F Dewick

COUNCILLORS

V J Bell
Mrs J L Fleming
M S Heard
C P Morley
S P Nunn
R H Siddall

THIS PAGE IS INTENTIONALLY BLANK

AGENDA

OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)

THURSDAY 14 NOVEMBER 2019

1. **Chairman's notices (please see overleaf)**

2. **Apologies for Absence**

3. **Minutes of the last meeting** (Pages 5 - 12)

To confirm the Minutes of the meeting of the Committee held on 13 March 2019 (copy enclosed).

4. **Disclosure of Interest**

To disclose the existence and nature of any Disclosable Pecuniary Interests, other Pecuniary Interests or Non-Pecuniary Interests relating to items of business on the agenda having regard to paragraphs 6-8 inclusive of the Code of Conduct for Members.

(Members are reminded that they are also required to disclose any such interests as soon as they become aware should the need arise throughout the meeting).

5. **Public Participation**

To receive the views of members of the public on items of business to be considered by the Committee (please see below):

1. A period of ten minutes will be set aside.
2. An individual may speak for no more than two minutes on a specific agenda item, the time slots to be allocated on a "first come first served" basis.
3. Participation may take the form of a statement, or alternatively a question to be addressed to the Chairman. There will be no discussion on questions put unless it is formally moved. In line with the current scheme applied to other Committees, the questions must:
 - not be defamatory, frivolous, vexatious or offensive;
 - not be the same or substantially the same as another question to the same meeting or anything so put in the last six months;
 - not involve the disclosure of confidential or exempt information.
4. Anyone wishing to speak must notify the Committee Clerk between 7.00pm and 7.20pm prior to the start of the meeting.

6. **Essex Community Rehabilitation Company**

To receive a presentation from Ms Kirsty Gibbons, Manager Service Delivery, Essex Community Rehabilitation Company.

7. **Maldon District Council Community Safety Partnership Update** (Pages 13 - 38)

To consider the report of the Director of Service Delivery (copy enclosed).

8. **Essex Police Report**

To receive a verbal report from Sergeant Barry Booth.

9. **Any other items of business that the Chairman of the Committee decides are urgent**

NOTICES

Sound Recording of Meeting

Please note that the Council will be recording any part of this meeting held in open session for subsequent publication on the Council's website. At the start of the meeting an announcement will be made about the sound recording. Members of the public attending the meeting with a view to speaking are deemed to be giving permission to be included in the recording.

Fire

In event of a fire, a siren will sound. Please use the fire exits marked with the green running man. The fire assembly point is outside the main entrance to the Council Offices. Please gather there and await further instruction.

Health and Safety

Please be advised of the different levels of flooring within the Council Chamber. There are steps behind the main horseshoe as well as to the side of the room.

Closed-Circuit Television (CCTV)

This meeting is being monitored and recorded by CCTV.

**MINUTES of
OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND
DISORDER COMMITTEE)
13 MARCH 2019**

PRESENT

| | |
|---------------|---|
| Chairman | Councillor M W Helm |
| Vice-Chairman | Councillor R P F Dewick |
| Councillors | I E Dobson, P G L Elliott, N R Pudney, S J Savage and Miss S White |
| In attendance | Councillor H M Bass |

958. CHAIRMAN'S NOTICES

The Chairman drew attention to the list of notices published on the back of the agenda.

959. APOLOGIES FOR ABSENCE

An apology for absence was received from Councillor M S Heard.

960. MINUTES OF THE LAST MEETING

RESOLVED that the Minutes of the meeting of the Committee held on 29 November 2018 be approved and confirmed.

961. DISCLOSURE OF INTEREST

There were none.

962. PUBLIC PARTICIPATION

There was none.

963. PRESENTATION FROM ESSEX FIRE AND RESCUE SERVICE

The Committee received a presentation from Station Manager (SM) James Taylor, Operational and Community Risk Manager for Essex County Fire and Rescue.

SM Taylor provided an outline of the work of the Fire and Rescue Service which included the following. He clarified that any reference to risk referred to all incidents that the fire service attended:

- Fire and Rescue Plan – This was a key document, the first of its kind produced by a Police, Fire and Crime Commissioner (PFCC) and set out the PFCC's vision and priorities for the delivery of fire and rescue services in Essex. A consultation with partners, Local Authorities had taken place to develop themes and identify priorities along with a public survey.

The Plan would set the foundation in developing operational plans and activities for the next five years.

- The Priorities – Eight priorities had been identified and SM Taylor took the Committee through these, providing additional information and outlining where further developments were ongoing.
- Integrated Risk Management Plan (IRMP) – This was a statutory document which all Fire and Rescue Services had to produce to demonstrate how risk within the community was responded to. It also set out the management strategy for the Fire Service and its response to legislative responsibilities. Members noted that the Fire and Rescue Plan was used as the framework for the IRMP.

SM Taylor outlined the IRMP requirements under the National Framework. He advised that they were currently in the research and analysis phase of implementation and following consultation it was hoped that the Plan would be in place from 2020 for a period of three years.

- Statistical information – The presentation highlighted how the Fire Service had responded to incidents during 2017 / 18 and how these figures had changed when compared with 2009 / 10.

SM Taylor reported on the considerable work that had been undertaken and continued, specifically in this region, to increase the amount of on-call fire fighters.

Members were advised that the delivery of Community Safety Activities would be changing with 30% of the previously centralised team being placed into fire stations throughout the County to provide a more effective delivery of community safety. These changes would also allow Station Managers, through attendance of groups and other meetings, to gain broader understanding and knowledge to become greater involved in community safety.

- Safe, Well and Secure – This was an inclusive and holistic approach to community safety and engagement where a number of different organisations would come together to deliver a range of local community and business engagement opportunities. The concept was by working together specific areas could be targeted jointly in a collaborative approach. SM Taylor explained how the model could be adapted to where it was being delivered which had several benefits including being an efficient and effective way of working and was working to make communities stronger and safer.

Members were informed of an event due to be held in Maldon, Burnham-on-Crouch and Tillingham at the beginning of June.

SM Taylor highlighted a recent event that had taken place outside of the Maldon District involving up to 40 different partners and gave some examples of specific issues identified and addressed by partners. The presentation highlighted some of the feedback received from External Partners in response to this initiative.

In response to the presentation Members raised a number of questions and SM Taylor provided the following additional information:

- Where a matter had been identified through the Safe, Well and Secure initiative this would be referred to the relevant service e.g. the Fire Service who would pick up any safety issues, or the Police any vulnerability or safeguarding issues etc.
- False calls were a huge issue for the Fire Service and SM Taylor outlined some of the measures in place to limit how these were responded to. It was noted that around 30% of calls received were false and false alarm calls included things such as people panicking or incorrect placement of a smoke alarm. Members were advised that if such calls were malicious they would be referred to the Police who would seek to investigate and prosecute appropriately.
- The Fire Service had made a commitment that no fire stations would be closed. However, crewing models were changing, and this was in response to risk and creating effective and efficient ways of working.
- There would be funding challenges over the forthcoming years with the government central revenue grant would be reducing over the next four years.
- A collaborative board had been established for the Police and Fire Services and part of their discussions would involve looking at shared fleets, resources, building, IT etc. As opportunities arise the Service would be looking to move forward.

The Chairman thank SM Taylor for attending the meeting that his very informative presentation.

In response to a question regarding the Fire Service reporting regularly to this Committee, the Director of Service Delivery advised that the intention was to bring in other partners (on a cyclical basis) to report to the Committee. However the Committee could request the Fire Service to attend a meeting at any point.

964. MALDON DISTRICT COMMUNITY PARTNERSHIP UPDATE

The Chairman introduced Mr Spencer Clarke, Community Safety Partnership Manager and Inspector Steve Scott-Haynes of Essex Police. It was noted that Inspector Scott-Haynes was in charge of the Community Policing Team.

The Committee received the report of the Director of Service Delivery detailing progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the last meeting held on 29 November 2018. The report also highlighted the strategic priorities which were being proposed by the partnership for 2019 / 20.

Mr Clarke reported that the Essex Community Rehabilitation Company would be attending the October meeting of this Committee.

The report provided a detailed update on the following matters:

- Statutory Duties – New strategic priorities were detailed following completion of the strategic assessment along with how the strategies had been determined. The priorities would be confirmed to Essex Police and the office of the Police, Fire and Crime Commissioner (PFCC) and reflected priorities already identified in the current Police and Crime Plan and Essex Police Crime Prevention strategy. It was noted that reducing reoffending remained a statutory function for all community safety partnerships and was embedded in the priorities.

The most recent Essex Police performance summary (to 31 January 2019) for Maldon and the Essex comparison were attached as Appendices 1 and 2 to the report.

- Police, Fire and Crime Commissioner Update – The report set out the core funding for 2108 / 19 which had been confirmed by the Officer of the PFCC. It was noted that the policing precept for Council Tax had been increased for 2019 / 20 and this would see a further increase in key policing staff across several areas. A copy of a recent presentation by the PFCC was attached at Appendix 3 to the report and highlighted where these additional staff would be deployed.

Following a successful bid to the Home Office Early Intervention Youth Fund £664,00 had been allocated to Essex over the next 18 months to address youth violence. This would see a central Violence and Vulnerability unit being set up in the new community safety partnership at Chelmsford City Council in March 2019.

- Community Safety Partnership Hub – The report provided background information regarding the Hub, its meetings and the Council's representatives. It was noted that the Community Policing Team were moving to offices at Chelmsford City Council in March 2019. Within the Hub there would be hot desking opportunities and partners such as the Fire Service, Probation and Youth Service were signing up to this, which would ensue better partnership working and improved performance with Maldon officers 'hot desking' within the new hub, when appropriate.

Further details regarding the work of the Hub were set out in the report, including Operation Enlightenment, continued work with the Gypsy, Traveller and Rural Engagement Team and supporting anti-bullying in schools.

- Progress on Action Plans – The report set out the education and interventions delivered by the Partnership for the current year, including Crucial Crew, Get Ready for Summer and the Gangs and County Lines professional drama sessions. Several future initiatives were outlined including the commissioning of St Giles Trust to undertake training in schools to highlight the risk of young people becoming criminally or sexually exploited by gangs or organised crime groups.

The Community Safety Partnership Manager presented the report and provided Members with update on a number of areas relating to the Partnership set out in the report. In addition to the report the following information was provided:

- It was noted that the strategic priorities had been now approved by the Responsible Authorities Group.

- Members were informed that since the report was written it had been confirmed that the Community Safety Partnership would be receiving the same fund as for 2018 / 19.
- In addition to the £664.00 from the Home Office Early Intervention Youth Fund, Essex County Council had recently agreed to add £500,000 to this.
- Fire Break – This was a five-day programme delivered by operational firefighters, tailored around the needs of participants and addressed a number of areas including confidence building, self-esteem and team building skills. A recent programme (funded by Essex County and Fire and Rescue) had been run in the Dengie involving ten young persons who having successfully completed the course would receive the equivalent of a D grade GCSE (General Certificate in Secondary Education).

In response to questions, the Community Safety Partnership Manager agreed to circulate to Members the evaluation on Fire Break.

- TRUCAM – This project was initially funded by the office of the PFCC and delivered by Maldon District Council Community Protection Officers who had been accredited by the Police to use the equipment. The project sought to enhance public safety by increasing the number of speed camera sites across the District. The Community Safety Partnership Manager reported that between 1 April 2018 and the present date the project had seen over 1,800 vehicle captures (persons speeding) in the Maldon District.

In response to questions, Members were advised that Officers would seek a further breakdown of these figures and how many resulted in enforcement action / warnings.

During the Community Safety Partnership Manager's presentation Inspector Scott-Haynes highlighted some of the crime statistics provided in the Appendices to the report and in particular the following:

- The Police had seen a 24 / 25% increase in crime across the county. A lot of this increase was due to better crime recording standards across the county.
- Drug offences had increased by 45% this was due to the proactive policing of persons using drugs in the area and the Police tackling offences. Inspector Scott-Haynes advised that it was likely that this would continue to grow in the area.
- Automatic Number Plate Recognition (ANPR) Cameras – Members were advised that between 1 January and 12 March 2019 there had been 1.2million reads on ANPR cameras in the District of which 47,501 (3.95%) had shown an interest to Police. An interest to Police could be due to the vehicle having no tax, no MOT, no current keeper or being involved in crime. Inspector Scott-Haynes informed Members that he had requested a further breakdown of these figures.

Members were informed that if a vehicle was highlighted as an interest to the Police and had a crime matter attached to it this was always followed up by the Police. A vehicle would keep a marker until the Police had spoken to them or the vehicle changed hands.

- Staffing – Chief Inspector Parker had been working to increase police staffing since his appointment to the District and this had led to the addition of six Local Police Team officers to Maldon, four special constables and four officers to a high harm team specifically tasked with looking at criminal and child sexual exploitation across the Chelmsford and Maldon areas. Inspector Scott-Haynes reported that the Police were working with the PFCC to increase officers in a number of areas including town centre policing, local policing, roads policing, working with children, crime and public protection and the gypsy and traveller and rural engagement team and the Inspector provided Members with an outline of the suggested figures in relation to these areas.
- Stop Checks – 185 stop checks had been conducted and of these 85 had resulted in stop searches. There had also been eight arrests for drug offences and three cars seized.

Stop and Search had significantly improved in the District through the work of Chief Inspector Parker and all officers were aware of the powers they had in relation to this.

- Solved Rates - In response to a question regarding the crime recording, Inspector Scott-Haynes advised that crime had changed significantly over the past few years. For example, crimes such as online crime were now being taken into account and due to changes in reporting an incident which may have been recorded as one incident previously may now need to be recorded as two. It was noted that the solved outcome and solved percentage rates were areas where successes could be shown, and a crime was not reported as a solved crime until the Police could prove it with unreasonable doubt in a courtroom.

Proactive Policing was the key and the Police were working on specific areas such as gangs to make progress and bring people to justice.

- Drugs – The problems regarding identifying drugs were discussed and Inspector Scott-Haynes made reference to Operation Raptor a countywide drugs operation and how the increase in the Community Policing Team had allowed increased targeting of drug dealers.
- Police accessibility – There was a brief discussion regarding the loss of village police offices and Members were advised that the Government had changed the policing model and it was now necessary to identify innovative ways to engage with residents.
- Knife crime – Members were made aware of Operation Sceptre which specifically looked at knife crime. Inspector Scott-Haynes also referred to the recently installed knife bin outside the Council offices where knives could safely be disposed of.

In response to a question regarding the statistics shown in Appendix 2 to the report regarding the possession of weapons offences and Maldon being shown as the highest, Inspector Scott-Haynes advised that he would check but thought it may relate to proactive policing.

- Parish Councils – In response to a question regarding engagement with Parish Councils, Inspector Scott-Haynes reported that this was something he was looking to develop and move forward with.

In response to a Member advising of an initiative to set up a volunteers in policing group in Burnham-on-Crouch, Inspector Scott-Haynes confirmed that the Police would support this.

Members noted the continued work carried out by the CSP and the liaison it had between Essex Police and other partners.

The Chairman thanked Mr Clarke and Inspector Scott-Haynes for attending the meeting and the informative information they had provided.

RESOLVED that current progress and the success of initiatives undertaken by the Community Safety Partnership to date, be noted.

Prior to closing the meeting, the Chairman referred to this being the last meeting of Overview and Scrutiny Committee (meeting as the Crime and Disorder Committee) before the elections in May. He then thanked all Members, Officers and the Committee Clerks for their contributions during the year.

There being no further items of business the Chairman closed the meeting at 9.02 pm.

M W HELM
CHAIRMAN

REPORT of DIRECTOR OF SERVICE DELIVERY

to

OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)

14 NOVEMBER 2019

MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE

1. PURPOSE OF THE REPORT

- 1.1 Members are asked to note the progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the last meeting held on 13 March 2019 and be aware of the current strategic priorities for 2019 / 20.

2. RECOMMENDATIONS

That Members review and comment on the new current progress and the success of the initiatives undertaken by the partnership to date.

3. SUMMARY OF KEY ISSUES

3.1 Statutory Duties

- 3.1.1 Work on the strategic assessment for the period 2018/19 (1 October 2018 – 30 September 2019) has been commenced and it is planned to have a product completed by early January 2020. Officers are being supported by an analyst from Essex Police for this strategic assessment and partners will be involved in the process to determine the new priorities by using a crime risk matrix, crime severity scores and public perception. The current priorities, listed below, reflect priorities already identified in the current Police and Crime Plan, the Essex Police Crime Prevention Strategy and the current Essex Police Strategic Assessment (control strategy). It should be noted that reducing reoffending remains a statutory function for all community safety partnerships and is embedded in the priorities listed below.

- Tackling violent crime (with an emphasis on gangs, organised crime, drug trafficking and domestic abuse)
- Driving down antisocial behaviour in public places (with an emphasis on youth nuisance and improved partnership visibility)
- Identifying and supporting vulnerable people (with an emphasis on emotional health and wellbeing, mental health and a proactive approach to those at risk of exploitation, domestic abuse and sexual offences)
- Ensuring the implementation and delivery of the Essex Police rural crime strategy
- Promoting road safety and challenging irresponsible driving (with an emphasis on speeding and street racing)

Agenda Item no. **7**

- 3.1.2 These priorities will contribute to the Council's Corporate Goal of "Helping communities to be safe, active and healthy" and are highlighted as activities in the corporate plan for 2019/23. Each activity has a clear timescale and milestone to enable performance monitoring of each project associated to the activity. Activities are reported quarterly on the performance management system and monthly through the community safety partnership hub tasking meetings.
- 3.1.3 The current Essex Police performance figures for the rolling year to 30 September 2019 (compared to the same period last year) showed an increase in all crime by **29.9%** (852 more offences) and a decrease in anti-social behaviour by **8.6%** (80 less incidents). It should be noted that there has been an increase in all crime in Essex by 16.8%. A summary of the crime profile for Maldon will be presented at the meeting by Sgt Barry Booth from the Chelmsford and Maldon Community Policing Team. A copy of the Essex Police force performance summary for Maldon and the Essex comparison are attached as **APPENDICES 1** and **2**. Some more local context of the issues surrounding these crime increases will be given at the meeting. The chart below highlights All Crime Offences per 1000 population (July 2019):

| District | ALL CRIME | |
|-----------------|-----------|---------------|
| | Offences | Per 1000 Pop. |
| Basildon | 19124 | 103.7 |
| Braintree | 10416 | 68.7 |
| Brentwood | 6233 | 81.4 |
| Castle Point | 6385 | 71.1 |
| Chelmsford | 16031 | 91.0 |
| Colchester | 18806 | 98.9 |
| Epping Forest | 11190 | 85.7 |
| Harlow | 10155 | 117.8 |
| Maldon | 3727 | 58.3 |
| Rochford | 4663 | 54.1 |
| Southend-on-Sea | 21191 | 116.6 |
| Stansted | 1246 | |
| Tendring | 14662 | 101.3 |
| Thurrock | 18372 | 107.8 |
| Uttlesford | 4757 | 54.3 |

- 3.1.4 Works continue around the Prevent agenda to support the current local action plan and statutory responsibilities. A SET (Southend, Essex and Thurrock) policy, guidance and an Essex Prevent Action Plan have been completed and are monitored on a quarterly basis at the Prevent Multi-Agency Group with the last meeting being held on 4 November 2019. New Channel guidance will be launched in April 2020 which will embed Channel within local governance arrangements, such as CSPs or local safeguarding structures, placing a requirement for the Home Office to be notified of named designated Channel chairs and deputies, plus introducing core

competencies for both roles. The Community Safety Manager attended the Eastern Region Counter Terrorism Local Profile meeting on 10 September 2019 where the quarter one data was disseminated. Officers continue to engage with communities through the recently refreshed Independent Advisory Group which meets every quarter with the last meeting being held on 21 October 2019. This acts as a good forum to discuss community tensions, hate crime and policing interventions such as stop and search, and gives a voice to underrepresented communities.

3.2 Police, Fire and Crime Commissioner Update

- 3.2.1 The Office of the Police, Fire and Crime Commissioner (OPFCC) confirmed that core funding for 2019 / 20 will be **£12,527** with the sum of **£1,708** being top sliced for the centralised DHR process (**£14,235** in total). Officers to continue to work in partnership with the OPFCC on several current initiatives such as violence and vulnerability, integrated offender management, community safety hubs and rural crime. The partnership continues to support the priorities identified in the Police and Crime Plan 2016-2020 and is involved in several multi-agency groups that support this work locally and across Essex. The OPFCC are currently running a consultation to seek views for Police and Crime Plan for 2020 and beyond using the #MakeADifference campaign. The results of this consultation will help inform the office of the views of Essex residents in relation to safety concerns and priorities.
- 3.2.2 The Police, Fire & Crime Panel approved a further increase in the council tax precept for 2019 / 20 which has seen a further increase in key policing staff across several areas. The most notable change for policing district has seen a new town centre unit set up in July 2019 which includes one sergeant and eight police constables. These officers are based in the community safety hub and focus on the city centre and South Woodham Ferrers and Maldon town centres. The Rural Engagement Team (RET) has also doubled in size which supports the priority of tackling rural crime. As previously reported, the OPFCC made a bid on behalf of Essex to the Home Office early intervention youth fund which was successful and £664,000 has been allocated to Essex to address youth violence. Essex County Council has also contributed £500,000 to this budget for 2019 / 20 and a further £1,160,000 was awarded in September 2019 following a successful bid for the Violence Reduction Unit. This has seen a central Violence and Vulnerability unit set up in the new community safety partnership hub with a budget of approximately £2.2 million for Essex. The Community Safety Manager attends the Violence and Vulnerability Operations Board which reports into a Strategic Board. It should be noted that in addition to funding above, Essex Police has been awarded £1.76 million surge funding to tackle serious violence. Funding proposals for this agenda are almost finalised with several interventions already in place. A verbal update will be given to Board Members at this meeting.

3.3 Community Safety Partnership Hub

- 3.3.1 The community safety partnership hub for Maldon and Chelmsford meets on the first Tuesday of each month and has a tasking process which links to the current priorities of the community safety partnership. This group now has a much wider partnership focus with new members attending from social care, youth offending, probation services and the children's health and wellbeing service. Maldon representative at these meetings is from community safety and protection officers, and the chair of

Maldon Neighbourhood Watch (NHW). Sub groups of the partnership continue to meet on a regular basis and work streams for each individual group are effectively impacting on various areas of community safety. The community policing team moved to offices at Chelmsford City Council in March 2019 which has ensured better partnership working and improved performance with Maldon officers “hot desking” within the new hub when appropriate. The partnership has had a clear focus on organised crime and the impact which it has on the district. Operation Overwatch has been deployed on five occasions since July 2018 with some impressive results from the weeks of action listed below using intelligence led enforcement and effective use of stop and search powers.

| Week | Arrests | Automatic Number Plate Recognition (ANPR) activations | Intelligence reports | Stop searches |
|-------------|----------------|--|---------------------------------|--------------------------|
| 1 | 17 | 56 | 12 | 53 |
| 2 | 17 | 36 | 32 | 48 |
| 3 | 17 | 26 | 80 | 88 |
| 4 | 21 | 18 | 14 | 34 |
| 5 | 32 | 24 | 24 | 67 |
| | 104 | 160 | 162 | 290 |

- 3.3.2 Regarding antisocial behaviour, current “hot spots” for the district include Promenade Park and the town centre. Effective partnership action has been taken to address youth nuisance and low-level antisocial behaviour in Burnham-on-Crouch, Tollesbury and Southminster. Operation Enlightenment commenced in March 2019 which has seen a police officer and Police Community Support Officer (PCSO) allocated to all secondary education establishments serving in Maldon District including the alternative provision unit in Heybridge. This will provide a valuable resource for early intervention within the school environment and help tackle poor behaviour and vulnerability. Officers continue to support the work of the Rural Engagement Team (RET) to address rural crime and supported a week of action in October 2019. Officers attend the MACE 1 and MACE 2 (Missing and Child Exploitation) meetings to ensure that the needs of vulnerable children for the district are addressed and that processes are in place to tackle the criminal and sexual exploitation of young people. These have recently been improved by adopting the police 4P’s process of safeguarding vulnerability so that the outcomes of these meetings can be more effectively measured, and a further review was completed in June 2019 which will see this process more effective in the coming year. Officers also attend Mid-Essex Stay Safe, Mid-Essex Children’s Partnership Board (MECPB), Maldon Youth Strategy Group and the County Safeguarding Leads meeting.
- 3.3.2 Officers continue to work with a variety of practitioners to provide education and intervention opportunities. Crucial Crew is currently being reviewed and focus groups will be held with primary school staff to ensure that this still meets the needs of the Personal, Social, Health and Economic (PHSE) curriculum and current risks (i.e. gangs, knife crime, exploitation, health relationships). Colchester United Football Club (CUFC) who are currently funded by the Home Office have been introduced into several Maldon schools and youth clubs doing education sets on knife crime, gangs and values, and using sport as a diversionary activity. Officers continue to

facilitate a group which has been set up to support schools in tackling anti-social behaviour and vulnerability with pupils displaying risky behaviours. This is working well and data sharing, and intelligence is much more effective. This acts as a valuable early intervention tool and hopefully will correct bad behaviour before escalation. Officers are also attending groups with registered social landlords and mental health practitioners to tackle anti-social behaviour. We continue to host the Maldon and Burnham action groups and facilitate the Maldon NHW meetings every quarter and cascade crime information.

3.4 **Progress on Action Plans**

3.4.1 The partnership has the following projects delivered or planned for this current year.

- Crucial Crew for Year 6 students (Spring/Summer Term 2020);
- Older Persons Crucial Crew being developed with the University of the Third Age;
- Violence & Vulnerability Training (November 2019 – March 2020);
- Gangs and County Lines training delivered to professional on 28 June 2019 by St Giles Trust;
- Community Payback delivered throughout the district in cemeteries and green spaces;
- Young Driver Safety Event planned for Spring 2020 with EFRS (Essex Fire & Rescue Service) and SERP (Safer Essex Roads Partnership);
- TRU Cam delivered throughout Maldon District with 1535 captures from 1 April – 24 October 2019;
- Public engagement events to support Rural Crime (w/c 7 October), Coffee with Cops (19 September), Hate Crime (18 October) and Adult Safeguarding (22 November);
- Silver Sunday Event at the Forget Me Not Tea Rooms on 6 October 2019;
- 3PR School Safety Initiative adopted by primary schools;
- Working with SERP to address speeding concerns adjacent a school;
- Tollesbury Youth Club (launched March 2019);
- J9 Domestic Abuse Training for Community Partners (staff and partnership staff, to be delivered on 26 November 2019);
- Just Play Football Initiative (Maldon and now extended to Southminster);
- Collaborative Enquiry by Mid Essex Children's Partnership Board at a secondary and primary school in Maldon District;
- Design Council Public Sector Programme (focus on public health);
- EFRS targeted multi-agency engagement and awareness project delivered on the Dengie w/c 10 June 2019;
- ACT (Action Counters Terrorism) Training by Essex Police.

4. CONCLUSION

- 4.1 That Members note the proposed new priorities for 2019/20 and progress on the action plan. The shared working arrangements between Maldon and Chelmsford continue to support local priorities, high level policing priorities and the priorities of the current PFCC plan and has strengthened with the co-location of the community policing team in March 2019 and additional policing resources in town centres and rural areas. Maldon CSP remains efficient and responsive to emerging issues and more importantly positions itself strongly for future funding arrangements with the Essex Police, Fire and Crime Commissioner, statutory partners and local/national initiatives.

5. IMPACT ON STRATEGIC THEMES

- 5.1 These priorities contribute to the Council's Performance and Efficiency Theme and Planning for the Future Theme, specifically contributing to, "Helping communities to be safe, active and healthy" and are highlighted as activities in the corporate plan.

6. IMPLICATIONS

- (i) **Impact on Customers** – Helping communities to be safe, active and healthy.
- (ii) **Impact on Equalities** – None.
- (iii) **Impact on Risk** – None.
- (iv) **Impact on Resources (financial)** – Members should note that sustainable funding of posts to cover statutory duties will remain a challenge but remain manageable whilst we receive an annual OPFCC grant.
- (v) **Impact on Resources (human)** – As above.
- (vi) **Impact on the Environment** – None.

Essex Police: Performance Summary To September 2019

1. Introduction

This performance summary is designed to provide an understanding of how individual districts are performing within each crime type. The report includes tables of data relating to rolling 12 month figures for each district.

12 month rolling data relates to data in a 12 month period ending at the last day of latest month of data. For example, 1st May 2016 – 30th April 2017. This rolling period moves on for every new data month.
