APPENDIX 2

Document	Applications that require this information	Information required	Where to look for further assistance	Policy Driver
<b>Landscape and visual appraisal</b>	<p>All applications that would impact on the character and visual amenity of the undeveloped coast, countryside or rural fringe.</p> <p>When outside the settlement boundary, all such applications will need to undertake a landscape baseline assessment incorporated into a Design and Access or Planning Statement.</p> <p>Where the impact is judged to need a more rigorous assessment, for instance where the proposal is for major residential development of 10 or more units or where the floor space to be created is greater than 1000m<sup>2</sup>, the application may require instead a formal Landscape and Visual Impact Assessment.</p>	<p>Baseline assessment – This is a factual description of the existing character, features and context of the site which can be used to inform the design of the proposal so that, for instance, the proposals conserve the onsite landscape features or ensure the development does not impact visually on the open countryside. The baseline assessment should consider existing designations, national and local landscape character assessments, topography, landscape features, land uses, views and local materials.</p> <p>Landscape and Visual Impact Assessments are more detailed and technical studies and should be carried out by a suitably qualified landscape professional, in line with current guidelines.</p>	<p>Guidelines for landscape and Visual Impact assessment, 3<sup>rd</sup> Edition; Landscape Institute and I.E.M.A.</p> <p>Braintree, Brentwood, Chelmsford, Maldon and Uttlesford Landscape Character Assessments</p> <p>Natural England National Character Area profiles: data for local decision making</p>	<p><a href="#">National Planning Policy Framework</a></p> <p><a href="#">Maldon District Local Development Plan 2014-2029</a></p>
<b>Landscape Strategy</b>	<ul style="list-style-type: none"> <li>• Hard and soft landscape strategies are required for: All applications for major residential development</li> <li>• Major commercial developments</li> </ul>	<p>The landscape strategy shall cover all public and private spaces including open space, sports pitches and play facilities, green infrastructure, biodiversity habitats, water bodies and landscape buffers, and refer to hard surfaces, boundary treatment and all soft landscaping proposed. The strategy should build on principles set out in a Design and Access Statement (where relevant).</p>	<p>Landscape Institute: Green Infrastructure – connected and multifunctional landscapes</p> <p>Landscape Institute: Making it Home – the power of landscape to create good housing</p>	<p><a href="#">Maldon District Local Development Plan 2014-2029</a></p>
