3.4.1 To adhere to the accounting policies and guidelines approved by the Director of Resources.

**A.4. ACCOUNTING RECORDS AND RETURNS**

**A.4.1 Why is this important?**

4.1.1 Maintaining proper accounting records is one of the ways in which the Council discharges its responsibility for stewardship of public resources. The Council has a statutory responsibility to prepare its annual accounts to present fairly its operations during the year. These are subject to external audit. This audit provides assurance that the accounts are prepared properly, that proper accounting practices have been followed and that quality arrangements have been made for securing economy, efficiency and effectiveness in the use of the Council's resources.

**A.4.2 Key controls**

4.2.1 The key controls for accounting records and returns are:

- a) all Committees, finance staff and budget managers operate within the required accounting standards and timetables;
- b) all the Council's transactions, material commitments and contracts and other essential accounting information are recorded completely, accurately and on a timely basis;
- c) procedures are in place to enable accounting records to be reconstituted in the event of systems failure;
- d) reconciliation procedures are carried out to ensure transactions are correctly recorded;
- e) prime documents are retained in accordance with legislative and other requirements.

**A.4.3 Responsibilities of the Director of Resources**

4.3.1 To determine the accounting procedures and records for the Council. Where these are maintained outside his/her department, the Director of Resources should consult the Director concerned.

4.3.2 To arrange for the compilation of all accounts and accounting records under his/her direction.

4.3.3 To comply with the following principles when allocating accounting duties:

- a) separating the duties of providing information about sums due to or from the Council and calculating, checking and recording these sums from the duty of collecting or disbursing them;
- b) employees with the duty of examining or checking the accounts of cash transactions must not themselves be engaged in these transactions.

4.3.4 To make proper arrangements for the audit of the Council's accounts in accordance with the Accounts and Audit Regulations 2015.

4.3.5 To ensure that all claims for funds including grants are made by the due date.

4.3.6 To prepare and publish the audited accounts of the Council for each financial year, in accordance with the statutory timetable and with the requirement for the Audit Committee to approve the Statement of Accounts.

4.3.7 To administer arrangements for under-spending to be carried forward to the following financial year.

4.3.8 To ensure the proper retention of financial documents in accordance with the requirements set out in the Council's document retention guidelines.

**A.4.4 Responsibilities of Directors**

4.4.1 To consult and obtain the approval of the Director of Resources before making any changes to accounting records and procedures.

4.4.2 To maintain adequate records to provide a management trail leading from the source of income/expenditure through to the accounting statements.

4.4.3 To supply information required to enable the Statement of Accounts to be completed in accordance with guidelines issued by the Director of Resources.

**A.5. THE ANNUAL STATEMENT OF ACCOUNTS**

**A.5.1 Why is this important?**

5.1.1 The Council has a statutory responsibility to prepare its own accounts to present fairly its operations during the year. The Performance, Governance and Audit Committee is responsible for approving the statutory annual Statement of Accounts.

**A.5.2 Key controls**

5.2.1 The key controls for the annual Statement of Accounts are:

- a) the Council is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of these affairs. In this Council, that officer is the Officer appointed by the Appointments Board as Director of Resources (Section 151 Officer);
- b) the Council's Statement of Accounts must be prepared in accordance with proper practices as set out in the latest CIPFA Code of Practice on Local Authority Accounting in the United Kingdom.

**A.5.3 Responsibilities of the Director of Resources**

5.3.1 To sign and date the Statement of Accounts, stating that it presents a true and fair view of the financial position of the Council at the accounting date and its income and expenditure for the year ended 31 March.

5.3.2 To select suitable accounting policies and to apply them consistently.

5.3.3 To make judgements and estimates that are reasonable and prudent.

5.3.4 To comply with the latest accounting Code of Practice.

5.3.5 To draw up the timetable for final accounts preparation and to advise staff and external auditors accordingly.

**A.5.4 Responsibilities of Directors**

5.4.1 To comply with accounting guidance provided by the Director of Resources and to supply him/her with information when required.

## **B. FINANCIAL PLANNING**

### **B.1. PERFORMANCE PLANS**

#### **B.1.1 Why is this important?**

1.1.1 The purpose of performance plans is to explain overall priorities and objectives, current performance, and proposals for further improvement.

#### **B.1.2 Key controls**

1.2.1 The key controls for performance plans are:

- (a) to meet the timetables set;
- (b) to ensure that all performance information is accurate, complete and up to date;
- (c) to provide improvement targets which are meaningful, realistic and challenging.

#### **B.1.3 Responsibilities of Directors**

1.43.1 To contribute to the development of performance plans in line with statutory requirements.

1.43.2 To contribute to the development of corporate and service targets and objectives and performance information.

1.43.3 To ensure that systems are in place to measure activity and collect accurate information for use as performance indicators.

1.43.4 To ensure that performance information is collected and monitored sufficiently frequently to allow corrective action to be taken if targets are not likely to be met.

### **B.2. BUDGETING**

#### **B.2.1 Format of the budget**

##### **2.1.1 Why is this important?**

2.1.1.1 The structure of the budget determines the level of detail to which financial control and management will be exercised. The structure shapes how the rules around virement operate, the operation of financial limits and sets the level at which funds may be reallocated within budgets.

#### **B.2.2 Key controls**

2.2.1 The key controls for the budget structure are:

- a) the structure complies with all legal requirements;
- b) the structure reflects the accountabilities of service delivery.

#### **B.2.3 Responsibilities of Directors**

2.3.1 To comply with accounting guidance provided by the Director of Resources.

**B.2.4 Revenue budget preparation, monitoring and control**

**2.4.1 Why is this important?**

2.4.1.1 Budget management ensures that once the budget has been approved by the Council, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account, managers responsible for defined elements of the budget.

2.4.1.2 By continuously identifying and explaining variances against budgetary targets, the Council can identify changes in trends and resource requirements at the earliest opportunity. The Council itself operates within an annual financial limit, approved when setting the overall budget. To ensure that the Council in total does not overspend, each service is required to manage its own expenditure within the budget allocated to it.

2.4.1.3 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service or policy area. However, budgetary control may take place at a more detailed level if this is required by the Directors scheme of delegation or by the Council.

**B.2.5 Key controls**

2.5.1 The key controls for managing and controlling the revenue budget are:

- a) budget managers should be responsible only for income and expenditure that they can influence;
- b) there is only one nominated budget manager for each budget area;
- c) budget managers accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
- d) budget managers follow an approved certification process for all expenditure;
- e) income and expenditure are properly recorded and accounted for;
- f) performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget;
- g) Managers should supervise the financial management of those reporting to them.

**B.2.6 Responsibilities of the Director of Resources**

2.6.1 To establish an appropriate framework of budgetary management and control that ensures that:

- a) budget management is exercised within annual financial limits unless the Council agrees otherwise;
- b) each Manager has available timely information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
- c) all officers responsible for committing expenditure comply with relevant guidance, and the financial regulations;
- d) each directly controllable cost centre has a single named manager, determined by the relevant Director. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making process that commits expenditure;
- e) significant variances from approved budgets are investigated and reported by budget managers regularly.

- 2.6.2 To administer the Council's scheme of virement.
- 2.6.3 To submit reports to the ~~Strategy and Resources~~Finance & Corporate Services Committee and to the Council, in consultation with the relevant Director, where a Director is unable to balance expenditure and resources within existing approved budgets under his/her control.
- 2.6.4 To prepare and submit reports on the Council's projected income and expenditure compared with the budget on a quarterly basis.
- 2.6.5 To approve fees and charges where the budgeted income is less than or equal to £2,000.

## **B.2.7 Responsibilities of Directors**

- 2.7.1 To maintain budgetary control within their services, in adherence to the principles in 2.6.1, and to ensure that all income and expenditure is properly recorded and accounted for.
- 2.7.2 To ensure that an accountable budget manager is identified for each item of income and expenditure under the control of the Director. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making that commits expenditure.
- 2.7.3 To ensure that spending remains within the service's overall financial limit, and that individual budget headings are not overspent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast.
- 2.7.4 To ensure that a monitoring process is in place to review performance levels/levels of service in conjunction with the budget and that it is operating effectively.
- 2.7.5 To ensure prior approval by the Council or ~~the Strategy and Resources Committee Programme committees (as appropriate)~~ for new proposals, of whatever amount, that:
  - a) create financial commitments in the current or future years;
  - b) change existing policies, initiate new policies or cease existing policies;
  - c) materially extend or reduce the Council's services.
- 2.7.6 To ensure compliance with the scheme of virement.
- 2.7.7 To agree with the relevant Director where it appears that a budget proposal, including a virement proposal, may impact materially on another service area or another Director's level of service activity.

## **B.2.8 Budgets and the Medium-Term Financial Strategy (MTFS)**

### **2.8.1 Why is this important?**

- 2.8.1.1 The Council is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Council's plans and policies.

- 2.8.1.2 A report on new proposals should explain the full financial implications, following consultation with the Director of Resources. Unless the Council or the Strategy and Resources~~Finance & Corporate Services~~ Committee has agreed otherwise, Directors must plan to contain the financial implications of such proposals within the relevant financial limit.
- 2.8.1.3 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the business plans and priorities of the Council. Budgets (spending plans) are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for a Council to budget for a deficit.
- 2.8.1.4 The annual strategic and financial planning process involves a cycle in which Directors develop their own plans for submission to the relevant Committee. As each year passes, another future year will be added to the MTFS. This ensures that the Council is always preparing for events in advance.

### **B.2.9 Key controls**

- 2.9.1 The key controls for budgets and the MTFS are:
- a) specific budget approval for all expenditure;
  - b) budget managers are consulted in the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Council for their budgets and the level of service to be delivered;
  - c) a monitoring process is in place to review regularly the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

### **B.2.10 Responsibilities of the Director of Resources**

- 2.10.1 To prepare and submit reports on budget prospects to the Strategy and Resources~~Finance & Corporate Services~~ Committee including resource constraints set by the Government. Reports should take account of medium-term prospects, where appropriate.
- 2.10.2 To determine the detailed form of revenue estimates and the methods for their preparation.
- 2.10.3 To advise on the medium-term implications of spending decisions.
- 2.10.4 To encourage the best use of resources and value for money by working with Directors to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in developing financial aspects of service planning.
- 2.10.5 To advise the Council on proposals in accordance with his/her responsibilities under section 151 of the Local Government Act 1972.

### **B.2.11 Responsibilities of Directors**

- 2.11.1 To prepare estimates of income and expenditure, in consultation with the Director of Resources.
- 2.11.2 To prepare budgets that are consistent with any relevant financial limits, with the Council's annual budget cycle and with guidelines issued by the Director of Resources.
- 2.11.3 To integrate financial and budget plans into business planning, so that budget plans can be supported by financial and non-financial performance measures.

2.11.4 In consultation with the Director of Resources and in accordance with the laid-down guidance and timetable, to prepare detailed draft revenue and capital budgets for consideration by the [Strategy and Resources Finance & Corporate Services](#) Committee.

2.11.5 When drawing up draft budget requirements, to have regard to:

- a) spending patterns and pressures revealed through the budget monitoring process;
- b) legal requirements;
- c) requirements as defined by the Council in the Strategic and Financial Policy Process;
- d) initiatives already under way and any new service requirements that are likely to require funding within the financial year in question.

#### **B.2.12 Resource allocation**

##### **2.12.1 Why is this important?**

2.12.1.1 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised, taking account of the Council's legal responsibilities and that resources are allocated to meet the urgent priorities. Resources may include staff, money, equipment, goods and materials.

##### **B.2.13 Key controls**

2.13.1 The key controls for resource allocation are:

- a) resources are acquired in accordance with the law and allocated using an approved authorisation process;
- b) resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;
- c) resources are securely held for use when required;
- d) resources are used in the most efficient manner.

##### **B.2.14 Responsibilities of the Director of Resources**

2.14.1 To coordinate the Strategic and Financial Planning process to ensure that resources are devoted to the Council's stated priorities.

2.14.2 To advise on methods available for the funding of expenditure plans.

##### **B.2.15 Responsibilities of Directors**

2.15.1 To deliver the Council's key objectives within budget limits and to utilise resources allocated, and further allocate resources, in the most efficient, effective and economic way.

2.15.2 To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

##### **B.2.16 Capital programmes**

##### **2.16.1 Why is this important?**

- 2.16.1.1 Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.
- 2.16.1.2 The Government controls the financing capacity of the Council through the CIPFA Prudential Code. This means that capital expenditure should be integrated into the Council's Treasury Management Strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

### **B.2.17 Key controls**

- 2.17.1 The key controls for capital programmes are:
- a) the development and implementation of asset management plans;
  - b) specific approval by the Council for the programme of capital expenditure;
  - c) a scheme and estimate, including project plan, progress targets and associated revenue expenditure is prepared for each capital project, for approval by the Strategy and Resources~~Finance & Corporate Services~~ Committee;
  - d) proposals for improvements and alterations to buildings must be approved by the relevant Director;
  - e) accountability for each capital project is accepted by a named manager;
  - f) monitoring of progress in conjunction with expenditure and comparison with approved budget;
  - g) capital spending plans are to be in line with the approved Capital Strategy.

### **B.2.18 Responsibilities of the Director of Resources**

- 2.18.1 To prepare the capital programme and estimates jointly with Directors and to report them to the Strategy and Resources~~Finance & Corporate Services~~ Committee for approval. The ~~Finance & Corporate Services~~ Committee will make recommendations on the capital programme and on any associated financing requirements to the Council.
- 2.18.2 To prepare and submit reports jointly with the officers defined as accountable for capital projects to the Strategy and Resources~~Finance & Corporate Services~~ Committee on the progress of the capital programme compared with the approved estimates.
- 2.18.3 Having regard to regulations determine the definition of 'capital'.

### **B.2.19 Responsibilities of Directors**

- 2.19.1 To comply with guidance concerning capital schemes and controls issued by the Director of Resources.
- 2.19.2 To prepare and submit quarterly reports jointly with the Director of Resources to the Strategy and Resources~~Finance & Corporate Services~~ Committee on the the progress of the capital programme compared with the approved estimates.

## APPENDIX 1

### Appendix B

- 2.19.3 To prepare regular reports reviewing the capital programme provisions for their services. In consultation with the Director of Resources, to obtain authorisation from the Strategy and Resources~~Finance & Corporate Services~~ Committee and/or the Council for individual schemes where the estimated expenditure exceeds the capital programme provision by more than a specified amount (see **Appendix F**).
- 2.19.4 To ensure that all capital proposals have undergone a project appraisal in accordance with guidance issued by the Director of Resources.
- 2.19.5 To ensure that adequate records are maintained for all capital contracts.
- 2.19.6 To proceed with projects only when there is adequate provision in the capital programme.
- 2.19.7 To prepare and submit reports, jointly with the Director of Resources, to the Strategy and Resources~~Programme committees~~ Committee, of any increase in contract costs in excess of the approved scheme and estimate, unless the excess can be met by virement from elsewhere within the capital programme. The authorisation limits for capital virements are set out in **Appendix F**.
- 2.19.8 To prepare and submit reports, jointly with the Director of Resources, to the Strategy and Resources~~Programme e~~Committees, where it appears that the final cost of a revenue or capital contract will exceed the approved contract sum by more than a specified financial limit (see **Appendix F**).
- 2.19.9 No leasing arrangements as defined by the Director of Resources shall be entered into without prior approval.

### **B.3. MAINTENANCE OF RESERVES**

#### **B.3.1 Why is this important?**

- 3.1.1 The Council must decide the level of general reserves it wishes to maintain before it can decide the level of council tax. Reserves are maintained as a matter of prudence. They enable the Council to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained, such as the purchase or renewal of capital items.

#### **B.3.2 Key controls**

- 3.2.1 To maintain reserves in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom and agreed accounting policies.
- 3.2.2 For each reserve established, the purpose, usage and basis of transactions should be clearly identified and approved by the Strategy and Resources~~Finance & Corporate Services~~ Committee.

#### **B.3.3 Responsibilities of the Director of Resources**

- 3.3.1 To advise the Strategy and Resources~~Finance & Corporate Services~~ Committee and/or the Council on prudent levels of reserves for the Council.

- 3.4.1 To ensure that resources are used only for the purposes for which they were intended.

## **C. RISK MANAGEMENT AND CONTROL OF RESOURCES**

### **C.1. RISK MANAGEMENT**

#### **C.1.1 Why is this important?**

1.1.1 All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation. In essence it is, therefore, an integral part of good business practice. Risk management is concerned with evaluating the measures an organisation already has in place to manage identified risks and then recommending the action the organisation needs to take to control these risks effectively.

1.1.2 It is the overall responsibility of the Council to approve the Council's risk management strategy, and to promote a culture of risk management awareness throughout the Council.

#### **C.1.2 Key controls**

1.2.1 The key controls for risk management are:

- a) procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the Council;
- b) a monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls;
- c) managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives;
- d) provision is made for losses that might result from the risks that remain;
- e) procedures are in place to investigate claims within required timescales
- f) acceptable levels of risk are determined and insured against where appropriate;
- g) the Council has identified business continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources.

#### **C.1.3 Responsibilities of the Director of Strategy, Performance and Governance**

1.3.1 To prepare and promote the Council's Risk Management Policy.

1.3.2 To develop risk management controls in conjunction with Directors.

#### **C.1.4 Responsibilities of the Director of Resources**

1.4.1 To include all appropriate employees of the Council in a suitable fidelity guarantee insurance.

1.4.2 To effect corporate insurance cover, through external insurance and internal funding, and to negotiate all claims in consultation with other officers, where necessary.

**C.1.5 Responsibilities of Directors**

- 1.5.1 To notify the Director of Resources immediately of any loss, liability or damage that may lead to a claim against the Council, together with any information or explanation required by the Council's insurers.
- 1.5.2 To take responsibility for risk management, having regard to advice from the Director of Strategy, Performance and Governance ~~Resources~~ and other specialist officers (e.g. fire prevention, health and safety).
- 1.5.3 To ensure that there are regular reviews of risk within their Service.
- 1.5.4 To notify the Director of Resources promptly of all new risks, properties or vehicles that require insurance and of any alterations affecting existing insurances.
- 1.5.5 To consult the Director of Resources and the Council's legal advisors on the terms of any indemnity that the authority is requested to give.
- 1.5.6 To ensure those employees, or anyone covered by the Council's insurances, do not admit liability or make any offer to pay compensation that may prejudice the assessment of liability in respect of any insurance claim.

**C.2. INTERNAL CONTROLS**

**C.2.1 Why is this important?**

- 2.1.1 The Council is complex and beyond the direct control of a single individual. It therefore requires internal controls to manage and monitor progress towards strategic objectives.
- 2.1.2 The Council has statutory obligations, and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.
- 2.1.3 The Council faces a wide range of financial, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.
- 2.1.4 The system of internal controls is established in order to provide measurable achievement of:
  - a) efficient and effective operations;
  - b) reliable financial information and reporting;
  - c) compliance with laws and regulations;
  - d) risk management.

**C.2.2 Key controls**

- 2.2.1 The key controls and control objectives for internal control systems are:
  - a) key controls should be reviewed on a regular basis;
  - b) managerial control systems, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these systems is to promote ownership of the control environment by defining roles and responsibilities;

- c) financial and operational control systems and procedures, which include physical safeguards for assets, segregation of duties, authorisation and approval procedures and information systems;
- d) an effective internal audit function that is properly resourced. It should operate in accordance with the principles contained in the Auditing Practices Board's auditing guideline Guidance for Internal Auditors, CIPFA's Code of Practice for Internal Audit in Local Government in the United Kingdom and with any other statutory obligations and regulations.

### **C.2.3 Responsibilities of the Director of Resources**

- 2.3.1 To assist the Council to put in place an appropriate control environment and effective internal controls which provide reasonable assurance of effective and efficient operations, financial stewardship, probity and compliance with laws and regulations.

### **C.2.4 Responsibilities of Directors**

- 2.4.1 To manage processes to check that established controls are understood and being adhered to and to evaluate their effectiveness, in order to be confident in the proper use of resources, achievement of objectives and management of risks.
- 2.4.2 To review existing controls in the light of changes affecting the Council and to establish and implement new ones in line with guidance from the Director of Resources. Directors should also be responsible, after consultation with the Director of Resources, for removing controls that are unnecessary or not cost or risk effective – for example, because of duplication.

## **C.3. AUDIT REQUIREMENTS**

### **C.3.1 Internal audit**

#### **3.1.1 Why is this important?**

- 3.1.1.1 The Accounts and Audit Regulations 2015 (para 5) require that a “relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance”.
- 3.1.1.2 Internal Audit must be seen as independent. This is achieved through operating within a framework that allows unrestricted access to senior management, reporting in its own name and segregation as far as practical from line operations. The function reports directly to the ~~Director of Resources (also the e~~Officer designated under Section 151 of the Local Government Act 1972 as responsible for ensuring the proper administration of the Authority's financial affairs). Internal Audit also reports directly to the Performance, Governance and Audit Committee.

### **C.3.2 Key controls**

- 3.2.1 The key controls for internal audit are:
  - a) that it is independent in its planning and operation;
  - b) the Audit Manager has direct access to the ~~Chief Executive,~~ Director of Resources, all levels of management and directly to elected Members;

- c) Internal Auditors work towards complying with the UK Public Sector Internal Audit Standards (PSIAS), and effort is made to preserve objectivity by ensuring staff are free from conflicts of interest. Therefore as far as is practical, Internal Audit will not participate in the day to day operation of any systems of internal financial control.

### **C.3.3 Responsibilities of the Director of Resources**

- 3.3.1 To ensure that internal auditors have the authority to:
  - a) access Council premises at reasonable times;
  - b) access all assets, records, documents, correspondence and control systems ;
  - c) receive any information and explanation considered necessary concerning any matter under consideration;
  - d) require any employee of the Council to account for cash, materials or any other asset under his/her control;
  - e) access records belonging to third parties, such as contractors, when required;
  - f) obtain direct access to the Strategy and Resources~~Finance & Corporate Services~~ Committee and the Performance, Governance and Audit Committee.
- 3.3.2 To approve the annual audit plans, prepared by the Audit Manager, and present to the Performance, Governance and Audit Committee for their approval.
- 3.3.3 To prepare terms of reference for the internal audit function, for approval by the Performance, Governance and Audit Committee.
- 3.3.4 To ensure that effective procedures are in place to investigate promptly any fraud or irregularity.

### **C.3.4 Responsibilities of Directors**

- 3.4.1 To ensure that internal auditors are given access at all reasonable times to premises, personnel, documents and assets that the auditors consider necessary for the purposes of their work.
- 3.4.2 To ensure that auditors are provided with any information and explanations that they seek in the course of their work.
- 3.4.3 To respond to internal and external audit reports in writing, within a timescale agreed by the appropriate Director and the Director of Resources or External Auditor, detailing the action intended to address any recommendations.
- 3.4.4 To ensure that any agreed actions arising from audit recommendations are carried out in a timely and efficient fashion.
- 3.4.5 To ensure that their staff report any suspicion of fraud, corruption or other financial irregularity in respect of Council funds, either directly, or via the Directors to the Director of Resources for investigation.
- 3.4.6 The Director of Resources must then arrange for appropriate investigation of the matter. The relevant Director must agree any further investigative action with the Director of Resources before proceeding.
- 3.4.7 The Director of Resources, in consultation with the relevant Director and the Monitoring Officer will advise whether any matter should be referred to the police for further investigation.

3.4.8 To ensure that the Director of Resources is given an opportunity, in a timely manner before live operation, to evaluate the adequacy of new systems for maintaining financial records, or records of assets, or changes to such systems.

### **C.3.5 External audit**

#### **3.5.1 Why is this important?**

3.5.1.1 Under Schedule 1 of the Local Audit and Accountability Act 2014 all contracts for audit and related services, previously let by the Audit Commission, were transferred to Public Sector Audit Appointments Ltd on 1 April 2015. The external auditor has rights of access to all documents and information necessary for audit purposes (para 22 2014 Act).

3.5.1.2 The general duties of the external auditor are defined in the Local Audit and Accountability Act 2014 (para 20) and the Local Government Act 1999. In particular, Schedule 6 of the 2014 Act sets out that the Comptroller & Auditor General is responsible for preparing a code of audit practice, which external auditors follow when carrying out their duties. Schedule 1 of the code of audit practice sets out the auditor's statutory responsibilities across 3 main headings:

- a) Audit Scope;
- b) Reporting;
- c) Additional powers and duties.

3.5.1.3 The Council's accounts are scrutinised by external auditors, who must be satisfied that the Statement of Accounts 'presents a true and fair view' (Para 20 2014 Act) of the financial position of the Council and its income and expenditure for the year in question and complies with the legal requirements.

### **C.3.6 Key controls**

3.6.1 External auditors were initially appointed by Public Sector Audit Appointments Ltd, however subsequent appointments are to be made by the Local Authority for a maximum period of five years. The Comptroller & Auditor General (National Audit Office) prepares the code of audit practice, which external auditors follow when carrying out their audits.

### **C.3.7 Responsibilities of the Director of Resources**

3.7.1 To ensure that external auditors are given access at all reasonable times to premises, personnel, documents and assets that the external auditors consider necessary for the purposes of their work.

3.7.2 To work with the external auditor and advise the Council, and Directors on their responsibilities in relation to external audit.

3.7.3 To ensure there is effective liaison between external and internal audit.

### **C.3.8 Responsibilities of Directors**

- 4.3.3 To record and make arrangements for the accurate and timely payment of tax, pensions and other deductions.
- 4.3.4 To make arrangements for payment of all travel and subsistence claims.
- 4.3.5 To make arrangements for paying Members travel or other allowances upon receiving the prescribed form, duly completed and authorised.
- 4.3.6 To ensure that adequate and effective systems and procedures are operated, so that:
  - (a) payments are only authorised to bona fide employees;
  - (b) payments are only made where there is a valid entitlement;
  - (c) conditions and contracts of employment are correctly applied, employees' names listed on the payroll are checked at regular intervals to verify accuracy and completeness.
- 4.3.7 To ensure that the Director of Resources is notified of the details of any employee benefits in kind, to enable full and complete reporting within the income tax self-assessment system (P11d).

**D.4.4 Responsibilities of Directors**

- 4.4.1 To send an up-to-date list of the names of officers authorised to sign records to the Director of Resources, together with specimen signatures.
- 4.4.2 To ensure that payroll transactions are processed only through the payroll system. Directors should give careful consideration to the employment status of individuals employed on a self-employed consultant or subcontract basis. HM Revenues and Customs applies a tight definition for employee status, and in cases of doubt, advice should be sought from the Director of Resources.
- 4.4.3 To certify travel and subsistence claims and other allowances. Certification is taken to mean that journeys were authorised and expenses properly and necessarily incurred, and that allowances are properly payable by the Council, ensuring that cost-effective use of travel arrangements is achieved. Due consideration should be given to tax implications and the Director of Resources is informed where appropriate.
- 4.4.4 To make, having regard to the particular circumstances of each case, ex gratia payments not exceeding a specified financial limit (see **Appendix F**) in any one case, subject to consultation with the Director of Resources. The circumstances of the proposed payment must not have the effect of circumventing other Council pay and allowance policies, tax rules or other legislation.
- 4.4.5 To notify the Director of Resources of all appointments, terminations or variations that may affect the pay or pension of an employee or former employee, in the form and to the timescale required by the Director of Resources.

4.4.6 To ensure appointments are made in accordance with the regulations of the Council and approved establishments, grades and scale of pay and that adequate budget provision is available.

**D.4.5 Responsibilities of Members and Officers**

4.5.1 To submit claims for travel and subsistence allowances on a monthly basis and, in any event, within one month of the year end.

**D.5. TAXATION**

**D.5.1 Why is this important?**

5.1.1 Like all organisations, the Council is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax are severe. It is therefore very important for all officers to be aware of their role.

**D.5.2 Key controls**

5.2.1 The key controls for taxation are:

- (a) Finance staff remain abreast of tax legislation, in particular that relating to PAYE, NICs, CIS and VAT.
- (b) budget managers are provided with relevant information and kept up to date on tax issues;
- (c) budget managers are instructed on required record keeping;
- (d) all taxable transactions are identified, properly carried out, accounted for within stipulated time-scales and paid through appropriate financial systems;
- (e) records are maintained in accordance with instructions;
- (f) returns are made to the appropriate authorities within the stipulated timescale.

**D.5.3 Responsibilities of the Director of Resources**

5.3.1 To complete all HM Revenues and Customs returns regarding PAYE and NIC's.

5.3.2 To complete a monthly return of VAT inputs and outputs to HM Revenues and Customs.

5.3.3 To provide details to HM Revenues and Customs regarding the construction industry tax deduction scheme in accordance with their deadlines.

5.3.4 To provide guidance for Council employees on taxation issues (including VAT).

**D.5.4 Responsibilities of Directors**

5.4.1 To ensure that the correct VAT liability is attached to all income due and that all VAT recoverable on purchases complies with HM Revenues and Customs regulations.

5.4.2 To ensure that, where construction and maintenance works are undertaken, the contractor fulfils the necessary construction industry tax deduction requirements.

5.4.3 To follow any guidance on taxation issued by the Director of Resources.

**D.6. TRADING ACCOUNTS AND BUSINESS UNITS**

**D.6.1 Why is this important?**

6.1.1 Trading accounts have become more important as local authorities have developed a more commercial culture.

**D.6.2 General**

6.2.1 Trading activities must operate within the Council's overall arrangements and rules for financial, personnel and resource management. Exceptionally, where it can be demonstrated that this would lead to a unit being uncompetitive and losing work, special arrangements can be considered. While the ~~CProgramme~~ committees have an overall responsibility for the operations of trading activities, clearly trading activities need freedom within this framework to operate on a commercial basis. Trading activities must adhere to Financial Regulations, unless alternative arrangements are explicitly identified and agreed in writing with the Director of Resources.

**D.6.3 Responsibilities of the Director of Resources**

6.3.1 To advise on the establishment and operation of trading accounts.

**D.6.4 Responsibilities of Directors**

6.4.1 To ensure that the control of the trading activity will be to the financial target (the 'bottom line') rather than to individual expenditure and income estimate headings

6.4.2 To ensure that as a minimum, a break even position should be achieved.

6.4.3 To report to the ~~Strategy and Resources~~~~Finance & Corporate Services~~ Committee, where a trading activity plans a significant item of expenditure (e.g. a capital scheme, the purchase of a major item of computer software or the creation of a major ongoing revenue commitment), prior to the expenditure being committed, unless already in an approved capital programme

6.4.4 To make a full report to the ~~Strategy and Resources~~~~Finance & Corporate~~ Services Committee, as soon as it is known that the trading activity may make a deficit.

6.4.5 To make a report to the ~~Strategy and Resources~~~~Finance & Corporate Services~~ Committee on the outturn of each trading activity compared to the financial plan.

6.4.6 To consult with the Director of Resources and the Council's legal advisors where a trading activity wishes to enter into a contract with a third party where the contract expiry date exceeds the remaining life of their main contract with the Council. In general, such contracts should not be entered into unless they can be terminated within the main contract period without penalty.

**E. EXTERNAL ARRANGEMENTS**

**E.1. PARTNERSHIPS**

**E.1.1 Why is this important?**

1.1.1 Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.

1.1.2 Local authorities usually act as an “enabler” and will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

**E.1.2 General**

1.2.1 The main reasons for entering into a partnership are:

- a) the desire to find new ways to share risk;
- b) the ability to access new resources;
- c) to provide new and better ways of delivering services;
- d) to forge new relationships.

1.2.2 A partner is defined as either:

- a) an organisation (private or public) undertaking, part funding or participating as a beneficiary in a project or;
- b) a body whose nature or status give it a right or obligation to support the project.

1.2.3 Partners participate in projects by:

- a) acting as a project deliverer or sponsor, solely or in concert with others;
- b) acting as a project funder or part funder;
- c) being the beneficiary group of the activity undertaken in a project.

1.2.4 Partners have common responsibilities:

- a) to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- b) to act in good faith at all times and in the best interests of the partnership’s aims and objectives;
- c) be open about any conflict of interests that might arise;
- d) to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- e) to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature;
- f) to act wherever possible as ambassadors for the project.

**E.1.3 Key controls**

1.3.1 The key controls for Council partners are:

- a) if appropriate, to be aware of their responsibilities under the Council's financial regulations and procedures together with *Contract Procedure Rules*;
- b) to ensure that risk management processes are in place to identify and assess all known risks;
- c) to ensure that project appraisal processes are in place to assess the viability of the project in terms of resources, staffing and expertise;
- d) to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences;
- e) to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

**E.1.4 Responsibilities of the Director of Resources**

1.4.1 To advise on effective controls that will ensure that resources are not wasted.

1.4.2 To advise on the key elements of funding a project. They include:

- a) a scheme appraisal for financial viability in both the current and future years;
- b) risk appraisal and management;
- c) resourcing, including taxation issues;
- d) audit, security and control requirements;
- e) carry-forward arrangements.

1.4.3 To ensure that the accounting arrangements are satisfactory.

1.4.4 To maintain a register of all contracts entered into with external bodies.

1.4.5 To ensure that spending has occurred in line with the terms and conditions and any eligibility criteria.

**E.1.5 Responsibilities of Directors**

1.5.1 To ensure that, before entering into agreements with external bodies the Council's legal advisors are consulted.

1.5.2 To ensure that, before entering into agreements with external bodies, a risk management appraisal has been prepared.

1.5.3 To ensure that such agreements and arrangements do not impact adversely upon the services provided by the Council.

1.5.4 To ensure that all agreements and arrangements are properly documented.

1.5.5 To provide appropriate information to the Director of Resources to enable a note to be entered into the Council's Statement of Accounts concerning material items.

**E.2. EXTERNAL FUNDING**

**E.2.1 Why is this important?**

2.1.1 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the Council. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies provide additional resources to enable the Council to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

**E.2.2 Key controls**

2.2.1 The key controls for external funding are:

- a) to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood;
- b) to ensure that funds are acquired only to meet the priorities approved in the policy framework by the Council;
- c) to ensure that any match-funding requirements and future revenue implications are given due consideration prior to entering into long-term agreements and that future revenue budgets reflect these requirements.

**E.2.3 Responsibilities of the Director of Resources**

2.3.1 To ensure that all funding notified by external bodies is received and properly recorded in the Council's accounts.

2.3.2 To ensure that the match-funding requirements are considered prior to entering into the agreements and that future revenue budgets reflect these requirements.

2.3.3 To ensure that audit requirements are met.

**E.2.4 Responsibilities of Directors**

2.4.1 To ensure that all claims for funds are made by the due date.

2.4.2 To ensure that the project progresses in accordance with the agreed project and that all expenditure is properly incurred and recorded.

**E.3. WORK FOR THIRD PARTIES**

**E.3.1 Why is this important?**

3.1.1 Legislation enables the Council to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risk associated with this work is minimised and that such work is intra vires.

**E.3.2 Key controls**

3.2.1 The key controls for working with third parties are:

- a) to ensure that proposals are costed properly in accordance with guidance provided by the Director of Resources;
- b) to ensure that contracts are drawn up using guidance provided by the Director of Resources and that the formal approvals process is adhered to;
- c) to issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

**E.3.3 Responsibilities of Director of Resources**

- 3.3.1 To issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

**E.3.4 Responsibilities of Directors**

- 3.4.1 To ensure that the approval of the appropriate ~~C~~Programme committee is obtained before any negotiations are concluded to work for third parties.
- 3.4.2 To maintain a register of all contracts entered into with third parties in accordance with procedures specified by the Director of Resources.
- 3.4.3 To ensure that appropriate insurance arrangements are made.
- 3.4.4 To ensure that the Council is not put at risk from any bad debts.

- 3.4.7 To ensure that the service has the appropriate expertise to undertake the contract.
- 3.4.8 To ensure that such contracts do not impact adversely upon the services provided for the Council.
- 3.4.9 To ensure that all contracts are properly documented.
- 3.4.10 To provide appropriate information to the Director of Resources to enable a note to be entered into the Statement of Accounts.
