Dear Sirs

**APPLICATION TO REVIEW PREMISES LICENCE 05/00766/LAPRE 208**

**PREMISES: Village Tandoori 11 High Street, Southminster, Maldon CM0 7AA**

I write to inform you of a couple of necessary corrections to our application to review the above premises licence that we notified to you with a covering letter dated 13<sup>th</sup> May 2019.

That covering letter had a typo that included the incorrect Premises Licence reference number. The correct reference number should have read as above.

The application is also signed and dated 13<sup>th</sup> September 2018. This date precedes the date of the executed warrant referred to in the application and therefore is clearly a further typo with the correct date that should have read 13<sup>th</sup> may 2019 as per our covering letter.

Please accept my apologies for this error. All other matters contained in the documents were correct.

Yours Faithfully

Nigel Dermott  
Chelmsford & Maldon Police Licensing Officer
