

Maldon Community Safety Partnership (CSP) - Reducing Re-Offending

Objective	Action/Outcome	Timescale	Progress
To work with partners to provide an effective pathway to reduce re-offending	Engagement with probation services (National Probation Service and Essex Community Rehabilitation Company) and supporting initiatives such as Integrated Offender Management (IOM), Drug Testing on Arrest (DTOA) and Multi Agency Risk Assessment Conferences (MARAC)	Ongoing	
To support the structured alcohol intervention programme provided by Choices (Open and EYPDAS (Essex Young People's Drug and Alcohol Service)) and make referrals/signpost where appropriate	Promote the project in order to engage at risk individuals in terms of their substance misuse which in turn will lead to a reduction in reoffending.	Ongoing	
To promote the work of the Restorative Justice Hub in order to provide an effective response and victim led approach to resolving low level offending	Attendance at the LPA North Hub Operational Groups and encourage referrals from community safety partners.	Ongoing and attendance at quarterly meetings	
Statutory duty to complete a Domestic Homicide Review (DHR) if the victim lives in Maldon or has links to the district	To understand where there are lessons to be learned and make recommendations to prevent future homicides.	Reactive	
To meaningful interventions to reduce re-offending and encourage positive outcomes for those identified	To involve offenders in structured projects such as Community Payback or underpass refurbishment schemes – focus on hotspots and areas of identified risk	Ongoing and underpass programme approved for 2016/17	
Effective use of tools and powers to reduce re-offending	Effective and appropriate use of civil injunction, criminal behaviour orders, dispersal powers, public space protection orders, community protection notices and closure powers.	Ongoing	
Deliver education around reducing violent crime and encouraging young people to consider the consequences of their actions. Work in partnership with Chelmsford and Maldon Behaviour and Attendance Partnership (BAP)	<p>Commission Paul Hannaford to deliver workshop sessions around gang activity and knife crime to all secondary schools in Chelmsford.</p> <p>The education projects that the partnership delivers annually includes key messages around violent crime and encourages young people to consider the consequences of their actions.</p>	<p>Workshops commence at the end of February 2016</p> <p>Ongoing – Crucial Crew to be held in September 2016</p>	

Objective	Action/Outcome	Timescale	Progress
To ensure that a multi-agency response is provided to tackle emerging trends and threats and have action plans in place to deliver on current policing priorities	Effective joint working to support community safety partners to deliver on key areas of focus: <ul style="list-style-type: none">• Gangs and Vulnerability (Operation Saturn and Raptor)• Child Sexual Exploitation (CSE) – attendance at MACE, training and awareness• Modern Day Slavery – training and awareness• Prevent – training and awareness, and attendance at Chanel Panel as appropriate	Ongoing and quarterly attendance at strategic meetings
