ANNUAL REPORT OF THE OVERVIEW AND SCRUTINY COMMITTEE

1. PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to present to the Council an annual update on the work of the Overview and Scrutiny Committee.

2. RECOMMENDATION

To the Council: That the annual report of the Overview and Scrutiny Committee for 2022 / 23 be accepted.

3. SUMMARY OF KEY ISSUES

- 3.1 The Overview and Scrutiny Committee was set up afresh initially under the Council's new Constitution with effect from October 2019. One of its responsibilities is to report to the Council on an annual basis, and the arrangements for this have been endorsed by the Council. Although the Committee also acts as the Council's Crime and Disorder Committee, its scrutiny remit in that role is quite specific and relates to outside bodies and agencies involved with crime and disorder. The Committee's annual report to Council is therefore confined to its scrutiny role other than in relation to crime and disorder.
- 3.2 The Operating Protocol for the Committee offers a process for the consideration of potential scrutiny items to ensure efficiency and clear outcomes linked to strategic themes. The Protocol also reflects Government Guidance which needs to be heeded. This refines the role of the Committee as being positive and forward looking, providing more of a 'critical friend' challenge, and generally assisting the Council and its Committees by identifying improvements and making recommendations. The intention is that Committee time will predominantly be spent on the planning and carrying out of actual scrutiny work. It has established a Working Group which can be used to manage items of a 'watching brief' nature or where information has been requested, and to assist with the planning of scrutiny.
- 3.3 In this municipal year, two direct referrals were received from the Member request form. All members have access to make a referral through the following link <https://forms.office.com/r/zR5yjZZFf3> . Additional referrals were also received from the Council and Committees.
- 3.4 The Committee also agreed a process for the initial consideration and review of potential items of scrutiny requested by Members. The Working Group has been tasked with this and has regard to the remit of the Committee and also the agreed operating protocol in identifying actual scrutiny items. It then reports to the next available meeting of the Committee.

3.5 The annual report for 2022 / 23 was agreed by the Committee at its last meeting on 28 March 2023, and is now set out at **APPENDIX 1** to this report.

4. CONCLUSION

4.1 The Council has established a sound basis for the operation of its Overview and Scrutiny Committee and the annual reporting arrangements are intended to ensure a degree of accountability of the Committee to Council.

5. IMPACT ON STRATEGIC THEMES

5.1 Thorough scrutiny processes underpin the Performance and Efficiency Corporate Goal.
