

### Visitors Car Park Users and Likely Implications of Charging

Organisation	Persons affected by charges	Comments	Implications
Maldon District Council (MDC)	Visitors to the council for less than 10 minutes e.g. to pick up recycling sacks, drop off a form.	No charge for 10 minutes not affected	none
MDC	Ad hoc visitors to council offices	These customers will have to pay the charges	Loss of free parking
MDC	Visitors on business meeting with Officers	The Councils policy is that these visitors should be parking in the town centre and supplied with permits to park.	No change to existing arrangements
Organisations within the building	Citizens Advice Bureau Homestart Community Transport Police Provide Open Road One Support	These customers will have to pay the charges	Tenants of the MDC building will be impacted by loss of free parking for clients.
Walking Bus	Children that walk to Maldon Primary School	As there is nowhere to park near school several parents use MDC car park to drop off & Pick up children who walks to school.	Walking to school is something MDC is encouraging. A new charge for parents is likely to be unpopular.
Doctors Surgery	Patients & visitors to the pharmacy	This group of people are parking in the council's visitor's car park.	Visitors to the surgery and pharmacy may park further afield potentially causing congestion.
