

## **REPORT of CHIEF EXECUTIVE**

---

to  
**OVERVIEW AND SCRUTINY COMMITTEE (MEETING AS THE CRIME AND DISORDER  
COMMITTEE)**  
**26 FEBRUARY 2026**

### **MALDON DISTRICT COMMUNITY SAFETY PARTNERSHIP UPDATE**

#### **1. PURPOSE OF THE REPORT**

- 1.1 Members are to receive an update on the progress of activities undertaken by the Maldon Community Safety Partnership since the last meeting held on 9 October 2026.

#### **2. RECOMMENDATION**

That Members review and comment on the current progress of the initiatives undertaken by the community safety partnership to date.

#### **3. SUMMARY OF KEY ISSUES**

##### **3.1 Statutory Duties**

- 3.1.1 Officers completed the Maldon strategic assessment, and it was endorsed by One Maldon District Partnership on 13 March 2025. The new strategic assessment will be presented to the Responsible Authorities Group on 5 March 2026. This process involves a crime data review, crime risk matrix scoring and analysis of public perception data. The crime risk matrix scores for Maldon District in 2025 showed the following offences of highest concern: domestic abuse (high and medium risk), death or serious injury caused by unlawful driving, rape, trafficking of drugs and domestic abuse (low risk). Whilst this report relates to the work of the community safety partnership members should acknowledge the wider linked work of the district council for reducing domestic abuse, environmental health, licensing, health improvement and safeguarding. The strategic group agreed the following priorities and narratives which are highlighted on the Maldon District Council (MDC) website:

- Tackling crime and reducing reoffending (with an emphasis on serious violence, gangs, drugs and county lines, and knife crime)
- Driving down anti-social behaviour in public places (with an emphasis on youth nuisance, supporting our residents to solve local issues and improving partnership visibility)
- Identifying and supporting vulnerable people and communities (with an emphasis on domestic abuse, sexual offences, violence against women and girls, monitoring community tensions, mental health, social isolation, suicide prevention, hate crime and a proactive approach to those at risk of exploitation)
- Tackling rural, neighbourhood and environmental crime (focussing on acquisitive crime)

- Promoting road safety and challenging irresponsible driving
- 3.1.2 These reflect priorities already identified in the current Police and Crime Plan (2024-2028), the Essex Crime Prevention Strategy, MDC's Corporate Plan (2025-28), One Maldon District Partnership priorities and the Essex Police Strategic Assessment. The joint strategic needs assessment that is now a requirement under the Serious Violence Duty has been completed by Essex Violence and Vulnerability Unit (VVU) and officers receive monthly data sets on Power Bi from the data scientist to help identify trends and ward hotspots in the district. The agreed interconnected outcomes for the One Maldon District Partnership use the Wider Determinants of Health and Thriving Places approach are:
- Access to Services (including transport)
  - Community and Community Cohesion
  - Community Safety
  - Mental Health
  - Green Spaces
- 3.1.3 The current Essex Police Maldon performance figures for the rolling year to 31 January 2026 (compared to the same period last year) showed a decrease in all crime by **5.2%** (169 less offences) and an increase in anti-social behaviour by **2.2%** (5 more incidents). A summary of the crime profile for Maldon will be presented at the meeting by the police representative. A copy of the Essex Police force performance summary for the county is attached as **APPENDIX 1**. The partnership also receives a monthly data pack for hate crime which is shared with community safety partners and the Independent Advisory Group (IAG). Hate crime data shows a **11.77%** increase in the district compared to the same period last year (6 more offences).
- 3.1.4 Officers continue to work with the Essex Police and partners to ensure that local risks are addressed in relation to the Prevent agenda (preventing violent extremism). The current UK threat remains "SUBSTANTIAL". The Community Safety Manager chairs the Essex Prevent Delivery Group that reports back to the Essex Local Contest Board, Safer Essex and Essex Chief Executives Forum. The partnership receives a regular briefing called the Counter Terrorism Local Profile (CTLP) and regional priorities are extreme right-wing terrorism, self-initiated terrorism, extremism in prison, and the online risk being an enabler. The local benchmarking for Prevent for Essex was completed with the Home Office in February 2025, and Members will note that we (Essex) were exceeding in all areas with one area being duty met: communications and engagement. The next meeting with the Home Office is on 12 March 2026. Home Office funding has enabled Essex to appoint an officer to assist in this area of work and training for the public which is being delivered for older persons and parents on misinformation by Connect Futures. The Prevent Partnership Plan and Situational Risk Assessment have just been refreshed for Quarter 3, and officers are briefing senior management on community tensions and the outcomes from National Learning Reviews.
- 3.1.5 As mentioned earlier in this report, Essex VVU produced a joint strategic needs assessment for serious violence (statutory duty) and the partnership receives regular data. Serious violence is defined as; homicide, manslaughter, violence with injury, personal robbery, rape, and other sexual offences where offences occurred outside the home, were not domestic in nature, a knife, bladed article, firearm, or other weapon was recorded as being used, or the offence was recorded as linked to county lines or gangs. Maldon has a low rate of serious violence (**lowest in Essex**) with **0.12** offences per 1,000 population (7 offences per annum), a reduction of

**36.4%** from the same period last year (reduction of 4 offences). Copies of the Essex Serious Violence Strategy and Essex Serious Violence Needs Assessment can be found here: [VVU Documentation - Essex Violence and Vulnerability Unit \(essexvvu.co.uk\)](http://essexvvu.co.uk)

3.1.6 A duty that will impact on the work of the partnership will be the Terrorism (Protection of Premises) Act 2024 commonly known as Martyn's Law which received Royal Assent on 3 April 2025. Martyn's Law will impose requirements on premises and events to increase their preparedness for, and protection from, a terrorist attack. The law will require premises to take proportionate steps, depending on the size and nature of the activities that take place. This will be based on qualifying premises and capacity thresholds: standard tier (capacity of 100 or more, enhanced tier 800 or more) and places of worship (standard tier regardless of capacity). Government guidance will be available soon and areas will have two years to comply with the requirements. An Essex Martyn's Law working group has been set up to ensure consistency across Essex in the response to these new requirements. The district council is already planning for compliance when the guidance is released and will be supporting local areas as part of the new measures.

## 3.2 Police, Fire and Crime Commissioner Update

3.2.1 The partnership continues to support the priorities (listed below) identified in the current Police and Crime Plan (2024 – 2028) which was recently published with the refreshed priorities listed below: [Plans - Essex PFCC](#)

- More local, visible and accessible policing
- Drive down anti-social behaviour and crime
- Beat knife crime and drug gangs and protect young people
- Tackle violence against women and girls and domestic abuse
- Ensure vulnerable people are protected
- Improve road safety and reduce road deaths in Essex to zero

3.2.2 Works continue with several multi-agency groups that support this work locally and across Essex. The Office of the Police, Fire and Crime Commissioner (OPFCC) confirmed that core funding for Maldon in 2025 / 26 was **£9,965** and the necessary funding forms were completed and returned as part of the funding agreement. This core funding has been reduced because of the increased contribution for domestic homicide reviews across Essex but there are opportunities to bid for other funds to support the work of the partnership. The annual partnership public meeting hosted by the PFCC was held on 6 November 2025 at West Maldon Community Centre. Topics for discussion included pavement parking, rural crime and road deaths: [Pavement parking, rural crime and road deaths among topics raised at PFCC public meeting for Maldon district - News - Essex PFCC](#) Officers had their annual meeting with the OPFCC on 9 February 2026 to review the performance of the partnership and their office were pleased with progress being made.

3.2.3 Maldon District was awarded funding for three projects from the PFCC Safer Streets funding for 2023 / 24 and 2024 / 25, and officers will be updating Members on progress at this meeting. A key piece of work to ensure that the design of our green spaces and associated facilities are more inclusive has been completed. Officers have worked with the charity Make Space for Girls and consultants, Social Place to produce a report working with a group of Year 9 (now 10) students from the Plume Academy: [A Place for Us, Essex | Social Place](#). This consultation process together with similar work with two Chelmsford schools has been recognised as a winner for

Inspiring Future Generations by the Thornton Education Trust. The new skate provision works at West Maldon Community Centre and Riverside Park, Burnham-on-Crouch are complete, and the new inclusive designs are proving popular for a diverse range of users. The anticipated completion of the skate park at Maldon Promenade is March / April 2026. The graffiti art project and new CCTV is complete at Maldon Promenade. Filming has been completed for the women's safety project, and this project together with a charter for Maldon will be launched in Spring 2026. In addition to this, funding has been secured for a project: Her Place for Burnham-on-Crouch (PFCC Safer Streets and Rural Prosperity Fund) and a similar project funded by Active Essex for a parish council. The Her Place project involved a full day consultation with Make Space for Girls / Social Place at Ormiston Rivers Academy funded by the community safety partnership. The CCTV project for Burnham-on-Crouch will be complete in Spring 2026.

- Safety projects to complement the design of the new Maldon promenade skate park - **£132,252**
- A women's safety project for Maldon District - **£16,000** (plus £8,000 Maldon CSP)
- A CCTV scheme for Burnham-on-Crouch - **£40,874**
- Her Place for Burnham-on-Crouch - **£40,507** (plus £2,500 Maldon CSP)
- Active Essex Project for Parish Council - **£8,500**

### 3.3 **Community Safety Partnership Hub and Progress Update**

3.3.1 The Community Safety Partnership Hub Tasking for Maldon was launched in August 2024. Meetings are held monthly and has a tasking process which links to the priorities of the Community Safety Partnership (Maldon CSP). This process includes a tasking update from the NPT Sergeant, licensing, a monthly forecast, identified hotspots, patrol plans, communications, complex cases, and organised crime groups. Monthly tasking with Essex Police and the Community Safety Team is also held on Tuesdays and weekly Maldon catch ups. Monthly partnership tasking for Chelmsford and Maldon continues at the Chelmsford CSP Hub. There is an individual action plan for Maldon CSP plus a tasking update which is monitored to ensure that partner actions are completed and performance managed. The Essex Police Maldon Town Team now share the community safety hub with the Community Safety and Community Engagement Teams, with a new interview room for shared use with funding from the community safety partnership. The hub was officially opened by a representative of the Essex OPFCC on 17 February 2025.

3.3.2 Current concerns for the partnership hub focus on violence and vulnerability, modern day slavery, and disruption of organised crime and knife crime (Op Sceptre) together with monitoring "hot spots" such as Maldon High Street, Promenade Park and some of the green spaces across the district. The main area for antisocial behaviour in the summer has been around Hoe Mill Lock and advice offered last year appears to have reduced some of the issues experienced this summer. Partnership operations are proving successful and in recent months there have been significant arrests to disrupt both local and County Line drug networks. The excellent work of the police and partnership is highlighted in Dispatch – Maldon Edition and the new partnership newsletter went live in October 2025 (link below). The team is also delivering sessions at a Falls Prevention Hub in Heybridge (slipper swap event and seated exercise), mental health awareness events, suicide prevention and supporting the Maldon CVS Public Living Room initiative. Operation Henderson was delivered in June 2025 where the partnership will be patrolling taxi ranks and train stations in the district and offering advice to young people and taxi drivers. The team has also been

undertaking lots of community engagement at various locations across the district and utilising the community safety trailer at Promenade Park and recently refurbished Parks Office at Riverside Park, Burnham-on-Crouch.

### 3.3.3 Current project works for 2025 / 26 include:

- Community engagement events at Promenade Park and Burnham Riverside Park using the corporate trailer (Promenade Park) and refurbished office (Riverside Park)

#### 4. CONCLUSION

- 4.1 That Members note the priorities for 2025 / 26 and progress on the community safety partnership. The shared working arrangements between Maldon and Chelmsford continue to support local priorities, high level policing priorities and the priorities of the revised PFCC plan and has been strengthened with the co-location of the community policing team and additional policing resources in town centres and rural areas. The increased footprint for the neighbourhood policing team at MDC offices will strengthen this partnership further. Maldon CSP remains efficient and responsive to emerging issues and more importantly positions itself strongly for future funding arrangements with the Essex Police, Fire and Crime Commissioner, statutory partners, and local / national initiatives.

#### 5. IMPACT ON PRIORITIES AS SET OUT IN THE CORPORATE PLAN 2025 - 2028

- 5.1 These priorities contribute to the Council's vision of "Through our projects, actions, communication, partnerships and policies we will work to support our communities, the health and well-being of our residents, and to provide safe and clean places to live in and enjoy".

#### 6. IMPLICATIONS

- (i) **Impact on Customers** – Helping communities to be safe, active, and healthy.
- (ii) **Impact on Equalities** – Designing safer and more inclusive green spaces.
- (iii) **Impact on Risk (including fraud implications)** – None.
- (iv) **Impact on Resources (financial)** – Members should note that sustainable funding of posts to cover statutory duties will remain a challenge but remain manageable whilst we receive an annual PFCC grant and other funding opportunities.
