A BRIEF GUIDE TO CONTRACT PROCEDURE RULES

These contract procedure rules (issued in accordance with section 135 of the 1972 Local Government Act) are intended to promote good purchasing practice and public accountability and deter corruption. Following the rules is the best defence against allegations that a purchase has been made incorrectly or fraudulently.

Officers responsible for purchasing or disposal must comply with these contract procedure rules when undertaking Procurement on behalf of the Council. Council employees and third-party service providers have a duty to report breaches of Contract Procedure Rules to an appropriate senior manager and the Monitoring Officer.

These rules apply to all relevant contracts.

These rules apply to Officers and Members.

The Chief Finance Officer may make minor changes to these Contract Procedure Rules.

Minor changes are defined as:

- Changes in statutory framework, such as references to new or updated legislation
- Changes in titles, names or terminology
- Changes consequential to other constitutional changes already made.

For the purposes of these rules, where there is a requirement for communication to be in writing, this shall be electronically via email or the Councils e-tendering solution where required.

- Follow the rules if you purchase goods or services or order building work.
- Take all necessary legal, financial, and professional advice.
- Declare any personal financial interest in a contract. Corruption is a criminal offence.
- Conduct any *Best Value* review and appraise the purchasing need.
- Check whether there is an existing *Corporate Contract* you can make use of before undergoing a competitive process.
- Keep bids confidential.
- Complete a written contract or council order before the supply or works begin.
- Identify a contract manager with responsibility for ensuring the contract delivers as intended.
- Keep records of dealings with suppliers.
- Assess each contract afterwards to see how well it met the purchasing need and *Value for Money* requirements.

SECTION 1: SCOPE OF CONTRACT PROCEDURE RULES

1. BASIC PRINCIPLES

All purchasing and disposal procedures must:

- Ensure value for money and propriety in spending of public money; be consistent with the highest standards of integrity
- consider all necessary procurement, legal, financial and professional advice
- Comply with all legal requirements and these rules
- Ensure that the Council is not exposed to unnecessary risk and likelihood of challenge arising from non-compliant procurement activity
- Consider and incorporate necessary health and safety, inclusion and diversity, and safeguarding children and vulnerable adults' requirements.
- Not be influenced by Non-Commercial considerations other than those permitted by law.
- Comply with the Council's Procurement Strategy.
- Support the council's corporate and departmental objectives, plan and policies

2. OFFICER RESPONSIBILITIES

2.1 Officers

2.1.1 *Officers* responsible for purchasing or disposal must comply with these contract procedure rules, *Financial Regulations*, the Code of Conduct and with all UK binding legal requirements. *Officers* must ensure that any *Agents*, *Consultants* and contractual partners acting on their behalf also comply.

All officers should undertake procurement in a manner which avoids any potential conflicts of interest.

2.1.2 *Officers* must:

- *Obtain all appropriate authorisations and check that appropriate budget provisions exist before procurement*
- Have regard to the guidance in the *Purchasing Guidance*
- Check whether a suitable *Corporate Contract* exists before seeking to let another contract; where a suitable *Corporate Contract* exists, this must be used unless there is an auditable reason not to keep the records required by Rule 6
- Take all necessary Procurement, legal, financial and professional advice.

2.1.3 When any employee either of the authority or of a service provider may be affected by any transfer arrangement, *Officers* must ensure that the Transfer of Undertaking (Protection of Employment) (*TUPE*) issues are considered and obtain legal advice before proceeding with inviting *Tenders* or *Quotations*.

2.2 Chief Executive / Deputy Chief Executive

2.2.1 *The Chief Executive / Deputy Chief Executive must:*

- Ensure that their staff comply with Rule 2.1 Keep registers of: Contracts Completed by signature, rather than by the council's seal (see Rule 15.3)
- Arrange their safekeeping on council premises exemptions recorded under Rule 3.2.
- Ensure that where exemptions are obtained under section 3 that they are recorded and stored.

3. EXEMPTIONS, COLLABORATIVE AND E-PROCUREMENT ARRANGEMENTS

- 3.1 The Council has the power to waive any requirements within these contract procedure rules for specific projects
- 3.2 Where a proposed contract is likely to exceed the UK *Threshold*, the *Chief Executive / Deputy Chief Executive* has no delegated powers, and the matter has to be determined by the council (see Rule 3.1). No exemption can be used if the UK Procedure applies unless in extreme cases of urgency and with Legal advice.
- 3.3 Where an exemption is necessary because of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to council services, the *Officer* and the *Chief Finance Officer* may jointly approve the exemption, but they must prepare a report for the next Strategy and Resources Committee to support the action taken.
- 3.4 All exemptions, and the reasons for them, must be recorded using the form in the *Purchasing Guidance*. Exemptions shall be signed by the *Officer* and countersigned by the *Chief Finance Officer* and where appropriate the Chairperson of the Strategy and Resources Committee.
- 3.5 The *Lead Specialist Procurement* must be consulted prior to commencing any procurement process using Crown Commercial Services (CCS) Contracts. The terms and conditions of contract applicable to any CCS arrangement, including the requirement to undertake competition between providers, must be fully complied with.
- 3.6 *Financial Officers* must monitor the use of all exemptions.
- 3.7 In order to secure *Value for Money*, the authority may enter into collaborative procurement arrangements. The *Officer* must consult the *Chief Finance Officer* and the *Monitoring Officer* where the purchase is to be made using collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium.
- 3.7.1 All purchases made via a local authority purchasing consortium are deemed to comply with these contract procedure rules, and no exemption is required. However, purchases above the UK *Threshold* must be let under the *UK Procedure*, unless the consortium has satisfied this requirement already by letting their contract in accordance with the *UK Procedures* on behalf of the authority and other consortium members.
- 3.7.2 Any contracts entered into through collaboration with other local authorities or other public bodies, where a competitive process has been followed that complies with the

contract procedure rules of the leading organisation, will be deemed to comply with these contract procedure rules, and no exemption is required. However, advice must be sought from *the Lead Specialist Procurement*.

- 3.8 The use of e-procurement technology does not negate the requirement to comply with all elements of these contract procurement rules, particularly those relating to competition and *Value for Money*.

4. RELEVANT CONTRACTS

- 4.1 All *Relevant Contracts* must comply with these contract procedure rules. A *Relevant Contract* is any arrangement made by, or on behalf of, the authority for the carrying out of works or for the supply of goods, materials or services. These include arrangements for:

- 4.3 **Contract Value Calculation**

- Contract value means the estimated aggregate or recurring value payable in pounds sterling inclusive of Value Added Tax over the entire contract period including any extensions of the contract.
- Where the contract term without fixed length the estimated value of the contract should be calculated by monthly value of spend multiplied by 48 in accordance with The Public Contracts Regulations 2015.
- Contracts must not be artificially underestimated or disaggregated into two or more separate contracts where the effect is to avoid the application of Contract Procedure Rules or English Law.
- Where a framework agreement is planned the contract value must be calculated to include the total value of all of the individual contract arrangements envisaged under the Framework Agreement.

- 4.4 **Extensions and Variations**

- Contracts may only be extended or varied if all of the following conditions have been met;
- The extension or variation is in accordance with the terms and conditions of the existing contract;

- The contract has not been extended before the extension or variation has an approved budget allocation;
- For advice regarding acceptance thresholds for contract extensions and variations please contact the Chief Executive.

 - of the reason if the lowest price is not accepted.

7. ADVERTISING, APPROVED LISTS AND FRAMEWORK AGREEMENTS

7.1 Identifying and Assessing Potential Candidates

7.1.1 *Officers* shall ensure that, where proposed contracts, irrespective of their *Total Value*, might be of interest to potential *Candidates* located in other member states, a sufficiently accessible advertisement is published.

7.1.2 Generally, the greater the interest of the contract to potential bidders from other member states, the wider the coverage of the advertisement should be. Examples of where such advertisements may be placed include:

- The council's website
- The Council's e-tendering solution
- Portal websites specifically created for contract advertisements such as 'Contracts Finder' and 'Find a Tender'

7.1.3 *Officers* are responsible for ensuring that all *Candidates* for a *Relevant Contract* are suitably assessed. The assessment process shall establish that the potential *Candidates* have sound:

- Economic and financial standing;
- Technical ability and capacity to fulfil the requirements of the authority.

7.2 Approved Lists

The Council does not as a rule agree the use of Approved Lists. Where the use of an approved list may be required, you should seek guidance from the Lead Specialist Procurement. A full business case and Director level approval must be obtained, prior to appointing an approved list.

7.3 Framework Agreements

7.3.1 The term of a *Framework Agreement* should not exceed four years without appropriate justification and, while an agreement may be entered into with one provider, where an agreement is concluded with several organisations, there must be at least three in number.

7.3.2 Contracts based on *Framework Agreements* may be awarded by either:

- applying the terms laid down in the *Framework Agreement* (where such terms are sufficiently precise to cover the particular call-off) without reopening competition, or
- where the terms laid down in the *Framework Agreement* are not precise enough or complete for the particular call-off, by holding a mini competition in accordance with the following procedure:
- inviting the organisations within the *Framework Agreement* that are capable of executing the subject of the contract to submit written *Tenders*;
- fixing a time limit which is sufficiently long to allow *Tenders* for each specific contract to be submitted, taking into account factors such as the complexity of the subject of the contract;
- awarding each contract to the tenderer who has submitted the best *Tender* on the basis of the *Award Criteria* set out in the specifications of the *Framework Agreement*.

SECTION 3: CONDUCTING PURCHASE AND DISPOSAL

8. COMPETITION REQUIREMENTS FOR PURCHASE, DISPOSAL AND PARTNERSHIP ARRANGEMENTS

The *Officer* must calculate the *Total Value* over the term of the contract including any extensions.

The following procedures apply where there are no other procedures which take precedence. Other procedures may include agency agreements with government. If in doubt, *Officers* must seek the advice of the Lead Specialist Procurement.

8.1 Purchasing – Competition Requirements

8.1.1 Where the *Total Value* for a purchase is within the values in the first column below, the *Award Procedure* in the second column must be followed. *Sign off to award* shall be done by the persons specified in the third column.

- 8.1.2 An *Officer* must not enter into separate contracts nor select a method of calculating the *Total Value* in order to minimise the application of these contract procedure rules.
- 8.1.3 Where the *UK Procedure* is required, the *Officer* shall consult the *Lead Specialist Procurement* to determine the method of conducting the purchase.

8.2 Assets for Disposal

- 8.2.1 Assets for disposal must be sent to public auction (including electronic auction sites such as eBay) except where better *Value for Money* is likely to be obtained by inviting *Quotations* and *Tenders*. (These may be invited by advertising on the council's internet site.) In the latter event, the method of disposal of surplus or obsolete stocks/stores or assets other than land must be formally agreed with the *Chief Executive*.
- 8.2.2 The *Chief Finance Officer* has the discretion to agree other methods for disposal of Assets up to a value of £5,000 in consultation with the *Chief Executive / Deputy Chief Executive*.
- 8.2.3 In the first instance surplus vehicles, plant and equipment should be offered to Parish Council's within the District at a fair price (sold as seen) agreed by the *Chief Finance Officer* in consultation with the *Chief Executive / Deputy Chief Executive*.

- 8.3.1 The *Chief Finance Officer* and *Financial Regulations and procedures* must be consulted where contracts to work for organisations other than the authority are contemplated.

- 8.5.1 Consultant architects, engineers, surveyors and other professional Consultants shall be selected, and commissions awarded in accordance with the procedures detailed within these contract procedure rules and as outlined below.
- 8.5.2 The *Officer* must produce suitable Terms of Reference (ToRs) setting out the scope of the assignment/study. This should be used to invite proposals from the Consultant[s]
- 8.5.3 The *Officer* must be satisfied that the fees and charges are reasonable and that appropriate procedures have been followed having regard to the type of work, prevailing market conditions and the particular knowledge or expertise of the consultant. Records of consultancy appointments shall be maintained in accordance with Rule 6.
- 8.5.4 All consultants used must have:
- performed satisfactory work of a similar nature within the previous two years, or provided satisfactory evidence of relevant work carried out for other similar organisations within the last three years;

- relevant specialist knowledge and experience which is likely to be of value to Maldon;
- Hold professional indemnity of a sufficient level to protect the Councils interest

8.5.5 Records of consultancy appointments shall be maintained in accordance with Rule 6

9. PRE-TENDER MARKET RESEARCH AND CONSULTATION

9.1 The *Officer* responsible for the purchase:

- May consult potential suppliers prior to the issue of the *Invitation to Tender* in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any potential *Candidate*
- Must not seek or accept technical advice on the preparation of an *Invitation to Tender* or *Quotation* from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential *Candidates* or distort competition, and should seek advice from the *Lead Specialist Procurement*.

10. STANDARDS AND AWARD CRITERIA

10.1 The *Officer* must ascertain what are the relevant British, European or international standards which apply to the subject matter of the contract. The *Officer* must include those standards which are necessary properly to describe the required quality. The *Director* must be consulted if it is proposed to use standards other than UK standards.

10.2 The *Officer* must define *Award Criteria* that are appropriate to the purchase and designed to secure an outcome giving *Value for Money* for the authority. The award criteria must take into account:

- 'Lowest price' where payment is to be made by the authority;
- 'Highest price' if payment is to be received; or
- 'Most economically advantageous', where considerations other than price also apply.
- Savings over the life of the contract
- Sustainable Procurement
- Social Value
- The subject matter of the contract

Relevant considerations to the contract should also include service, quality of goods, running costs, technical merit, previous experience, delivery date, cost effectiveness, quality, relevant environmental considerations, aesthetic and functional characteristics (including security and control features), safety, after-sales services, technical assistance and any other relevant matters.

10.3 *Award Criteria* must not include:

- *Non-commercial Considerations*
- Matters which discriminate against suppliers or signatories to the *Government Procurement Agreement*.

11. INVITATIONS TO TENDER / QUOTATIONS

- 11.1 The *Officer* responsible must ensure they have the budget and appropriate approvals in place to commence the purchase. Where the value of the contract exceeds £50,000 then a tender process must be followed using the Councils nominated e-tendering portal. Guidance should be sought from the *Lead Specialist Procurement* as to the correct process to follow. All spend over £5000 is subject to the Transparency Agenda.
- 11.2 Where legally permissible the Council shall ensure that for purchases of a value of up to £50,000 that at least one Small and Medium-sized Enterprise (SME) / Local supplier is invited to quote or tender for suitable and relevant contracts. While there are no legislative timescales for return of quotes the deadline given to suppliers should be proportionate to the level of work expected for their submission. All documents and communications should be kept and where the lowest price is not accepted this must be recorded.
- 11.3 Once approval to proceed has been obtained by the necessary delegated authority (*Request for Quote procedure note*) the process should include the following:
- (a) Details of the requirement must be completed on a Request For Quote (RFQ) template and include a specification of requirement.
 - (b) Identify potential suppliers, (a minimum of 3 must be invited to quote) set a deadline for return of quotes, evaluate all returns, and select supplier.
 - (c) Document the reasons for your choice and gain approval to award (see 8.1.1)
 - (d) Once all suppliers have been notified of the outcome, all documentation/evidence and approval to award must be recorded and updated on the contracts register.
 - (e) Manage the contract in line with the Contract Management guidance
- 11.4 Where Contracts are of a type and value which means that they are subject to the UK Rules then there are five main types of procedures available. These are the Open and Restricted the Competitive Dialogue, Competitive Procedure with Negotiation and the Innovative Partnership. In the vast majority of cases the Open and Restricted procedures will be chosen the other procedures are generally used for more complex contracts. *Officers* should obtain guidance on the best route from the Lead Specialist Procurement.
- 11.5 All *Invitations to Tender* shall include the following:
- (a) A specification that describes the authority's requirements in sufficient detail to enable the submission of competitive offers.
 - (b) A requirement for tenderers to declare that the *Tender* content, price or any other figure or particulars concerning the *Tender* have not been disclosed by the tenderer to any other party (except where such a disclosure is made in confidence for a necessary purpose).
 - (c) A requirement for tenderers to complete fully and sign all *Tender* documents including a form of *Tender* and certificates relating to canvassing and non-collusion.

- (d) Notification that *Tenders* are submitted to the council on the basis that they are compiled at the tenderer's expense.
 - (e) A description of the *Award Procedure* and, unless defined in a prior advertisement, a definition of the *Award Criteria* in objective terms and if possible in descending order of importance.
 - (f) All tender submissions should be via the Council's e-tendering solution.
 - (g) A stipulation that any *Tenders* submitted by fax or other electronic means shall not be considered with the exception of the Council's electronic tender portal.
 - (h) The method by which any arithmetical errors discovered in the submitted *Tenders* is to be dealt with. In particular, whether the overall price prevails over the rates in the *Tender* or vice versa.
- 11.6 All Invitations to Tender or Quotations must specify the goods, service or works that are required, together with the terms and conditions of contract that will apply (see Rule 15).
- 11.7 The Invitation to Tender or Quotation must state that the council is not bound to accept any Quotation or Tender.
- 11.8 All Candidates invited to Tender, or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.
- 11.9 All tendering procedures including obtaining quotes from planning to contract award and signature, shall be undertaken in a manner so as to ensure that the following is secured
- (a) Sufficient time is given to plan and run the process
 - (b) Equal opportunity and equal treatment
 - (c) Openness and transparency
 - (d) Probity
 - (e) Outcomes which deliver sustainability, efficiency and cost savings (where appropriate).

11.10 **Public Services Social Value Act (2012)**

The Council has a legislative duty to consider the social, economic and environmental benefits of the service being delivered at the pre-procurement stage by way of:

- How what is being procurement might improve the economic, social and environmental well-being of the Councils area and;
- How in conducting the process of procurement, it might act with a view to securing that improvement
- Prior to commencing a tender process guidance should be sort from Procurement with regard to Social Value requirements.

12. SUBMISSION, RECEIPT AND OPENING OF TENDERS/QUOTATIONS

- 12.1 Candidates must be given an adequate period in which to prepare and submit a proper quotation or tender, consistent with the complexity of the contract requirement.
- 12.2 All Tenders must be returned via the Council's e-tendering solution.
- 12.3 Tenders received by fax or other electronic means (e.g. email) must be rejected, unless they have been sought in accordance with an electronic tendering system

13. CLARIFICATION PROCEDURES AND POST-TENDER NEGOTIATION

- 13.1 Providing clarification of an Invitation to Tender to potential or actual Candidates or seeking clarification of a Tender, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a Tender and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e. post-tender negotiations) must be the exception rather than the rule. In particular, they must not be conducted in a UK Procedure where this might distort competition, especially with regard to price.
- 13.2 Post Tender negotiations within a UK Procedure can only be carried out where the correct procedure has been used and advertised with guidance from *Lead Specialist Procurement* and where necessary with *Legal advice*.
- 13.3 Where post-tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but re-tendered.

14. EVALUATION, AWARD OF CONTRACT, & DEBRIEFING CANDIDATES

- 14.1 Apart from the debriefing required or permitted by these contract procedure rules, the confidentiality of *Quotations*, *Tenders* and the identity of *Candidates* must be preserved at all times and information about one *Candidate's* response must not be given to another *Candidate*.
- 14.2 Contracts must be evaluated and awarded in accordance with the *Award Criteria*. During this process, *Officers* shall ensure that submitted *Tender* prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily.
- 14.3 The arithmetic in compliant *Tenders* must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their *Tender*. Alternatively, if the rates in the *Tender*, rather than the overall price, were stated within the *Tender* invitation as being dominant, an amended *Tender* price may be requested to accord with the rates given by the tenderer.
- 14.4 *Officers* may accept *Quotations* and *Tenders* received in respect of proposed contracts, provided they have been sought and evaluated fully in accordance with these contract procedure rules and, in respect of proposed contracts that are expected to exceed £250,000, the approval of the relevant Committee has been secured.

- 14.5 For tenders up to the UK threshold it is best practice to inform all tenderers of the intention to award and give unsuccessful tenderers an opportunity to request feedback on their submission. Only useful feedback needs to be provided. A 10-day standstill period shall not apply.
- 14.6 For all tenders over the UK Threshold a full debrief in writing must be given to all those *Candidates* who submitted a bid about the characteristics and relative advantages of the leading bidder. No information, other than the following, should be given without taking the advice of the Solicitor:
1. How the *Award Criteria* were applied
 2. The prices or range of prices submitted, in either case not correlated to *Candidates* names (anonymised) apart from the winning *Candidate*.
 3. Proposed winning *Candidates* name[s]
- 14.7 If a *Candidate* requests in writing the reasons for a *Contracting Decision*, the *Officer* must give the reasons in writing within 15 days of the request. The debriefing information at Rule 14.6 above should also be sent to *Candidates* who were deselected in a pre-tender *Shortlisting* process and not advised unsuccessful at that time.
