

Maldon Community Safety Partnership (CSP) - Promoting Road Safety and Challenging Irresponsible Driving

Objective	Outcome/Action	Timescale	Progress
Support and promote local Community Speed Watch	Work with local people, community groups and parish councils to recruit volunteers to operate Community Speed Watch in their areas to combat the issues of dangerous driving.	Ongoing	
Combat Street Racing and Dangerous Driving	Give consideration to the use of a Public Space Protection Order to tackle street racing and work with Essex Casualty Reduction Board to consider other enforcement tactics. Source funding to implement 'Tru Cam' specifically around Maldon Bypass	Consultation to commence following report to Community Services Committee - May 2016 Prepare bid to CDSF for Tru Cam for use within the District.	
Deliver Safer Parking around Schools Initiative	Approach all 19 primary schools in the District to display safer parking signs outside their schools during peak hours to encourage people to park appropriately and deter potentially endangering the lives of children entering/exiting the school.	Ongoing throughout 2016	
Work with the South Essex Parking Partnership and Chelmsford City Council on the School Parking Initiative.	Established in response to ongoing complaints around parking issues at schools. The aim is to challenge parking behaviour, change perceptions, reduce anti-social behaviour and improve community cohesion.	Prototype school has been selected and work will start on the 23 rd February 2016 and toolkit to be developed. Proposed roll out Autumn 2016.	
Effective use of Automatic Number Place Recognition (ANPR) in collaboration with Essex Police	Work with Essex Police to support the installation of ANPR for the Dengie Peninsular.	Essex Police project managing the scheme.
