3. SUMMARY OF KEY ISSUES

3.1 The Maldon Council Corporate Plan 2019-23 was adopted by the Council at its meeting of 14 February 2019. The plan is based around three key themes:

- Place;
- Community;
- Prosperity.

3.2 It was also agreed within that the Corporate Plan would be underpinned by three thematic strategies corresponding to those themes. This report brings forward those three thematic strategies, that each outline the key priorities for each of the themes and identify the projects and strategies that will be developed to deliver those priorities.

3.3 The Thematic Strategies also set out the key measures by which we will be able to demonstrate that the outcomes are being delivered.

3.4 In May 2019, the Council appointed the Strategies Engagement Members Task and Finish Working Group which provided advice and input regarding the strategies and the performance measures.

- 3.5 More detailed information around delivery of services will be shaped by the thematic strategies but will be identified and reported at an internal lower level in the service plans.

4. CONCLUSION

- 4.1 The recommended documents will give details on how we will deliver the corporate plan and measure the success of delivery.
