Annual Minimum Revenue Provision Statement 2020/21

Where the Authority finances capital expenditure by debt, it must put aside resources to repay that debt in later years. The amount charged to the revenue budget for the repayment of debt is known as Minimum Revenue Provision (MRP), although there has been no statutory minimum since 2008. The Local Government Act 2003 requires the Authority to have regard to the Ministry of Housing, Communities and Local Government's *Guidance on Minimum Revenue Provision* (the MHCLG Guidance) most recently issued in 2018.

The broad aim of the MHCLG Guidance is to ensure that capital expenditure is financed over a period that is either reasonably commensurate with that over which the capital expenditure provides benefits, or, in the case of borrowing supported by Government Revenue Support Grant, reasonably commensurate with the period implicit in the determination of that grant.

The MHCLG Guidance requires the Authority to approve an Annual MRP Statement each year and recommends a number of options for calculating a prudent amount of MRP. The following statement is an option recommended in the Guidance

For assets acquired by leases, MRP will be determined as being equal to the element of the rent or charge that goes to write down the balance sheet liability.

Based on the Authority's latest estimate of its capital financing requirement (CFR) on 31st March 2020, the budget for MRP has been set as follows:

Replacement of debt finance in £ 000's

	2018 / 19 actual £000's	2019 / 20 forecast £000's	2020 / 21 budget £000's	2021 / 22 budget £000's	2022 / 23 budget £000's
