REVIEW OF PERFORMANCE - QUARTER 3 2018/19

1. PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to supply Members with details of performance against targets set for 2018/19 and to ensure that progress is being achieved towards the overall corporate goals and objectives detailed in the Corporate Plan 2015-19 adopted by Council in February 2015, with the 2018/19 annual update approved by Council in February 2018.
- 1.2 Members should challenge performance or allocation of resources where the Committee feels that the Council's corporate goals have not or may not be achieved.
- 1.3 Where performance or progress is behind schedule or at risk, the reasons why need to be fully understood and decisions taken on what, if any, action is required to bring performance back on track.
- 1.4 The performance and risk information provided for each Directorate has been reviewed by the Directors to ensure progress is being achieved towards the corporate goals.

2. RECOMMENDATIONS

- (i) Members review the information as set out in this report and **APPENDIX 1** and their views and comments are sought.
- (ii) That Members review and/or scrutinise decisions made by, and the performance of, both Committees and Council Officers.
- (iii) That Members challenge performance or allocation of resources where the Committee feels that the Council's corporate goals may not be achieved.
- (iv) That Members question Members and Officers on decisions and performance, relating to comparisons with service plans and targets, or in respect of particular decisions, initiatives or projects.
- (v) That Members make recommendations to the Directors, the appropriate Committee and/or Council arising from the outcome of the scrutiny process.

3. SUMMARY OF KEY ISSUES

3.1 As reported to and agreed by Council in February 2018:

- i. For 2018/19 CLT, in liaison with the service managers, identified and proposed the KCAs that will contribute to the achievement of the corporate goals and objectives. These KCAs are the “flagship” activities under each goal that the Council is committed to progressing or achieving in the year ahead and will provide a focus for the Council in delivering its priorities.

As key projects, the KCAs will be subject to the Council’s agreed project management methodology and the performance of which will be monitored at a corporate level with quarterly reports submitted both to CLT and this Committee.

- ii. For 2018/19, activities that are either central to our corporate goals, but delivery of which is more dependent on partnership working or have particular organisational significance for this coming year, are being differentiated from the KCAs. These will be designated as “service priorities”.

These will be subject to regular updates to established working groups and the relevant Programme Committees in addition to progress being reported half yearly to this and the Programme Committees.

3.2 **APPENDIX 1** to this report shows the status of all Key Corporate Activities, but additional comments are only provided for those activities and indicators/measures that are behind schedule, at risk or not on target to facilitate the effective scrutiny of performance.

4. IMPACT ON CORPORATE GOALS

4.1 The Council stated its corporate goals and desired objectives in the Corporate Plan for 2015-19.

4.2 In turn, the Services agreed actions (Key Corporate Activities and Service Priorities) that they would take forward in 2018/19 to contribute to the achievement of these objectives. Performance indicators and measures were also established to monitor the impact of these actions and to provide evidence of achievements.

4.3 To ensure that Maldon District Council progresses towards or achieves the goals stated in the Corporate Plan, it is important that performance is monitored and managed effectively against targets and milestones.

4.4 As the Council is accountable to the community, it is also important that it is able to demonstrate it is monitoring and managing performance effectively.

5. IMPLICATIONS

- (i) **Impact on Customers** – Performance Management is about agreeing and achieving objectives and priorities, monitoring our performance against agreed targets and timescales, identifying opportunities for improvement, making necessary changes and ultimately delivering quality public services.
- (ii) **Impact on Equalities** – The Council aims to understand the needs of our staff and customers and making sure that our policies and services are designed to meet these needs and are implemented appropriately.

MDC is committed to providing equal opportunity of access to services and working towards developing communities that are free from discrimination.

Effective performance management will assist the Council in determining whether it is achieving this.

- (iii) **Impact on Risk** – If performance is not managed effectively by the Council at both Committee and management level, there is a risk that the Council will not achieve its stated priorities and objectives.
- (iv) **Impact on Resources (financial and human)** – If action is needed to bring key activities or indicators back on track to meet the targets set, a reallocation of resources may be required to ensure that objectives and priorities are achieved.
- (v) **Impact on the Environment** – None.
