467. STRATEGIC ASSETS WORKING GROUP RECOMMENDATION

The Committee considered the report of the Strategic Assets Working Group (the Working Group) seeking Members' consideration of the recommendation from the

Working Group relating to the Celebration Pathway Project within Promenade Park, Maldon.

Councillor M E Thompson, Chairperson of the Working Group, introduced the report and handed over to the Director of Neighbourhood Services and Communities who presented the detail.

The report provided an update on the projects agreed as part of the Promenade Park Management Plan, including the Celebration Pathway project. Following a review by the Working Group the report set out a number of reasons why the Working Group were recommending that the Celebration Pathway project should not proceed. It was felt more important to invest in maintaining and enhancing current assets and a proposed alternative project to refurbish the Coronation Shelter was proposed as an alternative scheme. Members were advised that any underspend would be returned to the General Fund balances.

The Chairperson moved the recommendations set out in the report and these were duly seconded.

In response to a question regarding refurbishment of the coronation shelter, Members' attention was drawn to paragraph 3.7 of the report, and the Director gave an indication of the work involved and agreed to provide Members with details of the anticipated costs outside of the meeting. Members were advised that the refurbishment and maintenance works were required and if not approved would be brought through as a capital bid.

In response to a comment about links being provided to Working Group Minutes, the Chairperson advised that this would be addressed outside of the meeting.

The Chairperson then put the recommendations which were duly agreed.

RESOLVED

- (i) That the project to deliver the Celebration Pathway does not proceed;
- (ii) That the Coronation Shelter is refurbished, and a new natural planting scheme is introduced to that area to complement the recently completed Secret Garden area and planting;
- (iii) The current funding allocated to the Celebration Pathway (£109,000) is utilised to fund the work at (ii) above, with any underspend returned to balances.

468. BUDGET MONITORING REPORT - PERIOD 8 (END NOVEMBER 2025)

The Committee considered the report of the Director of Finance providing an updated financial position for the period ended 30 November 2025 (Period 8). Members noted that this was not the standard quarterly update but helped to provide background information regarding planning for future years budgets.

The report provided an update on a number of areas including the following:

- **Revenue Budget Monitoring (Period 8)**, including the underspend against the 2025 / 26 budget. Appendix 1 to the report provided further detail of this and surplus arising from increased interest income and better receipts from planning activities, along with offset additional unbudgeted costs in IT ensuring that systems were sufficiently maintained.

- **Capital budget monitoring (Period 8)**, including the underspend projected against the revised 2025 / 26 Capital Programme. Appendix 2 to the report provided details of the main projects. A list of projects completed within planned timescale and budgets were set out in the report.
- **General Fund Debtors** – Table 1 to the report outlined outstanding debt for general fund activities at as 30 November 2025.
- **Reserves** – Appendix 3 to the report detailed the movements on Reserves for 2025 / 26.
- **Revenue Budget Reconciliation** – Appendix 4 to the report provided detail of the revenue budget reconciliation between the opening and closing budget.

The Chairperson moved the recommendations as set out in the report. This was duly seconded.

In response to questions raised, the Director of Finance agreed to provide Members with the following information outside of the meeting:

- details of the funding for the capital budget schemes set out in paragraph 3.4.3 of the report;
- any additional funding committed in previous years for the amphitheatre at Promenade Park, Maldon. It was noted that the monies set out in the table at paragraph 3.4.3 of the report related to the current year. Councillor R H Siddall advised that the monies detailed were an addition £79,000 for this year with the majority of monies within the 2024 / 25 financial year.
- that the exact process for a Section 106 agreement could be varied by agreement and by Council. The Director of Finance was working with Director colleagues to ensure that there was clarity on how this work was being done and he confirmed he had confidence in the process of collecting. Any improvements identified would be taken forward. He agreed to keep Members informed of the progress of this work. The Director of Place, Planning and Growth explained that it was normal to have different S106 triggers throughout a development and these would be used to mitigate the impact on infrastructure for each development.
- the difference between vet inspections and vet inspection as set out in table 1 to the report.

The Chairperson put the recommendations set out in the report and upon a vote being taken these were duly agreed.

RESOLVED

That the Committee:

- (i) notes that the forecast revenue outturn as at 30 November 2025 is £104k under budget (0.7%) against the net service budget of £13,874k. (Further information can be found at Appendix 1 to the report along with reasons for significant variances);
- (ii) considered the forecast capital outturn as at 30 November 2025 which was for a total capital programme delivery of £5.656m against revised budget of £6.980m. Noting the schemes completed in the year so far and that further information can be found at Appendix 2 to the report along with reasons for significant variances;

- (iii) approves the movements in Earmarked Reserves set out in Appendix 3 to the report;
- (iv) notes the revenue budget reconciliation between the opening and current budget in Appendix 4 to the report.

469. CHANGE TO THE ORDER OF BUSINESS

At this point in the meeting the Chairperson advised that he would be changing the order of business and considering the remaining items of business in reverse order starting with agenda item 12 – Medium-Term Financial Strategy 2026 / 27 – 2028 / 29.

470. MEDIUM-TERM FINANCIAL STRATEGY 2026 / 27 - 2028 / 29

The Committee considered the report of the Director of Finance setting out the guiding principles governing the Medium-Term Financial Strategy (MTFS) of the Council and the reasons for them, in order to inform detailed annual budget setting.

The MTFS set out the themes affecting financial planning for council services in the coming years, along with the estimated financial values arising from this. These considerations then informed detailed planning for the coming year. The report outlined the four strategic key issues facing the Council and figure 1 detailed the key risks and opportunities arising from these. It was noted that the recommended financial strategy of the Council included a number of key elements which were detailed in figure 2 to the report.

The report provided further information on the following related areas:

- Medium-term financial plan – this was constructed by translating the MTFS into financial value leads.
- Funding – set out in the report and showing the current year overall funding position.
- Operational net spending – including the main spending budgets provided for service delivery, plus locally generated resources. Figure 4 provided estimated operational net spending for 2026 – 29.
- Capital investment as set out in the capital programme. Figure 5 gave a summary of the proposed capital programme for 2026 – 29.
- Use of Reserves – figure 6 detailed the estimated reserves for 2026 – 28.

Members noted that there were a number of key issues for the Council which were set out in the report, supplemented by charts from the Institute for Government ‘performance tracker 2025: Local Government’. These charts provided an overview of the general position for local government and context for the Maldon position.

The Director of Finance gave a presentation which provided further detail regarding the MTFS including operating context, funding, spending, the Council’s financial position and core spending power and the provisional Government funding settlement. Members noted that this was due to be presented to the Finance Working Group and at scheduled Member training prior to the Council meeting on 12 February 2026. The Director highlighted how the MTFS was based on the assumption that Local Government Reorganisation took place in April 2028 and how setting an operational end date for the Council meant that budget planning after that date was not required.

The Chairperson moved the recommendations set out in the report with an additional one (see below) as set out in the presentation:

That the Committee notes that further adjustments to the MTFS may be necessary depending on the final 2026/27 financial settlement. Any significant changes will be highlighted in the Council papers.

The Director of Finance explained that although the provisional settlement had been received the final settlement was not expected for a week or so and as a result small changes may be required to the budget papers.

In response to a question, the Director explained that the Whole Time Equivalent figure had been taken from the annual HR return on the gender pay gap analysis. However, he would clarify if this data included those staff members that came to the Council under a grant scheme.

The Chairperson advised that although not detailed in the report, the Council had to approve the MTFS and there would therefore need to be a recommendation to the Council. This was duly noted.

In response to questions and comments raised, the Director of Finance provided further detail regarding grants received from the Government in respect of homelessness and rough sleeping.

The Chairperson then moved the recommendations set out in the report and additional recommendation (as detailed above) along with a further recommendation to the Council. Upon a vote being taken these were duly agreed.

RESOLVED

- (i) That the Committee considered the principles of the MTFS set out in the report, agreed any changes, and makes recommendations as appropriate to the Council;
- (ii) That the Committee recognised that the MTFS had been developed through ongoing consultation with the Finance Member Working Group in its meetings from June 2025.
- (iii) That the Committee notes that further adjustments to the MTFS may be necessary depending on the final 2026 / 27 financial statement, any significant changes will be highlighted in the Council papers.

RECOMMENDED

- (iv) That the revised Medium-Term Financial Strategy (Appendix 1 to the report) and any subsequent necessary adjustments, be approved.

471. PROPOSED BUDGET 2026 / 27

The Committee considered the report of the Director of Finance presenting the proposed Budget estimates 2026 / 27 and seeking recommendation to the Council for approval, including the proposed level of Council Tax for the Maldon District in 2026 / 27.

The report and associated appendices to the report outlined the following:

- forecast General Fund revenue budget outturn 2025 / 26;

- core spending power 2026 - 29
- other sources of funding for core services;
- base budgets 2025 / 26 – 2026 / 27, with details of the base budget position set out in Appendix 1 to the report;
- directorate allocations of the base budget;
- savings;
- revenue growth and pressure bids, set out in Appendix 2;
- repairs and renewal bids, detailed in Appendix 3;
- Council Tax calculations, details of which were set out in Appendix 4;
- reserves, based on the proposals set out in the report, with Appendix 5 detailing the proposed use of earmarked reserves and general reserves through to April 2028;
- other matters including:
 - the Great Essex Business Rates Pool
 - Greater Essex Council Tax Pool
 - Interest on investments
 - Local Development Plan
 - Future investment in Promenade Park, Maldon
 - Section 25 assurances, set out in Appendix 6.

The Director of Finance gave a presentation which highlighted the process for approval of the budget for 2026 / 27 and the key points related to that budget.

It was noted that the revenue budget proposed for 2026 / 27 met the Corporate Plan objectives of the Council which had been prioritised based on the advice of the Finance Member Working Group. This included an increase in the average band D Council Tax in 2026 / 27 of 2.99% in line with Government assumptions.

The Chairperson moved the recommendations set out in the report and these were duly seconded.

At this point in the meeting Councillor W Stamp advised that she wished to vote against recommendation (i) f as she did not agree with the Council borrowing £10m to have a reserve of £7m. This was noted.

In response to the debate that ensued, the Director of Finance provided Members with the following information:

- The current staff base was included within operational base budgets and was therefore fully funded. However, where additional staff were proposed a bid to fund this cost from the transformation reserve was being proposed as a logical approach. If the proposal was approved the Chief Executive explained that monies would move from the transformation reserve into the general fund.
- The Director of Finance explained how it would not be possible to sustain the proposed investment through the current year and the impact this would have on the Council's reserves. This was why there was a proposal to borrow £10

million, and the Director outlined the impact if this was not agreed. As the Section 151 Officer he provided further details and referred to the Prudential Code which had been set up to allow Councils to borrow against an income stream. He explained that if the proposed borrowing was not agreed, there would need to be a reduction to the proposals for investment.

The Chairperson then moved the recommendations set out in the report on block. These were duly agreed. At this point Councillor Stamp reminded the Chairperson of her earlier request to have it noted that she did not vote on recommendation (i)f.

RECOMMENDED that the following be discussed and approved:

- (i) the reduction in core spending power allocation as set out in the provisional financial settlement for local government (set out in section 4.2 of the report);
- (ii) the base budget changes from 2025/26 to 2026/27 (set out in section 4.4 and Appendix 1 to the report);
- (iii) the revenue budget growth bids received and recommended growth and savings as discussed by the Finance Member Working Group (section 4.7 and Appendix 2 to the report);
- (iv) the repairs and renewals schemes proposed for 2026/27 (section 4.8 and Appendix 3 to the report);
- (v) the average Band D Council Tax of £238.95 (excluding parish precepts), which is a £6.94 or 2.99% increase for 2026/27 (section 4.9 and Appendix 4 to the report);
- (vi) the impact on reserves and the current policy for reserves, including of a minimum general fund balance of £2.6m as discussed by the Finance Member Working Group (section 4.10 and Appendix 5 to the report)
- (vii) the proposed policy on 'excess' reserves (as set out in paragraph 4.10.3 of the report);
- (viii) the advice of the Chief Finance Officer (S151 Officer) regarding the robustness of budgets and adequacy of reserves (section 5.6 and Appendix 6 to the report).

472. CAPITAL AND INVESTMENT STRATEGY FOR 2026 / 27, MINIMUM REVENUE PROVISION STATEMENT 2026 / 27 AND TREASURY MANAGEMENT STRATEGY 2026 / 27

The Committee considered the report of the Director of Finance seeking Members' approval of the following 2026 / 27 documents:

- Capital and Investment Strategy 2026 / 27 (attached as Appendix1 to the report), including the Capital Programme for 2026 / 27 – 2029 / 30 (Appendix 2 to the report);
- Minimum Revenue Provision Statement (MRP) 2026 / 27 (Appendix 3 to the report);
- Treasury Management Strategy 2026 / 27 (Appendix 4 to the report), with the Treasury Management Practices.

The Director of Finance provided a brief presentation outlining key points from the report and noting that the Capital Strategy, MRP and Treasury Management Strategy had been developed considering the future plans of the Council, ensuring that they were affordable and prudent. The Strategies had been updated in line with statutory requirements and best practice, having regard to the Council's financial position, corporate strategies, plans and objectives, incorporating advice of the Council's external treasury advisor, Link Group.

The Chairperson put the recommendations set out in the report and these were duly seconded.

In response to a query the Director of Finance explained that the only existing external borrowing was in relation to the Leisure Contract which was based on 20 years which was the lifetime of the contract.

The Chairperson then moved the recommendations and these were duly agreed.

RESOLVED

- (i) That the Committee considered the report and appendices;

RECOMMENDED

- (ii) That the following be approved:
- a. That the Capital and Investment Strategy 2026 / 27 (Appendix 1 to the report), which includes the Capital Programme for 2026 / 27 – 2029 / 30 and new Capital Projects Bids for approval (Appendix 2);
 - b. That the Minimum Revenue Provision Statement 2026 / 27 (Appendix 3 to the report);
 - c. that the Treasury Management Strategy 2026 / 27 (Appendix 3 to the report), with the Treasury Management Practices.

Following his earlier declaration, Councillor J R Burrell-Cook left the meeting at this point.

473. BUSINESS RATES AND COUNCIL TAX DISCRETIONARY REDUCTIONS

The Committee considered the report of the Director of Finance seeking Members' consideration of the following updated documents:

- Discretionary Non-Domestic Rate (NNDR) Relief Scheme (Appendix 1 to the report), updated to reflect changes announced by Central Government which were detailed within the report.
- Empty Homes and Second Homes Premium Policy (Appendix 2) updated with minor changes previously endorsed by Members and now legislated for by Central Government. The updated Policy provided a framework for the administration of these changes, including mandatory exemptions and would enable a transparent and consistent approach to charges for empty properties and second homes across the District.

- Council Tax S13A (1)(c) Local Government Act 1992 policy (Appendix 3) updated with minor changes and to incorporate care leaver provisions into the one document.

The Chairperson drew Members' attention to an addendum to the report which had been circulated prior to the meeting. The Director of Finance presented the report advising that following an announcement by the Ministry for Housing, Communities and Local Government on 27 January 2026, eligible pubs and live music venues were to benefit from a 15% business rates relief on top of the support announced at Budget 2025. The relief would be administered using existing discretionary rate provisions and therefore Appendix 1 required further amendment. The Addendum provided detail of the changes required, however it was noted that as guidance was still awaited it was suggested that the Director of Finance be granted delegated authority to consider and make any further technical amendments required in consultation with the Chairperson of this Committee.

The Chairman put the revised recommendations as set out on the Addendum and these were duly seconded.

In response to a question regarding the revised recommendations, the Director of Finance advised that although there might not be any further changes the revised recommendations allowed him to bring any change back to a future meeting of the Council.

The Chairperson put the recommendations, which upon a vote being taken were duly agreed.

RECOMMENDED

- (iii) That subject to incorporation of the provisional amendments (set out in the Addendum to the report), the amendments to the Policy for the granting of Discretionary Non-Domestic Rate Relief at Appendix 1 to the report, to reflect updated Government guidance and legislation be approved;
- (iv) that the Director of Finance (S151 officer), in consultation with the Chairperson of this Committee, is granted delegated powers to consider and make minor technical amendments to the Policy for the granting of Discretionary Non-Domestic Rate Relief, in line with final Government guidance, as soon as reasonably practicable, to enable the award of this relief to eligible businesses;
- (v) that minor amendments to the Empty Homes and Second Homes Premium Policy 2025 / 26 document at Appendix 2 to the report be noted;
- (vi) that minor amendments to the Council Tax S13A (1) (C) Local Government Act 1992 Policy document at Appendix 3 to the report be noted.

Councillor Burrell-Cook returned to the meeting at this point.

474. COUNCIL TAX SUPPORT SCHEME 2026 / 27

The Council considered the report of the Director of Finance seeking Members' approval of the Local Council Tax Support Scheme (LCTS) and associated policies for

2026 / 27, with minor technical amendments as set out in section 2 (a) to (c) of the report.

The Director of Finance presented the report, gave a short presentation and advised that the Scheme was significantly unchanged to support the delivery of a largely cost neutral LCTS within the proposed budget for 2026 / 27. Provision had been made to enable changes during the year, and an Equality Impact Assessment had been carried out (Appendix 1 to the report). The current LCTS reflected the Council's decision to deliver a long-term sustainable Scheme based on cost neutral principles and the proposed changes ensured it reflected national legislative changes.

Members were reminded of the Council's Hardship Provision and subject to the continuation of funding from Essex County Council (ECC) it was proposed that the Council continued to offer this scheme for 2026 / 27. The framework was attached at Appendix 2 to the report.

The Discretionary Reduction Policy was attached at Appendix 3 for Members' consideration and was largely unchanged.

The Chairperson put the recommendations as set out in the report to the Committee. These were duly seconded and upon a vote being taken were agreed.

RECOMMENDED

- (i) That the following changes to the existing schemes are approved:
 - a. a cost of living increase in line with the Department for Work and Pensions schemes be included in the Local Council Tax Support Scheme (LCTS) for 2026 / 27 for Pensioners only;
 - b. that any legislative changes being introduced to the Housing Benefit Scheme, for 2026 / 27 are mirrored in the Council's LCTS to ensure consistency;
- (ii) that these decisions have been made following Members careful reading of and regard to the Equality Impact Assessment at **APPENDIX 1** to these Minutes;
- (iii) that Members note the largely unchanged framework for the Hardship Provision at **APPENDIX 2** to these Minutes;
- (iv) that the Policy document at **APPENDIX 3** to these Minutes be approved.

There being no other items of business the Chairperson closed the meeting at 9.42 pm.

If the analysis is regarding an existing Service, what are user's views of that service? (Base your view on evidence such as satisfaction surveys, levels of compliments and levels of complaints).

The Revenues and benefits team is a well performing team that historically has met locally set performance targets and generated very low volumes of complaints.

The team continues to ensure that work is prioritised to reduce impact on our most vulnerable customers.

Equality Aims – consider how the proposal / policy / service meets the three Equality Aims listed in the Equality Act.

Aim	How does the proposal / policy / service meet the equality aim?	Action or addition needed in order that the proposal / policy / service meets the aim?
To eliminate unlawful discrimination, harassment and victimisation	Higher rate disability benefits will continue to be disregarded thereby protecting those with specific long term conditions who fall within this group. Without such action to protect this group the policy could potentially be discriminatory. There is also an Exceptional Hardship Scheme which can assist customers with specific circumstances.	None required
To advance equality of opportunity between people who share a protected characteristic and those who do not	- Older people are protected in the policy, which follows specific Government Regulations - Parents who receive a child benefit will continue to have this disregarded as part of the CTS calculation, which is consistent with the Council's duty to safeguard and promote the welfare of children - Higher rate Disability Benefits will continue to be disregarded thereby protecting those with specific long term conditions who fall within this group - Lone Parents receive a disregard of £15 from Child Maintenance payments - A hardship fund exists to ensure provision for those residents who have exceptional circumstances.

Is there a Cumulative Impact? (If the same group is the subject of many changes or reductions the overall impact is much greater. Consider what else is happening within Maldon District Council that may have an impact and also what we know is happening elsewhere (such as Essex County Council). See Guidance for further advice.) The requirement to introduce a local CTS scheme has been introduced via Government policy so our scheme must be reviewed each year. Whilst the authority may choose to allocate funding to ensure full protection for all customers, to date this has not been considered financially sustainable. Results from consultation suggest that the public agree that customers claiming support should be required to pay towards council tax

Exceptional Hardship Fund for Council Tax Support Framework for Decision Making

1.0 Introduction and Background

- 1.1 The Exceptional Hardship Fund (EHF) is a local scheme introduced from 1 April 2013 and intended to provide additional financial help to residents on low incomes claiming Council Tax Support. An award made from the EHF will be referred to as an Exceptional Hardship Payment (EHP).
- 1.2 An EHP is extra money that we can pay in addition to an award of Council Tax Support (CTS) if it is considered that the customer needs extra help. The main principles of the scheme are outlined below:
- EHF is intended to provide some additional help to those customers who are suffering from severe or exceptional circumstances. It is not intended to compensate working age customers who receive less financial support just as a result of the CTS Scheme;
 - An award is to address short-term need only and should not be considered as a long-term solution to a customer's circumstances;
 - The scheme is discretionary; therefore, the customer has no statutory right to a payment;
 - All applications must be treated on their own merit, having regard to the priorities set out in this framework;
 - The scheme is administered by Maldon District Council;
 - The level of payment will be decided by the Council and administered via the Council Tax Support system;
 - Payment from the EHF is not an award of CTS and as such is not subject to the statutory appeals mechanisms. We do have a review process further information can be found in the Reviews section of this policy;
 - We have the right to amend, suspend or cancel a EHP when necessary or appropriate;
 - Total amount payable in any financial year is cash limited and therefore applications cannot be progressed once the funding is fully allocated within that financial year;
 - All applicants will be expected to engage with the Council and undertake the full application process. Failure to do so will inevitably mean that no payment will be made.

2.0 Purpose of the EHF

- 2.1 The purpose of the fund is to:
- Prevent homelessness;
 - Alleviate poverty;
 - Safeguard residents in their home;
 - Help customers through personal crises, severe or exceptional circumstances and difficult life events such as death, family illness;
 - Assisting customers where they or their family members are sick or disabled;
 - Other reasons or circumstances not listed above where they are considered to be exceptional or severe.

3.0 How to claim

- 3.1 The main elements of claiming are as follows:
- We encourage electronic claims to be submitted wherever possible;
 - The link to the electronic claim form is on our website as follows: www.maldon.gov.uk/apply. The claim must contain sufficient evidence/information to enable the local authority to get a balanced view of the claimant's situation and circumstances.
 - A paper version of the form is available on request. The EHP application form requests the following information:

- Reasons why financial assistance is required;
- A declaration that the information given is correct
- Authorisation for us to verify information given
- A declaration that the customer will repay any overpayment

3.2 If additional evidence is required and requested, this must be provided within one month of the request date.

3.3 As part of the process of applying for additional support from the Exceptional Hardship Fund, all applicants must be willing to undertake **all** of the following:

- Make a separate application for assistance;
- Provide full details of their income and expenditure;
- Accept assistance from either the Council or third parties such as the CAB or similar organisations to enable them to manage their finances more effectively including the termination of non-essential expenditure;
- Identify potential changes in payment methods and arrangements to assist the applicant;
- Assist the Council to minimise liability by ensuring that all discounts, exemptions and reductions are properly granted; and
- Maximise their income through the application for other welfare benefits, cancellation of non-essential contracts and outgoings and identifying the most economical tariffs for the supply of utilities and services generally.

3.4 In addition a pre-requisite to receive a payment from the Fund is that an amount of Council Tax Support **must be in payment** for any day that an EHP payment is requested.

4.0 Who can make a claim for an EHP

4.1 We will accept claims from:

- Customers;
- Anyone acting on the customer's behalf such as an appointee, a relative or social worker and other support/advice agencies such the Council's Housing Options Team, Citizens Advice Bureau, other recognised support agency.

4.2 The claimant must be aware that an application for an EHP is being made on their behalf.

5.0 Who can claim?

5.1 Customers can be considered for an EHP if:

- they are already receiving some Council Tax Support (CTS);
- **and** they get less than the maximum CTS allowed under the scheme;
- **and** need further financial assistance with their Council Tax.

6.0 What an EHP cannot cover

6.1 An award of EHP cannot be paid in the following circumstances:

- Deductions for the recovery of Council Tax arrears or Council Tax Support overpayments;
- Reduction in any benefit as a result of Jobseeker's sanctions, Child Support Agency sanctions or sanctions following benefit related offences;
- Council Tax Support that is suspended;
- Due to hardship caused by previous proven fraudulent activity

7.0 Priority for award of EHP

- 7.1 The fund is cash limited, meaning that we are not able to make an award to all customers in receipt of support. Consequently, whilst claims from *any* customer will be considered, we have identified vulnerable customers whose claims will be given priority.
- Those at risk of homelessness;
 - Where the customer or members of their dependant family are sick or disabled and who are entitled to a disability premium; and
 - Where the household includes any children under 5 years old.

8.0 Guidelines for consideration

- 8.1 The following guidelines should be used to assess each case. The list is not exhaustive but will give a starting point to ensure consistent and transparent decision making.
- Is the customer claiming all of the benefits that they are entitled to?
 - Is there danger of eviction and homelessness?
 - Are there any social or health problems currently being faced by the customer and/or their family that could cause them extra financial costs?
 - Does the customer or his dependant family have any income that is disregarded under the CTS? Is it reasonable to use that disregarded income to meet the shortfall?
 - Does the customer or his dependant family have any savings or capital?
 - Has the customer provided a budget statement showing his income and outgoings?
 - Is there evidence to show that the customers' financial situation has been caused by or worsened by non-priority expenditure?
 - Does the customer have any priority debts; these include Rent, Mortgage, fuel bills, arrears of maintenance, unpaid Income tax or VAT, and Television licence.
 - What is likely to happen to the family if an EHP is not awarded?
 - Are there any other fund/funding schemes available via Benevolent funds or charitable organisations that would be appropriate to use instead of an EHP.
 - Is it reasonable to award an EHP having regard to the amount of unallocated budget in the EHF?
- 8.2 The Council will not make any allowance for the following:
- Any loss resulting from the claimant's failure or delay in claiming any income to which they are entitled;
 - Any debt arising from overpayment/arrears of Council Tax;
 - Any debt, which, in the opinion of the Council arises from the financial imprudence of the claimant including proven fraud.

9.0 Decision

- 9.1 We will write to the customer advising them of the decision. The notification will contain the following information:

Award Made

- Period of the EHP award;
- Weekly amount of EHP;
- The customers right to ask for a review/appeal of the award and the time and manner of doing so; and
- The right of the Council to amend suspend or cancel a EHP when deemed necessary or appropriate.

Application Refused

- Reason for refusal; and
- The right of the customer to ask for a review/appeal of the award and the time and manner of doing so.

10.0 Start dates

- 10.1 The start date of the EHF payment will normally be from the Monday following the date the written request was received. If a claim is received at the same time as a CTS claim the start date of the EHF can be matched to the start of CTS award.

11.0 Length of award

- 11.1 When considering an EHP claim it should be taken into account that the EHP scheme should in most cases be seen as a short-term emergency fund. Customers must be made aware that they must seek advice with regard to their housing needs and ways to manage financially in the long term. EHPs cannot be paid indefinitely.

12.0 Payments

- 12.1 An award of EHP will be paid directly into the customer's Council Tax account.

13.0 Change in circumstance

- 13.1 Customers must report immediately, in writing, any change in circumstance that might affect the amount of EHP they get. Examples of these changes include:
- If they change address;
 - If they leave their home temporarily;
 - If their income changes;
 - If the household make up changes.

14.0 Fraud and overpayments

- 14.1 The Council is committed to protect public funds and ensure funds are awarded to the people who are rightfully eligible to them.
- 14.2 An applicant who tries to fraudulently claim an EHP by falsely declaring their circumstances, providing a false statement or evidence in support of their application, may have committed an offence under The Fraud Act 2006.
- 14.3 Where the Council suspects that such a fraud may have been committed, this matter will be investigated as appropriate and may lead to criminal proceedings being instigated.
- 14.4 We may seek recovery of an overpaid EHP in certain circumstances:
- Misrepresentation or failure to disclose a material fact, fraudulently or otherwise;
 - An error made when the claim was determined.

15.0 Reviews

- 15.1 Customers can request a review of EHP decisions. They must do this in writing within one month of the date they are notified of the decision. The customer (or appointee) must sign the review request letter. Late requests will be only considered where the Council is satisfied that there

were good reasons for the delay.

- 15.2 If a review is requested regarding the decision this will be looked at by a Senior Officer who was not involved in the original decision. The customer will be notified of the outcome of the review within 14 days.
- 15.3 Following the review the customer can submit an appeal if he remains dissatisfied with the outcome of the review. The appeal will be dealt with by the Head of Service, and that decision will be final. The customer will be notified of the outcome of the appeal within 14 days.
- 15.4 Once the review has been completed, the officer will write to the customer informing them of the decision within one week.
- 15.5 The customer has no further right of review against this decision. However, applicants may still seek a Judicial Review of the Authority's decision.

The scheme for pension age applicants – Central Government’s scheme as defined by the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012

- 1.4 There are three main classes under the prescribed pension credit age scheme, for each of which there are a number of qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction, such as a person subject to immigration control with limited leave to remain.
- (1) In this scheme—
- (a) a person is a “pensioner” if—
 - (i) he has attained the qualifying age for state pension credit; and

- (ii), he is not and, if he has a partner, his partner is not—
 - (aa) a person on income support, on an income-based jobseeker's allowance or on an income-related employment and support allowance, or
 - (bb) a person with an award of universal credit; and
- (b) a person is a "person who is not a pensioner" if—
 - (i) he has not attained the qualifying age for state pension credit; or
 - (ii) he has attained the qualifying age for state pension credit and he, or if he has a partner, his partner, is—
 - (aa) a person on income support, on an income-based jobseeker's allowance or on an income-related employment and support allowance, or
 - (bb) a person with an award of universal credit.
- (2) For the purposes of sub-paragraphs (a)(ii)(bb) and (b)(ii)(bb) in paragraph (1) an award of universal credit is to be disregarded during:
 - (a) during the relevant period; or
 - (b) where regulation 60A of the Universal Credit (Transitional Provisions) Regulations 2014 applies in respect of the award the relevant period.
- (3) In this scheme—
 - "assessment period" has the same meaning as in the Universal Credit Regulations 2013;
 - "relevant period" means the period beginning with the day on which P and each partner of P has attained the qualifying age for state pension credit and ending with the day on which the last assessment period for universal credit ends

The three prescribed classes are as follows;

Class A: pensioners whose income is less than the applicable amount.

On any day Class A consists of any person who is a pensioner:

- d. whose income for the relevant week is greater than his applicable amount calculated in accordance with paragraph 9 and Schedule 2 to the Local Government Finance Act 1992;
- e. in respect of whom amount A exceeds amount B where:

1.5 For those who have reached the qualifying age for state pension credit, the Council has resolved to enhance the government scheme (as defined by the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012 to disregard in full the following:

- a. a war disablement pension;
- b. a war widow's pension or war widower's pension;
- c. a pension payable to a person as a widow, widower or surviving civil partner under any power of His Majesty otherwise than under an enactment to make provision about pensions for or in respect of persons who have been disabled or have died in consequence of service as members of the armed forces of the Crown;
- d. a guaranteed income payment;
- e. a payment made to compensate for the non-payment of such a pension or payment as is mentioned in any of the preceding sub-paragraphs;

(c) where the authority has requested further information, the authority receives at its offices the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.

69A.6 Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under that authority's scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority must treat the application as having been made on the day on which the liability for the tax arises.

69A.7 Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under the authority's scheme in the reduction week immediately following the date of his application, but the authority is of the opinion that unless there is a change of circumstances, he will be entitled to a reduction under its scheme for a period beginning not later than;

(a) in the case of an application made by;

(i) a pensioner, or

(ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit, the seventeenth reduction week following the date on which the application is made, or

69A.8 In this paragraph "appropriate DWP office" means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims of income support, a job seekers allowance or an employment and support allowance.

71.0 Use of telephone provided evidence

71.1 The authority may accept such evidence to support the claim by telephone where it feels that this would be acceptable given the nature of the claim.

72.0 Information and evidence²⁰

72.1 Subject to sub-paragraph (3), a person who makes an application for a reduction under an authority's scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

72.2 This sub-paragraph is satisfied in relation to a person if—
(a) the application is accompanied by;

72.5 Nothing in this paragraph requires a person who is a pensioner to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

72.6 Where the authority makes a request under sub-paragraph (4), it must;
(a) inform the applicant or the person to whom a reduction under its scheme has been awarded of his duty under paragraph 9 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and

73.0 Amendment and withdrawal of application²¹

- 73.1 A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.
- 73.2 Where the application was made by telephone the amendment may also be made by telephone.
- 73.3 Any application amended is to be treated as if it had been amended in the first instance.
- 73.4 A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.
- 73.5 Where the application was made by telephone, the withdrawal may also be made by telephone.
- 73.6 Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.
- 73.7 Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

74.0 Duty to notify changes of circumstances²²

- 74.1 Subject to sub-paragraphs (3), (6) and (7), an applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time;
- (a) between the making of an application and a decision being made on it, or
 - (b) after the decision is made (where the decision is that the applicant is entitled to a reduction under the authority's scheme) including at any time while the applicant is in receipt of such a reduction.
- 74.2 The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under the authority's scheme (a "relevant

(c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

74.3 The duty imposed on a person by sub-paragraph (1) does not extend to notifying.

(a) changes in the amount of council tax payable to the authority;

(b) changes in the age of the applicant or that of any member of his family;

(c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under the authority’s scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

74.4 For the purposes of sub-paragraph (3)(c) “relevant benefit” means income support, an income-based jobseeker’s allowance or an income-related employment and support allowance or universal credit.

74.5 Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;

74.8 In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only a savings credit must also report—

(a) changes affecting a child living with him which may result in a change in the amount of reduction under the authority’s scheme allowed in his case, but not changes in the age of the child;

(b) any change in the amount of the applicant’s capital to be taken into account which does or may take the amount of his capital to more than £16,000;

(c) any change in the income or capital of;

(i) a non-dependant whose income and capital are treated as belonging to the applicant; or

(ii) a person to whom their partner is treated as member of the household,

and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

74.9 A person who is entitled to a reduction under the authority’s scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

74.10 All changes in circumstances should be notified to the authority in writing (or by whatever format agreed by the authority) within one calendar month of the happening of the event or

change in circumstance. This timescale may be extended at the discretion of the authority. Where such a change is not received within that timescale and where the change would increase the level of reduction payable, the authority may use a date later than the actual change of circumstances.

75.1 The authority must make a decision on an application under its scheme within 14 days of paragraphs 4 and 7 and section 69 being satisfied, or as soon as reasonably practicable thereafter.

76.1 The authority must notify in writing any person affected by a decision made by it under its scheme;

(a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;

(b) in any other case, within 14 days of that decision or as soon as reasonably practicable thereafter.

76.2 Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement;

(a) informing the person affected of the duty imposed by 74.1;

(b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and

(c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

76.3 Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement as to how that entitlement is to be discharged.

76.4 In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in the authority's scheme relating to the procedure for making an appeal.

76.5 A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

76.6 The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

76.7 For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under its scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (8).

(c) a person appointed by the authority to act for a person unable to act.

77.0 Time and manner of granting council tax reduction²⁵

77.1 Where a person is entitled to a reduction under this authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year ("the chargeable year"), the authority must discharge his entitlement;

- (a) by reducing, so far as possible, the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers; or
- (b) where;
 - (i) such a reduction is not possible; or
 - (ii) such a reduction would be insufficient to discharge the entitlement to a reduction under the authority's scheme; or
 - (iii) the person entitled to the reduction is jointly and severally liable for the council tax and the authority determines that such a reduction would be inappropriate, by making payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

77.2 The authority must notify the person entitled to a reduction under this scheme of the amount of that reduction and how his entitlement is to be discharged in pursuance of paragraph (1).

77.3 In a case to which paragraph (1)(b) refers;

- (a) if the amount of the council tax for which he remains liable in respect of the chargeable year, after any reduction to which sub-paragraph (1)(a) refers has been made, is insufficient to enable his entitlement to a reduction under the authority's scheme in respect thereof to be discharged, upon the final instalment of that tax becoming due any outstanding reduction;
 - (i) must be paid to that person if he so requires; or
 - (ii) in any other case must (as the authority determines) either be repaid or credited against any subsequent liability of the person to make a payment in respect of the authority's council tax as it has effect for any subsequent year;
- (b) if that person has ceased to be liable for the authority's council tax and has discharged the liability for that tax, the outstanding balance (if any) of the reduction under the authority's scheme in respect thereof must be paid within 14 days or, if that is not reasonably practicable, as soon as practicable thereafter
- (c) in any other case, the reduction under the authority's scheme must be paid within 14 days of the receipt of the application at the offices of the authority or, if that is not reasonably practicable, as soon as practicable thereafter.

of a reduction must be made to that person.

- 78.2 Where a person other than a person who is entitled to a reduction under this authority's scheme made the application for the reduction and that first person is a person acting pursuant to an appointment or is treated as having been so appointed, the amount of the reduction may be paid to that person.

79.0 Shortfall in support / reduction²⁷

- 79.1 Where, on the revision of a decision allowing a reduction under the authority's scheme to a person, it is determined that the amount allowed was less than the amount to which that person was entitled, the authority must either;
- (a) make good any shortfall in reduction which is due to that person, by reducing so far as possible the next and any subsequent payments he is liable to make in respect of the council tax of the authority as it has effect for the chargeable financial year until that shortfall is made good; or
 - (b) where this is not possible or the person concerned so requests, pay the amount of any shortfall in reduction due to that person within 14 days of the revision of the decision being made or if that is not reasonably practicable, as soon as possible afterwards.

80.0 Payment on the death of the person entitled²⁸

- 80.1 Where the person entitled to any reduction under this scheme has died and it is not possible to award the reduction which is due in the form of a reduction of the council tax for which he was liable, the authority must make payment of the amount of the reduction to his executor or administrator in accordance with regulation 58(4) of the Council Tax (Administration and Enforcement) Regulations 1992.

81.0 Offsetting

- 81.1 Where a person has been allowed or paid a sum of council tax reduction under a decision which is subsequently revised or further revised, any sum allowed or paid in respect of a period covered by the subsequent decision shall be offset against arrears of entitlement under the subsequent decision except to the extent that the sum exceeds the arrears and shall be treated as properly awarded or paid on account of them.

82.0 Payment where there is joint and several liability²⁹

- 82.1 Where;
- (a) a person is entitled to a reduction under the authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year;
 - (b) the person entitled to the reduction is jointly and severally liable for the council tax; and
 - (c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992(7) refers would be inappropriate,
- it may make a payment to him of the amount of the reduction to which he is entitled, rounded where necessary to the nearest penny.
- 82.2 Subject to sub-paragraph (3) any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.
- 82.3 Where a person other than a person who is entitled to a reduction under the authority's scheme made the application and that first person is a person acting pursuant to an

**REPORT of
DIRECTOR OF STRATEGY AND IMPROVEMENT**

**to
STRATEGY AND RESOURCES COMMITTEE
19 MARCH 2026**

PROJECT MANAGEMENT OFFICE AND PROCESS IMPROVEMENT FRAMEWORK

1. PURPOSE OF THE REPORT

- 1.1 To provide the Corporate Project Management Office (PMO) and Improvement Framework (the Framework) for Committee review and adoption.

2. RECOMMENDATIONS

- (i) That the PMO and Improvement Strategic Framework (**APPENDIX 1**) be adopted;
- (ii) That the Framework is presented to Overview and Scrutiny Committee for awareness and to highlight the resource that can support improvements.

3. SUMMARY OF KEY ISSUES

- 3.1 The Council adopted a Process Improvement Framework in 2021 which set out how it would use improvement methodologies to improve productivity as a Council.
- 3.2 Additionally in the 2024 / 25 budget setting process, the PMO and Process Improvement resource was combined for the authority to contribute a staffing cost saving. The Framework which was adopted in 2024 included how the PMO approach is set out for the Council, and an approach to delivery within the team resource. Within the Framework, the delivery also links to the [Data Management and Insight Strategy](#) and the Technology Strategy for Maldon District Council (MDC), which are core documents that define the path of our improvement work and focus as a Council. Delivery of a robust project approach and a continuous improvement methodology also helps the Council to demonstrate corporate Value for Money.
- 3.3 The Framework document at **APPENDIX 1** is an update to the 2021 and 2024 documents and builds on the learning and achievements of the last five years of activity.
- 3.4 Following recent organisational changes and upcoming Phase 2 of transforming together, job descriptions are expected to include ongoing process improvement. The improvement team will support all teams with process enhancements, deliver major initiatives, oversee PMO governance, support delivery of Local Government Reorganisation (LGR), and provide necessary documentation and guidance.
- 3.5 As we progress with LGR preparations, the Framework now includes the method of approach to continue to deliver PMO and Process Improvement functions.

- 3.6 With the upcoming work of LGR the improvement and PMO team will be a key resource to support delivery of the changes. The new strategy highlights this, and how this may have an impact on the future workplan. Potential resource implications will also be highlighted through the Council's budget setting process.
- 3.7 The four Member champions appointed to work with the PMO and improvement team have been included in the review of the framework. It was suggested by this group that a better link could be made to Overview and Scrutiny work, as a resource that can assist with improvement reviews. It is therefore included in this report recommendations that the framework is presented to the Overview and Scrutiny Committee to raise awareness.

4. CONCLUSION

- 4.1 Building on best practice and aligning with MDC's Corporate Plan, the PMO and Process Improvement Framework is presented to Strategy and Resources committee for member adoption.

5. IMPACT ON PRIORITIES AS SET OUT IN THE CORPORATE PLAN 2025 - 2028

5.1 Supporting our communities

- 5.1.1 This framework helps to define how the Council will drive efficiency and deliver more accessible services to our communities.

5.2 Investing in our District

- 5.2.1 The framework defines how the PMO supports delivery of investment driven projects.

5.3 Delivering good quality services

- 5.3.1 A key objective of Projects and Improvements is providing better quality services for residents.

6. IMPLICATIONS

- (i) **Impact on Customers** – A key objective of Projects and Improvements is better service delivery for our residents.
- (ii) **Impact on Equalities** – None.
- (iii) **Impact on Risk (including Fraud implications)** – A methodical approach to projects and improvements and clear governance / challenge of this helps to limit corporate risk.

PMO and Process Improvement Framework

The 'Project Management Office (PMO) and Process Improvements' programme is a pivotal function within the Council, dedicated to supporting corporate Value for Money. The primary aim of PMO is to reduce project failure and to ensure that all initiatives are delivered effectively, within budget, and aligned to agreed timelines and outcomes. Process Improvement additionally implements new processes and reduces inefficiency in existing processes to ensure we deliver the best services possible. This framework outlines the core functions and approaches that underpin the service, detailing how it supports wider Council activities and delivers value across the organisation.

1. Management of Project Management Office

The MDC Project Management Office (PMO) is dedicated to delivering projects with professionalism, efficiency, and transparency. The Project Management Guidance Document (Appendix A) outlines the key principles, processes, and governance structures of the PMO, including addressing recent audit recommendations to ensure excellence in project delivery. Key principles of our PMO approach are:

- **Strategic Alignment:** All projects must support the Council's strategic objectives and priorities.
- **Stakeholder Engagement:** Active communication and involvement throughout the project lifecycle.
- **Transparency and Accountability:** Clear records, open reporting, and defined responsibilities ensure confidence in project delivery.
- **Continuous Improvement:** Regular reviews, feedback, and adoption of best practices drive ongoing enhancement of project management processes.
- **Risk Management:** Proactive identification, assessment, and mitigation of risks to protect project value and outcomes.
- **Key Milestones:** Are identified, are realistic and documented at the beginning of each project to help track progress effectively.
- **Project Baseline:** Is established to measure performance and ensure alignment with our objectives.
- **Contingency Planning and Risks:** Adequate contingency plans are in place to manage any unforeseen delays, risks or issues.

2. Management of Continual Process Improvement

Process improvement is defined as the proactive task of identifying, analysing, and enhancing existing business processes to optimise performance and meet evolving standards of quality. The Process Improvement Guidance Document ([Appendix B](#)) is built on the principles of customer-centricity, efficiency and effectiveness, continuous learning and data-driven decision-making. They are:

- **Strategic Alignment:** Every process improvement initiative is chosen to support the Council's overarching strategic objectives, ensuring resources are directed where they deliver the greatest impact.

- **Stakeholder Engagement:** Lean Six Sigma (a data driven methodology used to improve business processes) emphasises the active involvement of all stakeholders, including service users, process owners, and leadership, throughout each stage of improvement to foster buy-in and gather diverse insights.
- **Transparency and Accountability:** Clear documentation, open reporting, and well-defined responsibilities underpin every improvement project, building trust and enabling effective monitoring of progress.
- **Continuous Improvement:** Teams are encouraged to continually identify and implement further enhancements.
- **Data-Driven Decision-Making:** Decisions are based on robust data analysis, a core Lean Six Sigma principle, ensuring improvements are evidence-based and measurable in terms of outcomes.
- **Process Standardisation:** Standardising processes helps to eliminate variation and waste, supporting consistent quality and efficiency across services.
- **Customer-Centricity:** The voice of the customer is central, with improvements designed to enhance user experience and satisfaction, reflecting Lean Six Sigma's focus on value from the customer's perspective.
- **Key Milestones:** Realistic milestones are set and documented at the outset, providing clear checkpoints to monitor progress and maintain momentum.

3. Key Performance Indicators (KPIs)

The effectiveness of both the Project Management Office and the Improvement Management functions are monitored and evidenced through a structured KPI framework, split into strategic and service reporting.

Strategic Reporting:

- KPIs for PMO & Improvement Management (IM) are integrated into the Council's balanced scorecard and reported to the Performance, Governance & Audit (PG&A) Committee via exception reports. For example, number of improvements delivered, time saved, and number of identified future improvements.

Service Reporting:

- **PMO - Headline & Insights Report:** Provides strategic insights to inform decision-making at the organisational level.
- **PMO - Highlight Reports:** Supports project-level decision-making with key updates and progress summaries.
- **Improvement Management Success Reporting:** Tracks and measures the success of projects and improvement initiatives, focusing on benefits realisation via the success measured quarterly reporting and the customer star rating monthly reporting.
- **Improvement Management KPI (2025):** Improve 12 process within 12 months.
- These reports are available/ regularly reported to our Senior Leadership Team (SLT) to inform service challenge and improvement.

4. Future Direction and Impact of Local Government Reform (LGR)

Looking ahead, both the Project Management Office and Improvement Management functions are prepared to evolve in response to changing organisational priorities and

external influences. One of the most significant factors will be the ongoing Local Government Reform (LGR), which is expected to bring about changes in governance structures, service delivery models, and resource allocation.

The LGR could prompt a realignment of priorities, increased collaboration across departments, and a greater emphasis on digital transformation and customer engagement.

As a result, the way in which these services are provided may shift towards more agile, responsive, and integrated approaches. We will continue to use prioritisation to inform the work planning of the teams, to ensure this is approached in a measured way.

The PMO and Improvement Management teams will be prepared to adapt their frameworks, embrace new technologies, and foster a culture of continuous improvement to ensure they continue to deliver value and support organisational objectives in a rapidly changing environment as a result of LGR.

Over the next few years, ongoing monitoring and review of KPIs will be essential to track progress and identify opportunities for further enhancement. Stakeholder feedback and lessons learned from the LGR process will inform future strategies, helping to ensure that both functions remain aligned with the needs of the Council and the communities it serves.

Appendix A

MDC Project Management Office Guidance Document

Setting standards in Project Management across the organisation and keeping in mind constraints such as Time, Cost, Quality, Risk, Benefit and Scope.

1. Project Definition and Classification

To ensure clarity and appropriate management, all projects must be clearly defined and classified at initiation. The PMO team will review and challenge documentation, and work with project managers to ensure this is in place.

It should be noted that business as usual projects are ongoing operational activities that maintain and improve existing processes, systems, and services. The majority of these will be managed in service and not require PMO reporting.

1.1 Project Definition

Each project must have:

- Clear objectives and scope
- Defined deliverables
- Specified start and end dates
- Identified stakeholders and governance structures
- Budget and a delivery plan identified

1.2 Project Classification

Projects are classified based on their nature, complexity, and strategic impact. The following criteria apply:

- **Capital Projects:** Initiatives involving the creation, acquisition, or improvement of long-term assets such as infrastructure, buildings, or equipment. Capital projects typically involve significant investment, long timelines, and compliance with capital governance frameworks.
- **Commercial Projects:** Projects focused on revenue generation, service delivery, or the development of commercial ventures, including partnerships, new business lines, and market expansion. These projects are assessed based on business viability, return on investment, and market opportunity.
- **Business as usual projects** are ongoing operational activities that maintain and improve existing processes, systems, and services. Unlike capital or commercial projects, which involve significant investments and aim to generate new revenue, BAU projects focus on sustaining day-to-day operations. These tasks include routine maintenance, Business system updates, compliance activities, and minor enhancements. They are typically funded through operational budgets and are essential for ensuring stability, reducing risks, and maintaining service quality.
- **High risk vs low risk:** The PMO has two business cases to support in the categorisation of project risk which are available on the PMO SharePoint -

Low Risk project: Routine Projects, Limited Stakeholder Involvement, low impact to business operations, low risk to organisation reputation.

High Risk project: Extensive Stakeholder Involvement, high impact to business operations, high risk to organisation reputation, High member involvement, legal implications i.e. legislative requirements. When the business case is submitted to the PMO, the PMO board will review the risk level selected and confirm if the high risk or low risk Business case would be more appropriate for the respective project.

Other project types may be defined as needed, with clear criteria documented in the PMO manual. All projects must be categorised at initiation to ensure appropriate management and reporting.

2. Roles and Responsibilities

To ensure accountability and clarity, roles and responsibilities for all project team members are defined as follows:

- **Project Sponsor:** Provides strategic direction, secures funding, and champions the project at the executive level. Challenges delivery and offers strategic solutions as required.
- **Project Manager:** Leads the project, responsible for planning, execution, monitoring, closure, and delivery of outcomes to agreed standards.
- **Project Team Members:** Carry out tasks and deliverables as assigned, contributing expertise and collaborating to achieve project objectives.
- **Stakeholders:** Individuals or groups affected by or influencing the project; their interests must be identified and managed throughout the project lifecycle.
- **PMO:** Provides guidance, tools, standards, and oversight, ensuring projects comply with established processes and best practices.
- **Governance Boards (SLT and Project Delivery):** Oversee strategic alignment, resolve escalated issues, and authorise key decisions.

3. Key PMO Processes

- **Project Initiation:** Develop business case, define scope, classify project, assign roles, complete feasibility and stakeholder analysis, and obtain approvals including budget/finance.
- **Project Planning:** Create a detailed project plan and schedule, allocate resources, identify risks, and establish communication protocols.
- **Project Execution:** Coordinate tasks, assure quality, manage changes, and monitor performance against the plan.
- **Project Monitoring and Control:** Track progress, report status, analyse variances, manage issues and risks, and ensure transparency.
- **Project Closure:** Deliver final outputs, conduct performance review, capture lessons learned, and archive documentation.

4. PMO Tools and Templates

The PMO provides standardised templates and tools to support all project phases, these are available on the PMO SharePoint.

5. Project Management App

All projects under the PMO's oversight are managed through the project management app. Project managers are required to upload all project information, submit monthly highlight reports, change requests, closure reports, and benefits realization.

Available on Microsoft teams Power Apps

6. PMO Governance Structure

Oversight and decision-making are maintained throughout:

- SLT Governance Board: Strategic guidance and escalation resolution (monthly) – Chief Executive plus Directors
- Project Delivery Board: Oversight of project delivery and alignment (monthly) – Heads of Service PMO: Standards, support, and compliance monitoring

7. PMO process maps

You can view the process maps detailing MDC's PMO governance process on the PMO SharePoint.

Conclusion

By incorporating clear project definitions, classification criteria, and defined roles and responsibilities, the MDC PMO ensures that all projects are categorised and managed appropriately. This approach supports recent audit recommendations, improves accountability, and underpins effective delivery of strategic and operational Value for Money in the Council and the communities it serves.

Appendix B

MDC Process Improvement Guidance Document

1. Purpose and Principles

This framework is built on the principles of:

- **Customer-centricity**
- **Efficiency and effectiveness**
- **Continuous learning**
- **Data-driven decision-making**

2. Team Structure and Governance

- **Core Team:** Currently two dedicated roles, including 1.5 FTE specialist officers.
- **Delivery Teams:** Formed per project, including Subject Matter Experts (SMEs) from relevant service areas and we hope to include dedicated continuous improvement staff.
- **Leadership Oversight:** Senior Leadership Team (SLT) review progress and ensure alignment with strategic goals via PMO and receive regular KPI reporting to allow oversight and challenge of service level improvements.

3. Improvement Pathways

Three pathways allow flexibility based on project complexity:

- **Self-Serve:** Teams use templates and training to lead their own improvements.
- **Supported:** Process Improvement Specialists guide quick wins which can include building online forms, facilitating workshops and producing documentation.
- **Managed:** Full DMAIC cycle (Define, Measure, Analyse, Improve, Control) or Agile approach for complex projects.

4. Prioritisation and Proactive Approach

- **Proactive Approach:** We aim to have dedicated staff with continuous improvement responsibilities within each service area to work with the Process Improvement Team.

We will use a service dependant process list (found on SharePoint) to begin this approach, ensuring standardised process documentation and process ownership confirmation, this will also prepare us for LGR.

Monthly review of projects and improvements with Directors.

- **Scoring Matrix:** Projects are evaluated using weighted criteria such as customer impact, statutory need, volume, and process mistakes (defects).
- **Feedback Channels:** Staff and customer feedback forms feed into prioritisation.
- **Member Champions:** Councillors provide customer insight and help shape priorities.

5. Standardise Process Documentation

- **Map current processes:** Use tools like Visio and excel to produce As Is, Value Stream and To Be process maps.
- **Identify pain points:** Look for bottlenecks, blockages, and non-value-adding steps documented via the A3 document.
- **Maintain a central repository:** Ensure easy access to process documentation for transparency and consistency.

6. Training and Capacity Building

- **Foundation improvement training (White and Yellow Belt) :** Delivered to staff and included in onboarding packs to new members of staff.
- **Advanced Improvement Champions (Green Belt):** Delegates across service areas lead local improvements and share learnings, which we will aim to be built into job descriptions for dedicated continuous improvement staff.

7. Tools and Technology

- **Online Forms:** Used for customer-facing process redesign.
- **Automation and Integration:** Focus on reducing manual interventions and improving back-office efficiency, utilising current technologies such as the Microsoft suite and form integrations.
- **Power BI and GIS:** Used for data visualisation and spatial analysis in improvement projects.

8. Monitoring and Reporting

- **Programme Reporting:** Regular updates to SLT leadership and governance boards via PMO.
- **Benefit Realisation:** Measurement of outcomes, including cost savings, time reduction, and customer satisfaction.

**REPORT of
HEAD OF ASSETS, COAST AND COUNTRYSIDE**

**to
STRATEGY AND RESOURCES COMMITTEE
19 MARCH 2026**

**LEASE EXTENSION AND CONSOLIDATION OF UNIT 2 SPRINGFIELD INDUSTRIAL
ESTATE, BURNHAM-ON-CROUCH**

1. PURPOSE OF THE REPORT

- 1.1 Request for a lease extension for Unit 2 Springfield Industrial Estate to enable the consolidation of three existing leases, Unit 2, Unit 2A and Additional Land at Springfield Industrial Estate into one formal lease agreement.

2. RECOMMENDATION

That the Council agrees for a new lease for Unit 2 Springfield Industrial Estate for a term of 90 years.

3. SUMMARY OF KEY ISSUES

- 3.1 The Council owns Springfield Industrial Estate Burnham-on-Crouch.
- 3.2 The Council entered into an 85-year lease for Unit 2A an extension of Unit 2, Springfield, commencing on 6 November 1989. There are currently 49 years remaining on the lease.
- 3.3 The original lease for Unit 2 of Springfield Industrial Estate was for a term of 85 years, commencing on 1 November 1973 and set to expire in October 2058. Subsequently, a lease for the adjoining area, referred to as the "Additional Yard," was agreed upon, commencing on 1 January 2014 and expiring in October 2060. Both leases now have less than 40 years remaining.
- 3.4 The Council has received a request from the leaseholder, SBA Investments of the three current leases, requesting that these leases are combined and extended for a term of 90 years.
- 3.5 The Leases were not contracted out of the Landlord and Tenant Act 1954 when they were completed. The Tenant therefore has an automatic right to renew their agreements when they expire.
- 3.6 While the rental figure is currently reviewed every ten years officers would recommend that a new valuation is carried out for the combined area to allow the new agreement to begin at a current market value.
- 3.7 Granting one lease allows the terms to be aligned and reduces the administrative burden on both the authority and the leaseholder as only one agreement will need to be monitored, rent paid and reviews carried out.

- 3.8 Businesses require long term security of a premises in order to invest in their business and make long term investment and growth plans. It is anticipated that as all the current leases were entered into around the same time period the Council can expect to receive a number of these requests over the coming months.
- 3.9 Members agreed a similar extension request at a meeting of the Strategy and Resources Committee on 2 October 2025 and granted officers delegated authority for the approval of lease extensions for any other units at the Business Park where the remaining lease term is less than 40 years.
- 3.10 In this case the remaining term of one of the leases is over 40 years and therefore this delegation does not apply.

4. CONCLUSION

- 4.1 The granting of a new lease will provide a long-term income to the Council at a market value while also providing security for the business that occupies this Unit.

5. IMPACT ON PRIORITIES AS SET OUT IN THE CORPORATE PLAN 2025 - 2028

5.1 Growing our economy

- 5.1.1 Proving long term security for businesses allows the businesses to make long term investment plans which will support business growth within the district.

6. IMPLICATIONS

- (i) **Impact on Customers** – Providing a delegated authority will ensure a quicker decision-making process for our tenants who wish to extend their lease.
- (ii) **Impact on Equalities** – None.
- (iii) **Impact on Risk (including Fraud implications)** – None.
- (iv) **Impact on Resources (financial)** – A valuation will ensure the Council is obtaining a current market rental value and the rent review will ensure that this is reflected throughout the term of the lease. The new lease will ensure a long-term income for the Council.
- (v) **Impact on Resources (human)** – The legal work will be undertaken in house.
- (vi) **Impact on Devolution / Local Government Reorganisation** – Any lease that is entered into at this point will be novated (transferred) to any new authority as part of the legal devolution process. The current leaseholders have an automatic right to renew their lease and so any new authority would be bound by this legal obligation in the future irrespective of this decision.

REPORT of DIRECTOR OF FINANCE

to
STRATEGY AND RESOURCES COMMITTEE
19 MARCH 2026

BUDGET MONITORING REPORT – PERIOD 9 (END DECEMBER 2025)

1. PURPOSE OF THE REPORT

- 1.1 To provide Members of the Committee with an updated financial position for the Council for the period ended 31 December 2025 (Period 9, or Quarter 3).
- 1.2 This matter is brought forward for consideration with the agreement of the Chairman so that the Council has clarity on its financial position, considering revenue budgets, capital investment, reserves, and cashflow.

2. RECOMMENDATIONS

That the Committee:

- (i) notes that the forecast revenue expenditure outturn as at 31 December 2025 is £20k over budget against the net service budget of £14.114m; also that the improved income position in a number of areas means that use of general reserves can be avoided. Further information can be found at section 3 and **APPENDIX 1** along with reasons for significant variances.
- (ii) notes the forecast capital expenditure outturn as at 31 December 2025 which is for a total capital programme delivery of £5.654m against revised budget of £6.980m, and the details of schemes completed in the year so far (paragraph 3.3.4). Further information can be found at **APPENDIX 2** along with reasons for significant variances.
- (iii) approves the movements in Earmarked Reserves set out in **APPENDIX 3**;
- (iv) notes the revenue budget reconciliation between the opening and current budget in **APPENDIX 4**.

3. SUMMARY OF KEY ISSUES

- 3.1 The Period 9 Budget Monitoring report provides the financial forecast for the Council for the year ending 31 March 2026. It includes revenue and capital forecasts and the impact of those on retained reserves (General and Earmarked).
- 3.2 The report shows operational budget performance closely aligned to budget plans. This demonstrates the accuracy of the base budget position and the effectiveness of budget management by officers.

3.3 Revenue Budget Monitoring – Period 9

- 3.3.1 The forecast for the revenue budget projects an underspend of £161k against the 2025/26 budget for operating activities. This is largely due to budgeted income being higher than estimated for planning (£595k) and car parks (£80k). Favourable planning income is significantly affected by major planning applications received. Planning fee income is divided into pre-application advice, minor planning application, and major planning applications. Preapplication advice and minor applications are covered by a tariff, whereas planning fees for major applications are variable depending on the application size. Major planning applications are difficult to predict and this is probably an unusual year. Car parking income has been particularly strong considering that a number of charges were frozen in the current year. Estimated income assumed that the volume of activity would be stable, and so the lack of an inflationary increase would reduce overall potential income. In fact, actual parking volumes have exceeded the previous year with additional income as a result.
- 3.3.2 Increased planning fee income was included in the budget plans recently approved for the coming year. Parking fee income was also included, with a reduction as some tariffs were, again, recommended to be frozen at current rates. Actual performance against both income estimates will be monitored through the coming year.
- 3.3.3 Additional investment income has also been secured as a result of capital schemes requiring internal borrowing developing slower than previously estimated.
- 3.3.4 Operating costs are therefore forecast to be £392k below the net expenditure estimated in the budget. Combined with additional unbudgeted grant expenditure received of £160k, the planned use of £572k from general reserves included in the budget is no longer expected to be required, so is shown with a nil forecast. This means that general fund reserves will be retained at a higher level than previously estimated. Details are included at **APPENDIX 1**.

3.4 Capital Budget Monitoring – Period 9

- 3.4.1 The forecast for the capital budget projects an underspend of £1,324k against the revised 2025/26 Capital programme of £6,980k. The main project details can be found at **APPENDIX 2**. This is substantially unchanged from period 8.
- 3.4.2 Many capital projects get under way in the early part of the year. Completions tend to come through during the second half of the year. Schemes completed during the year to December 2025 are shown below. These were all completed within planned timescales and budgets. The demolition of the Hythe Quay classroom was brought forward for safety reasons.

3.5 Project delivery up to 31 December

3.6 Delivery against the five largest projects up to 31 December

- 3.6.1 Considering the top five schemes by value, the progress is shown below. Some works are already concluded while others will continue. The Blackwater Leisure Centre capital investment is linked to the leisure contract. Costs remain as originally agreed and as within the contract. The costs will be incurred in the current year and the following financial year. Actual costs attributable to the current year are estimated at £2.6m (as below) although, depending on progress, this may be up to £3.6m. This will not affect financing. Actual attribution of costs will be advised by the scheme quantity surveyor.

Capital Programme 2025/26	Budget (£000)	Outturn (£000)	Project Status
New Leisure Centre Facilities (BW)	3,946.0	2,600.0	In progress; timing of works before year end uncertain. Outturn may be up to £3.6m.

3.7 General Fund Creditors and Debtors

- 3.7.1 Payments to suppliers are usually undertaken as soon as the payment is authorised. This process was adopted during COVID and has not been rescinded. Current monthly performance shows that most invoices (99% or 100%) are paid immediately they are authorised. The Council does not delay payments for cashflow purposes.

- 3.7.2 Debt received for services provided by the council is monitored each month. Outstanding debt for general fund activities as at 31 December was £616k. Of this, £368k is 'new' debt raised within the month of December. Debts dated at more than 31 days ('overdue') amount to £247k. Debt being pursued (over 55 days) is £182,869. Of this, the majority (£88k) has been passed to a debt collection agency. £44k has a payment plan in place. £30k has been paid since 31 December.

Category	amount
All general fund debt at 31 December	£615,595
Of which	
- 30 days or less (not overdue)	£368,439
- 31 days or more (overdue)	£247,156
Overdue debt	
- 31-41 days	£10,669
- 41-55 days	£53,618
- 55+ days	£182,869
Overdue debt over 55 days old – action	
- Debt collection agency instructed	£88,532
- Payment plan in place	£43,731
- Legal action in hand	£21,574
- Paid since 31 Dec	£30,555
- Officer review	£12,577
- Account in credit	-£14,099

- 3.7.3 In terms of tax debt (not general debt), outstanding council tax debt in the collection fund at the start of the financial year was £2.6m, of which £2.1m arose within the last five years. Debt older than five years is £0.5m.
- 3.7.4 Debt written off by the Council is written off against the bad debt provision set up at the start of the year, which was £1,030k (note 13, 'debtors impairment allowance').

4. CONCLUSION

- 4.1 This report provides an update on the current financial performance of the council. It highlights that operational expenditure budgets are being well managed within allocated budget limits. In some areas, income received is exceeding previous estimates.
- 4.2 Debt due to the Council is held at a reasonable level with appropriate and proportionate action in place to secure unpaid debt where needed.
- 4.3 Capital schemes are being delivered largely within budget and time expectations, although some slippage on delivery to next year is anticipated.
- 4.4 Reserves are maintained at a robust level compared to estimated requirements.

5. IMPACT ON PRIORITIES AS SET OUT IN THE CORPORATE PLAN 2025 - 2028

5.1 Delivering good quality services

- 5.1.1 Regular reporting and monitoring of the Council's financial position is a key control in ensuring the Council makes the best use of its resources and is able to make informed decisions to support our residents.

6. IMPLICATIONS

- (i) **Impact on Customers** – None directly.
- (ii) **Impact on Equalities** – None directly.
- (iii) **Impact on Risk (including Fraud implications)** – None directly.
- (iv) **Impact on Resources (financial)** – The subject of this report.
- (v) **Impact on Resources (human)** – None directly.
- (vi) **Impact on Devolution / Local Government Reorganisation** – The financial position of the Council will be scrutinised in advance of reorganisation as part of planning for LGR delivery. This report is written with that scrutiny in mind.
