MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE

1. PURPOSE OF THE REPORT

- 1.1 Members are asked to note the progress of activities undertaken by the Maldon Community Safety Partnership (CSP) since the last meeting held on 28 October 2021.

2. RECOMMENDATION

That Members review and comment on the current progress of the initiatives undertaken by the partnership to date.

3. SUMMARY OF KEY ISSUES

3.1 Statutory Duties

- 3.1.1 The strategic assessment has commenced, and partners have agreed the priorities for 2022 / 23 based on the data review and risk matrix exercise. The headline priorities listed below will remain the same as the previous year with some changes to the narrative based on the impact of the pandemic and current risks. The priorities, listed below, reflect priorities already identified in the revised Police and Crime Plan, the Essex Crime Prevention Strategy, and the current Essex Police Strategic Assessment.
- 3.1.2 The current priorities are highlighted on the Maldon District Council (MDC) website. It should be noted that reducing reoffending remains a statutory function for all Community Safety Partnerships and is embedded in the priorities listed below.
- Tackling crime and reducing reoffending (with an emphasis on violent crime, gangs, drug trafficking and high harm offences).
 - Driving down anti-social behaviour in public places (with an emphasis on youth nuisance and improving partnership visibility).
 - Identifying and supporting vulnerable people (with an emphasis on domestic abuse, violence against women and girls, social isolation, suicide prevention, mental health and hate crime).
 - Increase confidence in identifying and reducing rural crime.
 - Promoting road safety and challenging irresponsible driving.
- 3.1.3 These priorities will contribute to the Council's Corporate Plan 2021 - 23 for the Community, with the goal being "Through our projects, actions, communication, partnerships and policies we will work to support our communities, the health and well-being of our residents, and to provide safe and clean places to live in and enjoy."

Projects are highlighted as activities in the community safety action plan for 2021 / 22. Each activity has a clear timescale with a red, amber, green rating, proposed financial spend and milestone to enable performance monitoring of each project associated to the activity as per recommendations of the internal audit from 2020. Activities are reported quarterly to the Responsible Authorities Group (RAG), through a finance report and monthly through the community safety partnership hub tasking meetings.

- 3.1.4 The current Essex Police Maldon performance figures for the rolling year to 31 January 2022 (compared to the same period last year) showed an increase in all crime by 0.9% (32 more offences) and a decrease in anti-social behaviour by 37% (467 less incidents). It should be noted that there has been an increase in all crime in Essex by 7% with a decrease in anti-social behaviour by 33.8%. A summary of the crime profile for Maldon will be presented at the meeting by Chief Inspector Steve Scott-Haynes. The new Chief Superintendent for the North Local Policing Area: Tom Simons had an introductory meeting with officers in October 2021. A copy of the Essex Police force performance summary for the county is attached as **APPENDIX 1**. Some more local contexts of the issues surrounding these crime increases will be given at the meeting. Whilst there has been a decrease in Anti-Social Behaviour (ASB) reports to the Police, local authority reports continue to be high which is a combination of nuisance behaviour, noise, fly tipping and neighbour disputes. The Council's Community Engagement Officers have been doing joint patrols with Essex Police during these busy periods.
- 3.1.5 Officers continue to work with the Prevent Team and local Counter Terrorism Security Advisors (CTSA) to ensure that local risks are addressed. The Community Safety Manager chairs the Essex County Prevent Group and attends the Essex Contest Board. The most recent Counter Terrorism Local Profile (CTLP) briefing (Quarter 3) was on 22 February 2022 and strategic members have been briefed on current risks. The terrorist alert has recently been lowered to SUBSTANTIAL. Recent work around Prevent has included the delivery of training to schools and early years settings. Officers have met to discuss the Protect Duty being proposed and a response was made on behalf of the partnership by the closing date for the consultation on 2 July 2021. The Home Office published their response to the consultation on 10 January 2022. Officers continue to engage with communities through the Independent Advisory Group which meets every two months. The last meeting was held on 24 January 2022. This acts as a good forum to discuss community tensions, hate crime and policing interventions such as Stop and Search, and gives a voice to underrepresented communities. The Community Safety Manager is also a member of the Special Interest Group in Countering Extremism (SIGCE).
- 3.1.6 MDC commenced a consultation on 24 May 2021 for a new Public Space Protection Order (PSPO). The PSPO will give the police and accredited officers more powers to tackle the use of alcohol, illegal drugs, and psychoactive substances in certain areas of the district: Maldon – Promenade Park, Hythe Quay and High Street, Burnham-on-Crouch – Riverside Park and High Street (and connecting roads). The consultation period ended on 4 July 2021 and officers will give a progress update at the meeting.

3.2 **Police, Fire and Crime Commissioner Update**

- 3.2.1 Roger Hirst was re-elected as the Police, Fire and Crime Commissioner (PFCC) following an election on 6 May 2021. The partnership continues to support the priorities identified in the refreshed Police and Crime Plan which was extended until 2024. The next public meeting for Maldon will be on 16 May 2022 at 19.00hrs.

- 3.2.2 Works continue with several multi-agency groups that support this work locally and across Essex. The Office of the Police, Fire and Crime Commissioner (OPFCC) has confirmed that core funding for Maldon in 2021 / 22 will be **£12,527** and the necessary funding forms were completed and returned as part of the funding agreement. The Community Safety Development Fund (CSDF) will continue throughout 2021 / 22 for partnerships, charities, and community groups to access funds which support the priorities of the Police and Crime Plan. The Police, Fire and Crime Panel (PFCP) approved a further increase in the council tax precept for 2022 / 23 (4.79% or £9.99 per annum for a Band D property) for policing which will see recruitment of another 200 extra officers in 2022 / 23. There will be a small increase in the precept for fire services (1.95% or £1.44 per annum as above). The Maldon representative for the Police Fire and Crime Panel is Councillor Mark S Heard who is also the MDC representative for RAG as agreed at the annual meeting of MDC on 20 May 2021, with Councillor Bruce B Heubner acting as substitute.
- 3.2.3 More locally the increase in policing numbers saw the introduction of Town Centre Teams for Maldon, Chelmsford and South Woodham Ferrers, the introduction of Community Safety Engagement Officers and the reintroduction of the Marine Unit (based at Burnham-on-Crouch), new Disruptor Teams established, a new Business Crime Team and the Rural Engagement Team (RET) has also doubled in size, which supports the priority of tackling rural crime and is now working very closely with the Council's community engagement officers. These new posts will see further increases in town centre and community policing teams, more officers to tackle violence in all forms, more for crime investigation and to tackle organised crime. There has been the introduction of a tri-service pilot to cover the Dengie which is an officer role funded by Essex Police, Essex County Fire and Rescue Service and East of England Ambulance Service. There was also the launch of the new initiative to patrol the coastline and waterways of Essex on 12 July 2021 that has included the joint purchase of jet skis for officer use. This initiative is receiving good support on social media platforms where prompt enforcement action has been taken.
- 3.2.4 As previously reported, the Essex Violence and Vulnerability Unit (VVU) was established with members seconded from Essex Police, County Council, Youth Offending Teams (YOT) and Probation and has seen significant Home Office funding come to Essex in 2018/19, 2019/20 and 2020/21. The VVU is hosted by Chelmsford City Council in the community safety partnership hub shared with Maldon CSP officers. The Community Safety Manager attends the Violence and Vulnerability Operations Board which reports to a Strategic Board (Roundtable). Officers are involved in the various workstreams of this strategic group: Few Causing Most Harm and Voice of Communities. A copy of the VVU Annual Report can be accessed using this link: [Annual report 2020/21 - Essex Violence and Vulnerability Unit \(essexvvu.co.uk\)](https://www.essexvvu.co.uk). The Home Office has also confirmed that the unit will receive £1.16 million for 2021 / 22 and Essex County Council (ECC) has recently announced a contribution of £500,000 for 2021 / 22. For further information on the VVU they can now be followed on Twitter [@EssexVVU](https://twitter.com/EssexVVU) or on the new VVU website: www.essexvvu.co.uk

3.3 **Community Safety Partnership Hub and Progress Update**

- 3.3.1 The Community Safety Partnership (CSP) Hub for Chelmsford and Maldon meets bi-monthly and has a tasking process which links to the priorities of the CSP. Tasking has migrated to Microsoft Teams during the pandemic with the most recent meeting being on 13 January 2022. The community safety team also attend fortnightly local tasking with Essex Police. There is an individual action plan for Maldon CSP plus a tasking update which is monitored to ensure that partner actions are completed and performance managed. A copy of the current Maldon CSP Plan on a Page for 2021 /

22 is attached as **APPENDIX 2**. Sub-Groups of the partnership continue to meet on a regular basis and work streams for each individual group are effectively impacting on various areas of community safety. Regular attendees at tasking include council officers and CCTV staff, community policing team, ECC Youth Services and Youth Offending Services, Essex Community Rehabilitation Company, Family Solutions, Peabody, Phoenix Futures, Children's Health & Wellbeing Service, The Children's Society, Neighbourhood Watch, Open Road and Social Care with other partners supporting the process when necessary (analytical support, serious organised crime, intelligence etc.). The community safety hub is occupied by CSP officers, the Community Policing Team, the Town Centre Unit, and the Essex VVU. This has already improved joint working within the respective teams, which will provide a much better service for the public in terms of performance, visibility, and reassurance. The community policing team will also have a hub at the MDC offices in the near future.

- 3.3.2 Officers attend the MACE 1 and MACE 2 (Missing and Child Exploitation) meetings, and the Behaviour and Attendance Partnership (BAP) on Microsoft Teams to ensure that the needs of vulnerable children for the district are addressed and that processes are in place to tackle the criminal and sexual exploitation of young people. Officers continue to support registered social landlords in tackling anti-social behaviour cases which in time should upskill partners to enable them to tackle anti-social behaviour more effectively and improve data sharing and intelligence. The most recent meeting of this forum was 17 February 2022. More complex neighbour disputes are dealt with on a case-by-case basis. Officers also meet with the community mental health teams on a bi-monthly basis to discuss complex cases and support arrangements for vulnerable people. The partnership has supported Neighbourhood Watch (NHW) throughout the pandemic and has migrated members to Microsoft Teams with the last meetings being held on 28 and 30 September 2021 respectively. Officers also attend Mid-Essex Stay Safe, Mid-Essex Children's Partnership Board (MECPB), Chelmsford & Maldon Behaviour and Attendance Partnership (BAP), Maldon Youth Strategy Group, Safer Essex, Essex Community Safety Network, County Prevent Group, Essex Contest Board, SIGCE, Essex CCTV User Group and the County Safeguarding Leads meeting.
- 3.3.3 PC Rosie Smith (Maldon), is now working in the hub with Community Safety Engagement Officers which will be dedicated to improving engagement with our communities and will involve engagement on virtual platforms such as Facebook and Twitter. A copy of the Essex Police monthly newsletter circulated to elected members has received good feedback. There are opportunities to increase engagement in the Dengie with the pilot of a new tri-service role with a new officer funded by police, fire, and the ambulance service. This work has involved the creation of a fraud aware booklet for distribution in rural communities. Example of this joint working are the recent partnership working in Southminster, Bradwell and Heybridge to look at various areas of public concern.
- 3.3.4 Current concerns for the partnership hub focus on violence and vulnerability, and disruption of organised crime together with monitoring "hot spots" such as Maldon High Street, Promenade Park, Hythe Quay, and some of the parks across the district where young people are congregating and consuming alcohol and using nitrous oxide cannisters. The continued use of Operations Trespass, Aegis, Overwatch and Sceptre are proving successful and in recent months there have been significant arrests to disrupt both local and County Line drug networks. Essex County Fire & Rescue Service has recently presented some case studies in relation to fire fatalities whereby the victims were socially isolated and this is an area of work the partnership is keen to address.

3.3.5 Crucial Crew was delivered to Year 6 primary school students in June 2021 on a virtual platform using a provider called Tic Box Productions, this production and workshop focussed on exploitation and awareness around knife crime and drugs. The community safety team worked with partners to deliver a safety awareness event which included a cycle marking initiative on 27 July 2021. Officers from MDC, Essex Police, Essex Fire and Rescue Service (ECFRS) and Essex Watch all attended and there was some positive engagement with the public and thirty-three members of the public turned up to get their cycles security marked. A Senior Safety Silver Sunday event was organised on 4 October 2021 at Maldon Football Stadium for over 65s. The event was delivered with the Safer Chelmsford Partnership, Essex Police, ECFRS and NHS East of England Ambulance Service, and a variety of contributing partners. The event received good feedback with over eighty attendees. The next safety awareness event is planned for 8 April 2022 at Promenade Park. Maldon Youth Strategy has funded a professional drama by a professional drama company to be delivered in both secondary schools. The drama: 'Unacceptable', will focus on tackling sexism, sexual abuse, and sexual harassment against young women. Officers attended the Women's Safety Partnership Event on 30 September 2021. The community engagement team are involved in several initiatives across the district that impact on community safety:

- Trucam is currently being delivered across 18 parishes at 45 different locations;
- Joint patrols with Essex Police and the Tri Service Officer to tackle community concerns;
- Officers have recently gone through the Essex Police Community Safety Accreditation Scheme (CSAS) reaccreditation process and are now accredited until 31 January 2025;
- Close working relationship with Essex Police Rural Engagement Team (RET) to tackle issues such as fly tipping and unlicensed waste carriers, a recent operation resulted in over 70 vehicles being stop checked;
- Partnership working with Essex Police in the form of joint patrols to encourage responsible dog ownership;
- Supporting the Community Safety Event and Bike Marking Initiative;
- Supporting Coffee with Cops;
- Joint patrols with ECC Youth Service at key locations;
- Intelligence sharing with secondary schools to safeguard any identified vulnerable persons;
- Engagement with youths through the Just Play football initiative.

4. CONCLUSION

4.1 That Members note the proposed priorities for 2021 / 22 and progress on the community safety partnership. The shared working arrangements between Maldon and Chelmsford continue to support local priorities, high level policing priorities and the priorities of the revised PFCC plan and has strengthened with the co-location of the community policing team in March 2019 and additional policing resources in town centres and rural areas. The increased footprint for the community policing team at Maldon DC offices will strengthen this partnership further. Maldon CSP remains efficient and responsive to emerging issues and more importantly positions itself strongly for future funding arrangements with the Essex Police, Fire and Crime Commissioner, statutory partners, and local / national initiatives.

5. IMPACT ON STRATEGIC THEMES

- 5.1 These priorities contribute to the Council's vision of "Through our projects, actions, communication, partnerships and policies we will work to support our communities, the health and well-being of our residents, and to provide safe and clean places to live in and enjoy".
