294. MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE

The Committee received the report of the Director of Service Delivery reporting the progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the last meeting held on 2 March 2023.

The most recent Essex Police performance summary (to July 2023) was attached as **Appendix 1** to the report.

The Community Safety Manager (CSM) took Members through the report and provided additional information and further detail by way of a presentation.

The Chairperson then moved the recommendation as set out in the report and this was duly seconded.

A lengthy discussion ensued during which a number of points were raised and in response the following information was provided:

- It was confirmed that domestic violence cases since the COVID 19 Pandemic have been on a steady decline and there had also been a significant reduction in high and medium risk offences taking place. This reduction was aided by the ongoing efforts of Essex Police to not only help the victims of domestic violence but also educate the perpetrators. The CSM also wanted Members to note that the #Reflect programme that was launched last year had received an award for its work in challenging people's perception/behaviour around domestic abuse.
- The continued presence of Essex Police and partner agencies on the roads along with the use of number plate recognition and the spot checking of waste carrier licenses should drive down any potential fly tipping risk in the area.
- The youth project run by the Community Voluntary Services (CVS) and funded by the Essex Violence and Vulnerability Unit has been in Maldon for the past 18 months and is scheduled to be rolled out in Southminster next. Hot spots will then be identified and Subject to funding the availability of volunteers will be pushed out into those areas. The CSM made Members aware that post pandemic there has been a reduction in the volunteers available to aide these initiatives.
- Due to the costs involved in creating a CCTV network there aren't currently any plans for extending this into rural hot spot areas. There have been trials in other parts of Essex using mobile data connection to stream CCTV and this could potentially be rolled out in these hot spot areas.
- The Minerva Mapping tool is currently for profession use only, however; Essex County Council (ECC) released a mapping tool running from July 2023 to January 2024 that encourages women to pin point locations where they feel unsafe and how these areas could be made to feel safer.

The Chairperson requested that the following link to the aforementioned mapping tool be included in the minutes for the meeting:

- [Commonplace](#).

There being no further discussion the Chairperson put the recommendation to the Committee and it was agreed by assent.

RESOLVED that the current progress of the initiatives undertaken by the Community Safety Partnership be noted.

295. POLICE PERFORMANCE UPDATE

The Chairperson introduced Chief Inspector Paul Ballard (CI) from Essex Police.

CI Ballard provided Members with a detailed presentation and highlighted the following areas:

- **Maldon Performance Summary** - In the past rolling month to September 2023, all crime was down by 14.4% meaning 557 less offences. Anti-Social Behaviour (ASB) was down by 49.4%, which fell from 478 in 2022 to 242 in 2023 which is a difference of 236 incidents. Residential Burglary was down by 11.9% which equated to 13 less offences. These statistics were against an increase force wide of 5.1%. Other areas of note were violence with injury which was down 7.4%, robbery was down by 20% and theft offences were up by 41.8%
- **How we are enforcing the priorities in Maldon** – The following was outlined:
 - More officers are being recruited on a rolling basis which means more visibility on the street.
 - Risk assessing all ASB incidents and grading them with emphasis on personal, nuisance and environmental ASB.
 - Police cars marked with Rural Patrol badges concentrating on our rural areas.
 - Tri Service Officer - Providing a visible presence and making early interventions, focusing on protection, prevention and response to the Maldon and Dengie peninsular area.
 - Community Safety Engagement Officer (CSEO) for Maldon.
 - Maldon has a dedicated Town Centre team.
 - Closer liaison with our Neighbourhood Watch teams.
 - Regular operations in and around Maldon targeting ASB vehicle use and speeding.
 - Community engagement with local children clubs such as Cubs and Scouts to offer help and support.
- **Foot patrols in the Maldon District** - Maldon Town Team, The Community Policing Team and the CSEO's provide a visible presence in the local community, resolving issues by adopting a partnership and problem-solving approach. Essex Police carry out regular foot patrols in the district, so we can speak to members of the public and businesses to discuss any concerns they have. Foot patrol facilitates relationship-building between officers and the community and allows us to identify crime trends and hotspots. We ensure our patrols cover the 138 square miles of district to keep the public and local businesses safe.
- **Community Engagement** - The Maldon Community Policing Team and CSEOs work closely with our community safety partners, which include local councils, fire service, probation and health services to ensure we support our rural and urban communities. Engagement Officers work with partners to reduce crime, anti-social behaviour, and to protect vulnerable people, helping to provide long term solutions to problems. We attend events for older generations to tackle isolation and loneliness, work with children and young adults to discuss issues such as anti-social behaviour, drug use, exploitation, online safety and much more. We hold community events where we discuss crime prevention and personal safety. Our aim within Essex Police is to build better relationships with the communities we work and live in.
- **School and nursery visits** - The CSEOs attend many schools and nurseries within the District to talk about emergency services, how we support communities and much more. We join in with break time activities, support the staff during lunches and let the children try on police uniforms. Our work with the Safer Essex Roads Partnership sees us taking lessons with Year 5 pupils and educating them about road safety. The children even get the opportunity to stand alongside a uniformed police officer and stop drivers that travel over the speed limit. Together we educate

offenders about the dangers and consequences of speeding near to the schools.

- **Enforcement** - The Maldon Community Policing Team have had big successes with removing drugs from our streets. The Town Team with the support of specialist roles have seized Vehicles being used for drug supply from our roads, and drivers prosecuted for driving without insurance.
The use of stop and search powers are regularly used to protect people and take weapons and drugs from our streets.
High Visibility patrols have reduced the number of anti-social behaviour incidents within the district, helping to keep the public safe and stop those that cause annoyance and distress to others.
- **Speed Checks** - We have continued with our fight against speeding drivers. We have carried out numerous speed checks across the District in Purleigh, Wickham Bishops, Maldon and Cock Clarks. We listen to the public and local Parish Councils regarding speeding concerns and act on this. We have worked closely with the Safer Essex Roads Partnership and volunteers who keep our roads safe with Community Speed Watch.
- **Rural Engagement Team Patrols** - The Rural Engagement Team are working hard in the Maldon District, to tackle unauthorised encampments, Hare coursing, rural road safety, wildlife and heritage crime, Industrial fly tipping, theft of agricultural equipment and machinery, damage to historical and scheduled monuments, vehicle thefts, and more. The Rural Engagement Team provide high visibility patrols in rural locations on foot, bike and off-road vehicles.
- **Hare Coursing** - Incidents of Hare coursing in Essex have dropped by half in the past year as word gets out that Hare coursers are not welcome in our county. In the 12 months to 31 March 2023, 180 incidents were recorded, compared with 363 for the previous 12 months – a drop of 183 or 50.4%. Our Rural Engagement Team make sure they focus on Hare coursing and poaching as they understand the damage, the cost of that damage and the fear this cruel crime can cause in our more isolated communities.

Following the presentation and in response to questions from the Committee, CI Ballard provided the following information:

- As part of a larger Essex Police initiative, the Rural Engagement Team has increased their visual presence in villages. It is the initiative to prevent crime before it starts; to be proactive as opposed to reactive.
- There isn't currently an interview room that the Police could use within the Community Hub area at the Maldon District Council Offices, however, there are plans for an additional area to be set out for Police and partners to use which would satisfy the Police and Criminal Evidence Act 1984.
- The social economic effects that the Country faces will always have an impact on crime, so the cost-of-living crisis may be contributing to the current increase in theft.

The Chairperson thanked CI Ballard for attending the meeting and his presentation.

296. PERFORMANCE REPORT ON THE FUNCTION OF THE SOUTH ESSEX PARKING PARTNERSHIP IN THE MALDON DISTRICT

The Chairperson introduced the South Essex Parking Partnership (SEPP) Manager Mr Nick Binder.

Mr Binder provided Members with a detailed presentation and highlighted the following areas:

- SEPP's responsibilities regarding the public highway were explained and clarity was provided regarding on street and off-street parking (public car parks).
- Figures were provided regarding the number of Penalty Charge Notices (PCN) issued between 2022-23 for Maldon and all partnership areas.
- A detailed overview of SEPP's financial figures and governance was provided and Mr Binder outlined the areas within the partnership where monies would be reinvested back into.
- Members were also given examples of the operational challenges that SEPP face on a day-to-day basis in particular around school parking.
- Mr Binder made Members aware of the Park and Stride parking initiative that is currently being adopted by some primary schools in Essex and the success this is having at reducing parking issues around school areas. He went on to add that the three parking rules (3PR) are teaching children at a grass roots level the importance of care, consideration and caution when parking.

Following the presentation and in response to questions from the Committee, Mr Binder provided the following information:

- Smaller villages will get less coverage than that of a town due to the need to ensure that the main routes are clear of obstruction, however, statistics can be provided to show how often SEPP visits, which roads and the PCN's issued to Members on request.
- Double yellow lines are something that SEPP can issue PCN's for however if there is an ongoing issue with placement of pedestrian crossings, signage and speed limits then that would be an ECC Highways issue.

The following links were requested by the Chairperson to be included in the minutes of the meeting:

- To request a new or amended parking restriction on-street - [Request a new parking restriction](#).
- To report a parking issue to the South Essex Parking Partnership - [Report a parking issue](#).

The Chairperson thanked Mr Binder for attending the meeting and for his detailed presentation.

There being no other items of business the Chairperson closed the meeting at 9.19 pm.

DIRECTOR OF SERVICE DELIVERY**

**to
OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER
COMMITTEE)
29 FEBRUARY 2024**

MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE

1. PURPOSE OF THE REPORT

Members are asked to note the progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the last meeting held on 12 October 2023.

2. RECOMMENDATION

That Members review and comment on the current progress of the initiatives undertaken by the partnership to date.

3. SUMMARY OF KEY ISSUES

3.1 Statutory Duties

3.1.1 Officers are currently working on the strategic assessment, and this will be presented to the Responsible Authorities Group on 14 March 2024 for endorsement. This will involve a data review, crime risk matrix scoring and analysis of perception data. The crime risk matrix scores for Maldon District showed the following offences of highest concern: domestic abuse (high and medium risk), rape, trafficking of drugs, robbery, and dwelling burglary. Headline priorities are likely to remain the same as the previous year with some changes to the narrative based on the current risks. Proposed priorities will reflect priorities already identified in the revised Police and Crime Plan, the Essex Crime Prevention Strategy, Maldon District Council's (MDC) Corporate Plan (2023-27) and the current Essex Police Strategic Assessment. Officers are also working on Operation Minerva data (female victimisation) to establish areas of risk within the district and the new mapping tool for reporting unsafe areas for women which may also impact on priorities. The joint strategic needs assessment that is now a requirement under the Serious Violence Duty is now complete and officers receive monthly data sets on Power Bi to help identify trends and hotspots.

3.1.2 The current priorities are highlighted on the MDC website. It should be noted that reducing reoffending remains a statutory function for all community safety partnerships and is embedded in the priorities listed below. Reducing serious violence is also a new statutory duty.

- Tackling crime and reducing reoffending (with an emphasis on serious violence, crime, gangs, drug trafficking and high harm offences);
- Driving down anti-social behaviour in public places (with an emphasis on youth nuisance and improving partnership visibility);

- Identifying and supporting vulnerable people (with an emphasis on domestic abuse, violence against women and girls, social isolation, suicide prevention, poor mental health and hate crime);
- Increase confidence in identifying and reducing rural crime;
- Promoting road safety and challenging irresponsible driving.

3.1.3 The current Essex Police Maldon performance figures for the rolling year to 31 January 2024 (compared to the same period last year) showed a decrease in all crime by **5.3%** (194 less offences) and a decrease in anti-social behaviour by **51.5%** (244 less incidents). It should be noted that there has been a decrease in all crime in Essex by 5.9% with a decrease in anti-social behaviour by 38.5%. A summary of the crime profile for Maldon will be presented at the meeting by Chief Inspector Paul Ballard. A copy of the Essex Police force performance summary for the county is attached as **APPENDIX 1**.

3.1.4 Officers continue to work with the Essex Police to ensure that local risks are addressed. The Community Safety Manager (CSM) chairs the Essex County Prevent Group and attends the Essex Contest Board. The most recent Counter Terrorism Local Profile (CTLP) briefing (Quarter 2) was on 21 November 2023 and strategic members have been briefed on current risks. Maldon data has been submitted to Essex County Council (ECC) prior to the annual benchmarking session with the Home Office which is scheduled for 11 March 2024. New guidance with a toolkit for local authorities was published on 7 September 2023: [Prevent duty toolkit for local authorities - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/prevent-duty-toolkit-for-local-authorities)

3.1.6 New duties that will impact on the work of the partnership will be the Protect Duty (Martyn's Law). This received Royal Assent in Autumn 2023 and detailed guidance will be available from the government in Spring 2024. Martyn's Law will impose requirements on premises and events to increase their preparedness for, and protection from, a terrorist attack. The law will require premises to take proportionate steps, depending on the size and nature of the activities that take place. This will be based on qualifying premises and capacity thresholds: standard tier (capacity of 100 or more, enhanced tier (800 or more) and places of worship (standard tier regardless of capacity).

3.2 **Police, Fire and Crime Commissioner Update**

3.2.1 The partnership continues to support the priorities identified in the refreshed Police and Crime Plan which was extended until 2024. Members should note that there will be an election for the Police, Fire and Crime Commissioner (PFCC) on 2 May 2024 and the pre-election period will run from 22 March – 2 May 2024 inclusive.

3.2.2 Works continue with several multi-agency groups that support this work locally and across Essex. The Maldon representative for the Police Fire and Crime Panel is Councillor Simon Burwood. The Office of the Police, Fire and Crime Commissioner (OPFCC) confirmed that core funding for Maldon in 2023 / 24 was **£12,527** and the necessary funding forms were completed and returned as part of the funding agreement. Officers had their annual meeting with the PFCC office on 8 February 2024 to review performance. The annual PFCC conference is being held on 29 February 2024 at Boreham House and the CSM will be presenting at this conference on anti-social behaviour with the Deputy Chief Constable.

3.2.3 Maldon District was awarded funding for three projects in the recent round of PFCC Safer Streets funding for 23/24 and 24/25, and officers are planning these works to be commenced in the coming months:

- Safety projects to complement the design of the new Maldon promenade skate park - £132,252
- A women's safety project for Maldon District - £16,000
- A CCTV scheme for Burnham-on-Crouch - £40,874

3.3 Community Safety Partnership Hub and Progress Update

3.3.1 The Community Safety Partnership Hub for Chelmsford and Maldon was re-launched on 5 July 2023 following recent discussions. The new style meetings are held fortnightly on Wednesday from 09.30-10.30hrs meets bi-monthly and has a tasking process which links to the priorities of the Community Safety Partnership (CSP). The new process will include a tasking update from the Community Policing Team (CPT) Sergeant (Sgt), licensing, a two-week forecast, identified hotspots, patrol plans, communications, complex cases, and organised crime groups. Fortnightly tasking with Essex Police and the Community Safety Team is also held on Tuesdays. There is an individual action plan for Maldon CSP plus a tasking update which is monitored to ensure that partner actions are completed and performance managed.

3.3.2 Current concerns for the partnership hub focus on violence and vulnerability, and disruption of organised crime. Education sessions are being planned with secondary schools to provide awareness of risk in the community and vulnerability. Monitoring "hot spots" such as Maldon High Street, Promenade Park, Hythe Quay, and some of the parks across the district where young people are congregating and consuming alcohol and misusing drugs is undertaken by the effective use of CCTV and officer patrols by the partnership. Partnership operations are proving successful and in recent months there have been significant arrests to disrupt both local and County Line drug networks. Officers are also dealing with some complex antisocial behaviour complaints where mediation has been offered to parties to resolve the situation. Meetings to discuss the road safety issues on the Lower Burnham Road are also ongoing between a variety of partners. Officers will also be commencing a consultative piece of work with the charity Make Space for Girls in the coming months. The partnership has been providing support to communities that have been impacted by dwelling burglary incidents.

3.3.3 Current project works for 2023/24 include:

- Healthy relationships and exploitation awareness sessions for schools in May 2023
- Safe, Well and Secure visits delivered with Essex County Fire and Rescue Service (ECFRS) between 23 -25 May 2023 (1,499 doors knocked, 512 face-to-face contacts, 95 safe and well referrals and 117 home fire safety checks)
- Maldon Street Week was held on 27 May – 3 June 2023
- Crucial Crew was delivered to Year 6 students in June 2023 – theatre production on exploitation and knife crime awareness
- Public engagement events in Maldon, Heybridge, Tollesbury and Burnham-on-Crouch (999 days)
- Senior Safety event delivered for over 65's delivered on 2 October 2023
- Trucam is currently being delivered across 18 parishes at 45 different locations and a new unit has been ordered to improve capability

- PREVENT Duty met and scored 3 (standard met) by Home Office in April 2023 and 2024 session planned for 12 March 2024
- Effective use and joint working using CCTV with annual compliance reported to Biometrics and Surveillance Camera Commissioner
- Safeguarding awareness training delivered and Section 11 Audit completed
- Hate crime awareness sessions in Burnham-on-Crouch and supporting hate crime awareness week
- Joint patrols with Essex Police and the Tri Service Officer to tackle community concerns
- Close working relationship with Essex Police Rural Engagement Team (RET) to tackle issues such as fly tipping and unlicensed waste carriers
- Partnership working with Essex Police in the form of joint patrols to encourage responsible dog ownership
- Supporting Let's Talk sessions with Essex Police
- Joint patrols with ECC Youth Service at key locations
- Intelligence sharing with secondary schools to safeguard any identified vulnerable persons
- Engagement with youths through the Just Play football initiative
- J9 Domestic abuse awareness training supporting domestic abuse awareness week
- Sanctuary housing referrals for domestic abuse
- Bespoke meetings for local concerns (Cold Norton burglary series)
- Works are due to commence for a community safety hub which will allow a shared working space for the partnership, district council, Essex Police and South Essex Parking Partnership

4. CONCLUSION

- 4.1 That Members note the priorities for 2023 / 24 and progress on the community safety partnership. The shared working arrangements between Maldon and Chelmsford continue to support local priorities, high level policing priorities and the priorities of the revised PFCC plan and has strengthened with the co-location of the CPT and additional policing resources in town centres and rural areas. The increased footprint for the CPT at MDC offices will strengthen this partnership further. Maldon CSP remains efficient and responsive to emerging issues and more importantly positions itself strongly for future funding arrangements with the Essex PFCC, statutory partners, and local / national initiatives.

5. IMPACT ON STRATEGIC THEMES

- 5.1 These priorities contribute to the Council's vision of "Through our projects, actions, communication, partnerships and policies we will work to support our communities, the health and well-being of our residents, and to provide safe and clean places to live in and enjoy."

6. IMPLICATIONS

- (i) **Impact on Customers** – Helping communities to be safe, active, and healthy.
- (ii) **Impact on Equalities** – None.

- (iii) **Impact on Risk** – None.
- (iv) **Impact on Resources (financial)** – Members should note that sustainable funding of posts to cover statutory duties will remain a challenge but remain manageable whilst we receive an annual PFCC grant and other funding opportunities.
- (v) **Impact on Resources (human)** – As above.
- (vi) **Impact on the Environment** – None.

Essex Police: Performance Summary To January 2024

1. Introduction

This performance summary is designed to provide an understanding of how individual districts are performing within each crime type. The report includes tables of data relating to rolling 12 month figures for each district.

12 month rolling data relates to data in a 12 month period ending at the last day of latest month of data. For example, 1st May 2016 – 30th April 2017. This rolling period moves on for every new data month.
