DIRECTOR OF STRATEGY,  
PERFORMANCE AND  
GOVERNANCE'S OFFICE  
DIRECTOR OF STRATEGY, PERFORMANCE  
AND GOVERNANCE  
Paul Dodson

11 March 2020

Dear Councillor

You are summoned to attend the meeting of the;

**OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND  
DISORDER COMMITTEE)**

on **THURSDAY 19 MARCH 2020 at 7.30 pm.**

in the Council Chamber, Maldon District Council Offices, Princes Road, Maldon.

A copy of the agenda is attached.

Yours faithfully

Director of Strategy, Performance and Governance

**COMMITTEE MEMBERSHIP**

**CHAIRMAN**

Councillor M W Helm

**VICE-CHAIRMAN**

Councillor R P F Dewick

**COUNCILLORS**

V J Bell  
Mrs J L Fleming  
M S Heard  
C P Morley  
S P Nunn  
R H Siddall

THIS PAGE IS INTENTIONALLY BLANK

## **AGENDA**

### **OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)**

**THURSDAY 19 MARCH 2020**

---

1. **Chairman's notices (please see overleaf)**

2. **Apologies for Absence**

3. **Minutes of the last meeting** (Pages 5 - 12)

To confirm the Minutes of the meeting of the Committee held on 14 November 2019, (copy enclosed).

4. **Disclosure of Interest**

To disclose the existence and nature of any Disclosable Pecuniary Interests, other Pecuniary Interests or Non-Pecuniary Interests relating to items of business on the agenda having regard to paragraphs 6-8 inclusive of the Code of Conduct for Members.

(Members are reminded that they are also required to disclose any such interests as soon as they become aware should the need arise throughout the meeting).

5. **Public Participation**

To receive the views of members of the public on items of business to be considered by the Committee (please see below):

1. A period of ten minutes will be set aside.
2. An individual may speak for no more than two minutes on a specific agenda item, the time slots to be allocated on a "first come first served" basis.
3. Participation may take the form of a statement, or alternatively a question to be addressed to the Chairman. There will be no discussion on questions put unless it is formally moved. In line with the current scheme applied to other Committees, the questions must:
  - not be defamatory, frivolous, vexatious or offensive;
  - not be the same or substantially the same as another question to the same meeting or anything so put in the last six months;
  - not involve the disclosure of confidential or exempt information.
4. Anyone wishing to speak must notify the Committee Clerk between 7.00pm and 7.20pm prior to the start of the meeting.

6. **NHS Mid Essex Clinical Commissioning Group (CCG)**

To receive a presentation from James Wilson, CCG Chief Strategy and Transformation Officer.

7. **Police Performance Update**

To receive a verbal update on Police performance from Chief Inspector Steve Scott-Haynes.

8. **Maldon District Community Safety Partnership Update** (Pages 13 - 38)

To consider the report of the Director of Service Delivery, (copy enclosed)

9. **Any other items of business that the Chairman of the Committee decides are urgent**

**NOTICES**

**Sound Recording of Meeting**

Please note that the Council will be recording any part of this meeting held in open session for subsequent publication on the Council's website. Members of the public attending the meeting with a view to speaking are deemed to be giving permission to be included in the recording.

**Fire**

In event of a fire, a siren will sound. Please use the fire exits marked with the green running man. The fire assembly point is outside the main entrance to the Council Offices. Please gather there and await further instruction.

**Health and Safety**

Please be advised of the different levels of flooring within the Council Chamber. There are steps behind the main horseshoe as well as to the side of the room.

**Closed-Circuit Television (CCTV)**

This meeting is being monitored and recorded by CCTV.

**MINUTES of  
OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND  
DISORDER COMMITTEE)  
14 NOVEMBER 2019**

---

**PRESENT**

Chairman	Councillor M W Helm
Vice-Chairman	Councillor R P F Dewick
Councillors	V J Bell, Mrs J L Fleming, M S Heard, C P Morley, S P Nunn and R H Siddall
In Attendance	Councillor W Stamp

**1. CHAIRMAN'S NOTICES**

The Chairman drew attention to the list of notices published on the back of the agenda.

**2. APOLOGIES FOR ABSENCE**

There were none.

**3. MINUTES OF THE LAST MEETING**

**RESOLVED**

- (i) that the Minutes of the meeting of the Committee held on 13 March 2019 be received.

**Minute No. 964 – Maldon District Community Partnership Update**

Councillor M S Heard requested that it be clarified whether the 185 Stop Checks conducted related to the Maldon or Chelmsford area.

Councillor M S Heard requested that the minute be amended to include the additional word (highlighted in red) as follows:

*“Police accessibility – There was a brief discussion regarding the loss of village police offices and Members were advised that the Government had changes the policing model and it was now necessary to identify innovative ways **to** engage with residents...”*

**RESOLVED**

- (ii) that subject to the above amendment the Minutes of the meeting of the Committee held on 13 March 2019 be confirmed.

#### **4. DISCLOSURE OF INTEREST**

Councillor M S Heard declared that he no longer had a non-pecuniary interest in all agenda items as he had retired from the police service.

#### **5. PUBLIC PARTICIPATION**

In accordance with the Council's Public Question Time and Participation at Council and Committee Meetings Scheme, Councillor Chrisy Morris addressed the Committee as a member of the public.

Mr Morris raised concerns and requested that Inspector Barry Booth note his comments for further investigation.

#### **6. ESSEX COMMUNITY REHABILITATION COMPANY**

The Committee received a presentation from Ms Kirsty Gibbons, Manager of Service Delivery for Essex Community Rehabilitation Company (ECRC), which informed the Committee of the work conducted on the rehabilitation of service users through community payback following Community Court Referrals.

As part of the presentation, and in response to questions from Members, the following information was provided:

- The ECRC manage low to medium risk cases. High risk cases were managed through the Probation Service;
- At time of writing the report:
  - There were 47 service users in Maldon, 6 in Southminster, 3 in Heybridge and 6 in Burnham-on-Crouch;
  - 13.04% female, 86.96% male;
  - The majority of service users were between 20-29 years of age;
- A large proportion of service users undertake unpaid work, with the inclusion of a punitive element alongside rehabilitation;
- As part of Rehabilitation Activities Requirements (RAR) probation officers work alongside other agencies to address other requirements service users may have as part of their rehabilitation, i.e. addressing drug use. This would ensure that service users were getting full value from rehabilitation;
- Unpaid work supports many areas of the community. A large number of non-profit organisations have been supported, some local authority work undertaken including local churches and schools. This unpaid work provided a visible demonstration of justice within the community. Within Maldon, service users have undertaken unpaid work at the *Museum of Power* and *Heybridge Cemetery*;
- A Community Court Referral can sentence Community Payback for up to 300 hours. This was expected to be a minimum of seven hours per week, where the

service user was employed, up to twenty-eight hours per week where the service user was unemployed;

- Service user surveys show that 99.8% of offenders were less likely to re-offend having completed Community Payback;
- As part of the service, Community Integration Officers work closely with the Jobcentre Plus (JCP), and refer and support the acquisition of various qualifications, such as the Construction Skills Certification Scheme (CSCS), by service users;
- Once employment is achieved a review gets carried out, however, following the end of the court order, no further information on service users was received.

Ms Gibbons advised the Committee that the team would welcome suggestions and projects as they are always looking for ways to best support communities through payback. Members were also advised that, if they were inclined to do so, site visits would be welcome.

The Chairman, on behalf of the Committee, thanked Ms Gibbons for an interesting and informative presentation.

## **7. MALDON DISTRICT COUNCIL COMMUNITY SAFETY PARTNERSHIP UPDATE**

The Committee received the report of the Head of Paid Service, presented by Mr Spencer Clarke, the Community Safety Manager at Maldon District Council. The report provided Members with an update on the progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the previous meeting of this committee (13 March 2019) and to inform on the strategic priorities for 2019/20.

The report provided a detailed update on the following matters:

- Statutory Duties – the CSP was required to produce the Strategic Assessment of Crime, a draft was currently being reviewed with publication expected for December 2019-January 2020. It was noted that as part of the Crime Risk Matrix, which looks at over 30 different types of crime within Maldon district the majority of cases, as a result of public perception, related to road use, i.e. speeding, dangerous and irresponsible driving.
- Priorities for the partnership were reported as tackling violent crime; driving down anti-social behaviour; identifying and supporting vulnerable people; rural crime and promoting road safety and challenging irresponsible driving.

Members' attention was drawn to the Essex Police force crime performance data for Maldon and the Essex comparison which was attached at appendix 1 and 2 of the report. It was noted that the number of offences per 1,000 population was one of the lowest out of the Essex districts.

- Eastern Region Counter Terrorism Local Profile – Main issue for Essex was a trend in the radicalisation of youths through social media and the internet. The CSP continue to work with Community Partners with representation from Jewish Community, Black African Communities and universities to monitor all

types of hate crime.

- Police, Fire and Crime Commissioner (PFCC) Update – The PFCC encouraged concerns to be forwarded to determine concerns and priorities in the local area. It was noted that the increase in the Council Tax Precept for 2018/19 had funded the employment of an additional twelve officers for the region, of which six were deployed to Maldon. The next increase will be contributing towards the town centre, with the anticipated acquisition of four more officers, to focus specifically on rural crime.

Additional funding was received from the Home Office which totals £2.2 million and goes towards youth crime prevention and a Violence Reduction Unit.

- Community Safety Partnership Hub – Maldon staff are now co-located at the Chelmsford hub, as of 26 March 2019. The co-location had seen an improvement in tackling crime, safeguarding and effective policing.
- Operation Overwatch – Operation Overwatch has been deployed five times and identified hot spots within the region. Within Maldon, one of these was Promenade Park where effective policing had identified and neutralised various offences and low-level nuisances. The Parish Clerk Forum had provided good intelligence on where these issues had occurred around the area and received positive feedback on the work carried out.
- Work with the Crucial Crew is currently being reviewed and restructured as it was considered more effective that they approach primary schools in the Spring prior to students moving on to Year 7.
- Positive prevention work was being carried out with youths through Colchester United Football Club working in schools on issues like knife crime, gang crime, embedding positive values.
- Progress on Action Plans – a brief update was given on some of the projects which had been progressed throughout the year:
  - Neighbourhood Watch – effective communication tools included the use of social media and a newsletter to communities.
  - Community Payback – since April 2019, over 800 hours of community payback had been carried out across the district, this included work in cemeteries, churchyards, and green spaces.
  - TruCam – Maldon District Council was the first district within the country to introduce additional enforcement through TruCam.
  - Domestic Abuse Training – Members were informed that training would be carried out in the Council Chamber on 26 November 2019 which they were welcome to attend. This would be delivered by Safer Places.

At this point Councillor M S Heard asked that his disappointment at the non-attendance of the Police Fire and Crime Commissioner (PFCC) be recorded in the minutes. He then went through the crime figures in all areas noting the increases. He acknowledged that some good work was being done but crime was still rising albeit reported as falling. He said he had not seen evidence of local, visible and effective policing reversing the trend in serious violence. He requested that the PFCC attend a future meeting to explain the crime statistics. The Chairman reminded the Committee that the Committee can extend an invitation but cannot demand that the PFCC attend.

Councillor Nunn endorsed the earlier comments and said that the Highstreet in Maldon was the worst it had ever been for drug use, drunkenness and violence and said it was exacerbated by low visibility of police.

The Community Safety Manager advised that the PFCC held public meetings across the district, one in Maldon in January, Chelmsford two weeks ago with twenty five in attendance. He reminded Members that the Scrutiny at this meeting was through the work of statutory partners and the PFCC was not a member of Maldon Community Safety Partnership (CSP) the group that reported to Overview & Scrutiny (Crime & Disorder) Committee.

In response to a question on prevent referrals the Public protection Manager advised that there were currently no preventative referrals within Maldon, it was noted that this was usually 30 per annum with the majority of cases being within education. It was acknowledged that the main concern was grooming through internet and social media fora.

Inspector Barry Booth then addressed a question from Councillor Siddall regarding drugs and other problems in rural communities. He reported that one of the first things he put in place was a third team. There were six additional officers, split across three teams, who were dedicated to rural policing. Acknowledging Members concerns, he said he hoped to see more of a police presence in rural areas, the ideal would be to have a discrete rural team but resources were dependant on government funding. He said if the allocated Maldon Officers were not visible enough he would take that back and ensure that officers were making themselves known in the community.

Councillor W Stamp, with permission of the Chairman and in accordance with Procedure Rule 20, asked the Community Safety Manager where the money generated from the TruCam fines was allocated and was advised that the money went to the Police Team. Councillor Stamp went on to thank Essex Police for boosting the police presence within Burnham-on-Crouch and the increased engagement within the community. It was further noted that the initiatives introduced by the Chief Inspector, Gerry Parker had been very effective and gave the force the freedom to do what they need to do.

The issue of adequate police space at Maldon was raised and the Director of Service Delivery confirmed that the Council was awaiting confirmation as to whether Essex Police wanted to lease additional space (both internal and parking facilities) at the Princes Road offices. Inspector Barry Booth said he would discuss this with his facilities team and report back to the Director of Service Delivery.

The Director of Service Delivery reassured Members that all partners were making a contribution to tackling crime in different ways and that the Council, supporting the

police through the Community Protection Team and the use of TruCam, was really proactive and at the forefront of this work.

The Chairman then put the recommendation to the Committee and it was agreed.

**RESOLVED** that Members reviewed and commented on the new current progress and the success of the initiatives undertaken by the Maldon Community Safety Partnership (CSP) to date.

## 8. **ESSEX POLICE REPORT**

Inspector Booth presented his report to the Committee highlighting the following initiatives introduced in the last year:-

Project Enlightenment – re-invigorating officers into schools, this commenced end of December early January with the Plume, William De Ferrers, Ormiston Rivers Academy, Ramsden Hall and Heybridge. It was noted that it was not just middle and high schools that required intervention but also Primary Schools.

Engagement Strategy – the PCSOs have taken the lead on this and are responsible for supporting all local initiatives:- fairs; coffee mornings with police officers; support in schools; regattas. They co-ordinate all arrangements for the aforementioned events.

Tasking and Co-ordination - attending Safety Advisory Group meetings, Community meetings, MACE meetings etc. All feedback is taken away and acted upon as appropriate.

Operation Overwatch - work ongoing on sexploitation, drugs and gangs. Employing anti-social behaviour legislation such as Community Protection Notices ((CPNs) has been very effective, led by the Town Teams. There has been over seventy hours of police footwork, over forty searches, resulting in key arrests, community resolutions and dismantling organised crime groups.

CPT ( Community Policing Team) – the team take control of briefings, all community information is incorporated into briefings that drive the activity of the police, very successful strategy.

Gypsy Traveller Rural Engagement Team – working with them on organised crime groups, breaking up burglary rings that prey on the elderly posing as police.

Neighbourhood Watch – reinvigorating the neighbourhood watch. A success story in the Chelmsford area at the moment . Rolling out the active alert mobile telephone system which is now being used by three communities. The information provided through this system fills in the blanks for the police around local crime. This is working very well around drug dealing, suspicious persons, lifetime intelligence which has led to a number of significant arrests. Noted that should other communities wish to sign up to the active alert number they should contact Sergeant Matt Dalby.

Stop and Search - ninety plus stop searched since the beginning of January in Maldon alone. This is something we should be doing more of given the current climate.

In response to questions Inspector Booth responded as follows:-

- that Police attendance at Parish/Town Council meetings can be co-ordinated on email via an intelligence sharing document. This would generate an action on the central system and a Police Officer would be assigned to attend as required. In the case of Maldon Town Council, he signposted Members to the Town Sargeant Graham Thomas, to discuss the way forward. He added that as long as they had appropriate notice it should always be possible to send a police representative;
- that if necessary a separate active mobile alert phone could be set up for the farming community;
- that managing rural crime was a challenge given that the overall number of rural officers was only eight, there was a lot of area to cover and rural crime was on the increase. Police needed to know what the policing requirements were in these areas in order to prioritise resources;
- that noting the report of targeted burglaries of safes in the area he would liaise with the organised crime team and report back. He said that these types of crimes were not normally restricted to a given area;
- that following a report around youth anti-social behaviour and bullying in the Dengie he would step up engagement in Schools to drive down this type of crime;
- that he would continue to police robustly and make every effort to generate more resources to increase the number of police on the street. In the meantime, he reiterated that local information in line with what had been reported at the meeting was what the police needed in order to better allocate resources.

In response to a query regarding police station signage from Councillor Dewick the Director of Service Delivery said he would liaise with the Local Highways Panel and report back. Councillor W Stamp, referring to a recent meeting with the Assistant Crime Commissioner, Jane Gardiner, where it was agreed to look into pool cars being made available at Maldon as opposed to Chelmsford alone, be followed up. The Chairman said that he was meeting imminently with the PFCC and would take the matter up with him.

The Chairman then thanked Inspector Barry Booth for his excellent presentation. There being no further items of business the chairman closed the meeting at 21:18pm

## **REPORT of DIRECTOR OF SERVICE DELIVERY**

---

to

### **OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER COMMITTEE)**

**19 MARCH 2020**

## **MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE**

### **1. PURPOSE OF THE REPORT**

- 1.1 Members are asked to note the progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the last meeting held on 14 November 2019 and be aware of the proposed strategic priorities for 2020 / 21.

### **2. RECOMMENDATIONS**

That Members review and comment on the current progress and the success of the initiatives undertaken by the partnership to date and note the strategic priorities for 2020 / 21.

### **3. SUMMARY OF KEY ISSUES**

#### **3.1 Statutory Duties**

- 3.1.1 Work on the strategic assessment for the period 2018 / 19 (1 October 2018 – 30 September 2019) has been completed and the findings of the assessment were presented to the Maldon Responsible Authorities Group on 6 February 2020. Officers were supported by a criminal intelligence analyst from Essex Police for this strategic assessment and partners were involved in the process to determine the new priorities by using a crime risk matrix, crime severity scores and public perception. The new priorities, listed below, reflect priorities already identified in the current Police and Crime Plan, the Essex Police Crime Prevention Strategy and the current Essex Police Strategic Assessment (control strategy). It should be noted that reducing reoffending remains a statutory function for all community safety partnerships and is embedded in the priorities listed below.

- Tackling violent crime and reducing reoffending (with an emphasis on gangs, drugs and county lines, knife crime and domestic abuse);
- Driving down antisocial behaviour in public places (with an emphasis on youth nuisance and improving communications with our residents);
- Identifying and supporting vulnerable people (with an emphasis on emotional health and wellbeing, social isolation, suicide prevention, hate crime and a proactive approach to those at risk of exploitation);

- Tackling rural and environmental crime;
  - Promoting road safety and challenging irresponsible driving (with an emphasis on speeding and street racing).
- 3.1.2 These priorities will contribute to the Council’s Corporate Goal of “Helping communities to be safe, active and healthy” and are highlighted as activities in the corporate plan for 2019 - 23. Each activity has a clear timescale and milestone to enable performance monitoring of each project associated to the activity. Activities are reported quarterly on the performance management system and monthly through the community safety partnership hub tasking meetings.
- 3.1.3 The current Essex Police performance figures for the rolling year to 31 January 2020 (compared to the same period last year) showed an increase in all crime by **17.5%** (561 more offences) and a decrease in anti-social behaviour by **9.9%** (87 less incidents). It should be noted that there has been an increase in all crime in Essex by **8.6%**. A summary of the crime profile for Maldon will be presented at the meeting by Chief Inspector Steve Scott-Haynes from the Chelmsford and Maldon Community Policing Team. A copy of the Essex Police force performance summary for the county is attached as **APPENDIX 1**. **APPENDIX 2** details the offences year on year by District. Some more local context of the issues surrounding these crime increases will be given at the meeting.
- 3.1.4 The Essex Prevent Action Plan has been completed and is monitored on a quarterly basis at the Prevent Multi-Agency Group with the last meeting being held on 4 November 2019. The Maldon District CSP action plan has been refreshed to accommodate these changes. Officers continue to work with the Prevent Team and local Counter Terrorism Security Advisors (CTSA) to ensure that local risks are addressed. A new legal duty to protect public spaces from terror attacks will be introduced by the government soon so this exercise will provide a useful format for future designs. Officers continue to engage with communities through the Independent Advisory Group which meets every quarter with the last meeting being held on 13 January 2020. This acts as a good forum to discuss community tensions, hate crime and policing interventions such as stop and search, and gives a voice to underrepresented communities. The Community Safety Manager attended a Special Interest Group on Counter Extremism (SIGCE) on 24 January 2020 which was very informative and current considering the risks being experienced in Essex at present.
- 3.1.5 The partnership has a duty in relation to Modern Day Slavery and Human Trafficking under the Modern Slavery Act 2005. Officers received an awareness session from Stop the Traffik on 8 January 2020 and this was then extended to partnership staff on 6 February 2020 where forty members of staff from various partner organisations attended. A further training session has been arranged for 20 March 2020. The Essex Community Safety Network (ECSN) also received a presentation by Detective Inspector of the Modern Slavery and Human Trafficking Unit at Essex Police on 27 February 2020.
- 3.2 **Police, Fire and Crime Commissioner Update**
- 3.2.1 The OPFCC confirmed that core funding for 2020/21 will be **£12,527** with the sum of **£1,708** being top sliced for the centralised DHR process (**£14,235** in total). Officers continue to work in partnership with the OPFCC on several current initiatives such as

violence and vulnerability, prolific offender management, community safety hubs and rural crime. The partnership continues to support the priorities identified in the Police and Crime Plan 2016 - 2020 and is involved in several multi-agency groups that support this work locally and across Essex. The OPFCC are currently running a consultation to seek views for Police and Crime Plan for 2020 and beyond using the #MakeADifference campaign. The results of this consultation will help inform the office of the views of Essex residents in relation to safety concerns and priorities.

- 3.2.2 The Police, Fire and Crime Panel (PFCP) approved a further increase in the council tax precept for 2019 / 20 which has seen a further increase in key policing staff across several areas. The most notable change for policing district has seen a new town centre unit set up in July 2019 which includes one sergeant and eight police constables. These officers are based in the community safety hub and focus on the city centre and South Woodham Ferrers and Maldon town centres. The Rural Engagement Team (RET) has also doubled in size which supports the priority of tackling rural crime and works closely with the Council's community protection officers. The PFCP met again in February 2020 to consider a further increase in precept and approved the sum of £5.67 per annum which will allow the recruitment of another 151 extra officers in 2020 / 21, an increase of 519 officers in the last three years. As previously reported, the Office of the Fire, Police and Crime Commissioner (OFPCC) made a bid on behalf of Essex to the Home Office early intervention youth fund which was successful and £664,000 has been allocated to Essex to address youth violence. Essex County Council (ECC) has also contributed £500,000 to this budget for 2019 / 20 and a further £1,160,000 was awarded in September 2019 following a successful bid for the Violence Reduction Unit. This has seen a central Violence Reduction Unit (VRU) set up in the new community safety partnership hub with a budget of approximately £2.2 million for Essex. The Community Safety Manager attends the Violence and Vulnerability Operations Board which reports into a Strategic Board. It should be noted that in addition to funding above, Essex Police has been awarded £1.76 million surge funding to tackle serious violence. Funding proposals for this agenda are complete with several interventions already in place. It should be noted that the VRU is eligible for a further £1.1 million for 2020 / 21 through a bidding process and the OPFCC will be topping up this fund by £200,000 and ECC by £500,000 for 2020 / 21.
- 3.2.3 The VRU has funded awareness training across Essex: Every Contact Counts, three sessions will be delivered to staff and partners on 9 March 2020.

### **3.3 Community Safety Partnership Hub**

- 3.3.1 The community safety partnership hub for Maldon and Chelmsford meets on the first Tuesday of each month and has a tasking process which links to the current priorities of the community safety partnership. This group now has a much wider partnership focus with new members attending from social care, youth offending, probation services, Family Solutions, Peabody, Full Circle, Open Road and the children's health and wellbeing service. Maldon representative at these meetings is from community safety and protection officers, and the chair of Maldon Neighbourhood Watch (NHW). Subgroups of the partnership continue to meet on a regular basis and work streams for each individual group are effectively impacting on various areas of community safety. The Chelmsford and Maldon community policing team moved to offices at Chelmsford City Council on 26 March 2019 which has ensured better

partnership working and improved performance with Maldon officers “hot desking” within the new hub when appropriate. This has already improved joint working within the respective teams which will provide a much better service for the public in terms of performance, visibility and reassurance. This facility was highlighted as good practice in a recent “Investors in the People” assessment for Chelmsford City Council.

- 3.3.2 Regarding antisocial behaviour, current “hot spots” for the district include Promenade Park and the town centre. Effective partnership action has been taken to address youth nuisance and low-level antisocial behaviour in Burnham-on-Crouch, Tollesbury, Tillingham and Southminster. Operation Enlightenment commenced in March 2019 which has seen a police officer and a Police Community Support Officer (PCSO) allocated to all secondary education establishments serving in Maldon District including the alternative provision unit in Heybridge. This will provide a valuable resource for early intervention within the school environment and help tackle poor behaviour and vulnerability. This has been well received by the ten schools in Maldon / Chelmsford engaging with 69 visits being made and 102 hours spent in schools between September and December 2019. Officers continue to support the work of the Rural Engagement Team (RET) to address rural crime and supported a week of action in October 2019. Officers attend the MACE 1 and MACE 2 (Missing and Child Exploitation) meetings to ensure that the needs of vulnerable children for the district are addressed and that processes are in place to tackle the criminal and sexual exploitation of young people. These have recently been improved by adopting the police 4P’s process of safeguarding vulnerability so that the outcomes of these meetings can be more effectively measured, and a further review was completed in June 2019 which has seen this process become more effective. Officers also attend Mid-Essex Stay Safe, Mid-Essex Children’s Partnership Board (MECPB), Chelmsford & Maldon Behaviour and Attendance Partnership (BAP), Maldon Youth Strategy Group and the County Safeguarding Leads meeting. Members should be aware that the MACE and BAP groups were both awarded funding by the Violence Reduction Unit to support young people who are on the cusp of exclusion or deemed high risk in terms of vulnerability.
- 3.3.3 Officers continue to work with a variety of practitioners to provide education and intervention opportunities. Crucial Crew has been reviewed and focus groups were held with primary school staff to ensure that this still meets the needs of the Personal, Health, Social, Health and Economic (PHSE) curriculum and current risks (i.e. gangs, knife crime, exploitation, healthy relationships). Crucial Crew is being delivered on the 30, 31 March and 1 April 2020 with sets from Colchester United Football Club (CUFC), Essex Police Community Policing Team, Alcohelph and Maldon District Council health practitioners. CUFC have been introduced into several Maldon schools and youth clubs doing education sets on knife crime, gangs and values, and using sport as a diversionary activity. Officers continue to facilitate a group which has been set up to support schools in tackling anti-social behaviour and vulnerability with pupils displaying risky behaviours. This is working well and data sharing, and intelligence is much more effective. This acts as a valuable early intervention tool and hopefully will correct bad behaviour before escalation. Officers are also attending groups with registered social landlords and mental health practitioners to tackle anti-social behaviour. We continue to host the Maldon and Burnham-on-Crouch action groups and facilitate the Maldon NHW meetings every quarter and cascade crime information. The next NHW group meeting is 24 March 2020. A

successful parents awareness session was held at the Plume Academy on 22 January 2020 which attracted over 100 parents and further training in the school environment is programmed for 18 March 2020.

- 3.3.4 The procurement stage for the installation of CCTV for Maldon District is now complete and a contract has been awarded. This contract will commence on 1 April 2020 with works being completed by 31 July 2020. Once these works are complete, Maldon District Council will consider remote monitoring options with Chelmsford City Council and the use of their 24/7 CCTV control centre.

### 3.4 **Progress on Action Plans**

- 3.4.1 The partnership has the following projects delivered or planned for this current year.

- Crucial Crew for Year 6 students (30 and 31 March and 1 April 2020);
- Older Persons Crucial Crew being developed with the University of the Third Age;
- Violence and Vulnerability Training (November 2019 – March 2020);
- Gangs and County Lines training delivered to professionals on 28 June 2019 by St Giles Trust;
- Community Payback delivered throughout the district in cemeteries and green spaces;
- Young Driver Safety Event planned for Spring 2020 with EFRS (Essex Fire and Rescue Service) and SERP (Safer Essex Roads Partnership);
- TRU Cam delivered throughout Maldon District with 4,500 captures from 1 April 2018 – 31 December 2019;
- Public engagement events to support Rural Crime (w/c 7 October), Coffee with Cops (19 September), Hate Crime (18 October) and Adult Safeguarding (22 November);
- Silver Sunday Event at the Forget Me Not Tea Rooms on 6 October 2019;
- 3PR School Safety Initiative adopted by primary schools;
- Working with SERP to address speeding concerns adjacent a school;
- Tollesbury Youth Club (launched March 2019);
- J9 Domestic Abuse Training for Community Partners (staff and partnership staff, delivered on 26 November 2019);
- Just Play Football Initiative (Maldon and now extended to Southminster);
- Collaborative Enquiry by Mid Essex Children's Partnership Board at a secondary and primary school in Maldon District;
- Design Council Public Sector Programme (focus on public health);
- EFRS targeted multi-agency engagement and awareness project delivered on the Dengie w/c 10 June 2019;
- ACT (Action Counters Terrorism) Training by Essex Police;

- Parents Gangs Awareness Sessions and Student Sessions by Reach Every Generation (22 January and 18 March 2020)
- Stop the Traffik – training sessions on human trafficking and modern-day slavery (10 February and 20 March 2020)

#### 4. CONCLUSION

- 4.1 Members are asked to note the proposed new priorities for 2020 / 21 and progress on the action plan. The shared working arrangements between Maldon and Chelmsford continue to support local priorities, high level policing priorities and the priorities of the current PFCC plan and has strengthened with the co-location of the community policing team in March 2019 and additional policing resources in town centres and rural areas. Maldon CSP remains efficient and responsive to emerging issues and more importantly positions itself strongly for future funding arrangements with the Essex Police, Fire and Crime Commissioner, statutory partners and local/national initiatives.

#### 5. IMPACT ON CORPORATE GOALS

- 5.1 These priorities contribute to the Council's Corporate Goal of "Helping communities to be safe, active and healthy" and are highlighted as activities in the corporate plan.

#### 6. IMPLICATIONS

- (i) **Impact on Customers** – Helping communities to be safe, active and healthy.
- (ii) **Impact on Equalities** – None.
- (iii) **Impact on Risk** – None.
- (iv) **Impact on Resources (financial)** – Members should note that sustainable funding of posts to cover statutory duties will remain a challenge but remain manageable whilst we receive an annual OPFCC grant.
- (v) **Impact on Resources (human)** – As above.
- (vi) **Impact on the Environment** – None.

Background Papers: Appendix 1 (Essex Police Performance Summary).

## **Essex Police: Performance Summary To February 2020**

### **1. Introduction**

This performance summary is designed to provide an understanding of how individual districts are performing within each crime type. The report includes tables of data relating to rolling 12 month figures for each district.

12 month rolling data relates to data in a 12 month period ending at the last day of latest month of data. For example, 1st May 2016 – 30th April 2017. This rolling period moves on for every new data month.
